God And The Gods Myths Of The Bible Pelican:

God and the Gods Walter Beltz,1983 The author analyzes Old and New Testament accounts attempting to explain their origins relating them to earlier religions and myths to political events to writings and tales outside the canon **The Logic of Incest** Seth Daniel Kunin,1995-01-01 **The Bible among the Myths** John N. Oswalt,2009-08-30 Sixty years ago most biblical scholars maintained that Israel s religion was unique that it stood in marked contrast to the faiths of its ancient Near Eastern neighbors Nowadays it is widely argued that Israel s religion mirrors that of other West Semitic societies What accounts for this radical change and what are its implications for our understanding of the Old Testament Dr John N Oswalt says the root of this new attitude lies in Western society s hostility to the idea of revelation which presupposes a reality that transcends the world of the senses asserting the existence of a realm humans cannot control While not advocating a the Bible says it and I believe it and that settles it point of view Oswalt asserts convincingly that while other ancient literatures all see reality in essentially the same terms the Bible differs radically on all the main points The Bible Among the Myths supplies a necessary corrective to those who reject the Old Testament s testimony about a transcendent God who breaks into time and space and reveals himself in and through human activity **Forthcoming Books** Rose Arny,2001-06 *The Bible Inside and Out* William Paul Lazarus,2025-01-22 Despite the Bible s pervasive role and importance it is commonly unread outside of churches and synagogues and often misunderstood In *The Bible Inside and Out* award winning religious historian William Paul Lazarus presents a unique research based look at the Bible that helps a reader separate fact from fiction In so doing Lazarus s book helps the reader come away with a deeper understanding of the Bible s complexities and historical reality and ultimately a better understanding of how they may want to shape their beliefs For those readers looking to complete their understanding of the Bible or their own beliefs this book is an important piece of that puzzle The opening section of *The Bible Inside and Out* provides background about the Bible including its history and the problems of translating it The book then in section two explains research into biblical stories including carbon 14 dating and archaeological findings that may help separate fact from fiction In the book s third section Lazarus details Jewish and Christian history He then in the fourth and fifth sections provides an in depth look at accounts contained in each of those religions Bible such as hidden meanings behind the Adam and Eve and Noah s ark stories research into various books and investigations into the four gospel accounts in the Christian Bible British Book News British Council,1983 Includes no 53a British wartime books for young people *British Book News* ,1983 The Jesus Mysteries Timothy Freke,Peter Gandy,2001-12-18 Drawing on the cutting edge of modern scholarship this astonishing book completely undermines the traditional history of Christianity that has been perpetuated for centuries by the Church and presents overwhelming evidence that the Jesus of the New Testament is a mythical figure Whether you conclude that this book is the most alarming heresy of the millennium or the mother of all revelations *The Jesus Mysteries* deserves to be read Fort Worth Star Telegram Far from being eyewitness accounts as is

traditionally held the Gospels are actually Jewish adaptations of ancient Pagan myths of the dying and resurrecting godman Osiris Dionysus The supernatural story of Jesus is not the history of a miraculous Messiah but a carefully crafted spiritual allegory designed to guide initiates on a journey of mystical discovery A little more than a century ago most people believed that the strange story of Adam and Eve was history today it is understood to be a myth Within a few decades authors Timothy Freke and Peter Gandy argue we will likewise be amazed that the fabulous story of God incarnate who was born of a virgin who turned water into wine and who rose from the dead could have been interpreted as anything but a profound parable
