Sovereignty of God J. I. Packer, 2012-06-28 If God is in control of everything can Christians sit back and not bother to evangelize Or does active evangelism imply that God is not really sovereign at all J I Packer shows in this classic study how both of these attitudes are false *The Mystic Way of Evangelism* Elaine A. Heath, 2017-11-07 Elaine Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality This thoroughly revised edition includes a new study guide Praise for the First Edition Outreach Resource of the Year Award Winner Heath's biographies of the mystics are inspiring and her emphases on suffering and spiritual depth as the antidote to a prepackaged method obsessed consumer oriented evangelistic approach are refreshing Outreach **Gospel Centered Evangelism**

Joseph Schmidt, 2017-06-16 Evangelism Approaching this task has been a challenge for God's people both individually and corporately since as long as we can remember and longer We've tried to examine evaluate and consider American culture adapting to reach it attempting to develop fresh and creative methods to get our message to make sense to the lost In doing so we have placed the culture at the front of our consideration We ask What is our culture like and then ask How do we reach it Are we asking the right questions Is this task as complicated as we've made it This book is an urgent call for the Church in

America to repent recover and renew our priorities in evangelism The inspiration for this book came from the author s experience and his benefit from the ministry of Evangelist Ray Comfort and The Way of The Master This book endeavors to discuss something more than a method of sharing our faith while that is included but to truly examine the motives presuppositions and thinking behind how and why we evangelize the way we do This is our most substantial resource on Amazon Questions this book will answer What is Intentional Evangelism What should form our philosophy or theology of Evangelism How has contemporary Evangelism attempted to reach the lost and to what degree are our methods and the language we use biblical and effective Is the gospel still central in our evangelism What does it mean to be effective How do we deal with our fears of sharing our faith What specific counsel does Scripture give us for how to share our faith and what does it teach by example What does Intentional Evangelism look like practically Is street preaching a legitimate means of reaching the lost How do we answer the objections from the lost CHANGES IN THE SECOND EDITION New Cover Design Minor spelling and other corrections Additional footnotes and sources Additional material within body of text expanded paragraphs Formatting and Structure Changes Appendix reviewing Bill Hybels and Mark Mittleberg s book Becoming a Contagious Christian Appendix on Is it Wrong to Have an Agenda With Unbelievers Appendix on Does 2 John v 10 11 prohibit us from witnessing to cults Appendix on Event Based Evangelism Appendix on 7 Reasons to Share Your Faith at Work Appendix on Open Air Springboards About the author Joseph came to know Christ as Savior in 2004 after growing up in a non Christian home and being an atheist for seven years He lived in North Texas most of his life He attended Moody Bible Institute graduating in 2010 with a B A in Biblical Exposition and is currently studying at The Southern Baptist Theological Seminary in Louisville KY He serves as the Pastor of Youth and Family Ministries at Milton Baptist Church in Milton KY He has led evangelism teams in North Texas and Chicago for outreach on the streets in local parks and on college campuses He has facilitated taught and written evangelism curriculum for youth college students and adults He and his wife also served a two year term in a domestic incarnational missionary program designed to reach the lost through building community Joseph simply has a heart to build and stabilize a biblical worldview into the hearts and minds of the church alongside a theology of evangelism that isn t driven by popular culture or sentimentalism but instead intentionally shares the comprehensive gospel message in a loving yet uncompromising way All proceeds go to support my wife and I while we re at seminary

Gospel-Centered Discipleship Jonathan K. Dodson, 2012-03-31 Reflecting on the practice of disciple making in young adult college graduate and local church contexts Jonathan Dodson has discerned some common pitfalls For many discipleship is reduced to a form of religious performance before God For others it devolves into spiritual license and a loose adherence to spiritual facts Both approaches distort biblical motivations for Christian obedience and are in need of reform By explaining various motivations for discipleship Dodson charts a biblically faithful grace driven alternative Additionally he provides a practical model for creating gospel centered discipleship groups small reproducible missional gender specific groups of

believers that fight for faith together This book blends both theology and practice to inspire and equip Christians to effectively fight sin keep Jesus central and make gospel centered discipleship a way of life Both new and growing Christians will learn to trust the gospel in community as they fight together for holiness as well as how to start gospel centered community groups in any local church **Graceful Evangelism** Frances S. Adeney,2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today s religiously pluralistic and secular contexts This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God s good news with the world *Gospel Witness through the Ages* David M. Gustafson,2022-02-24 A definitive history of Christian evangelism including noteworthy persons movements and methods from the past Christians have been sharing the good news of Jesus Christ with nonbelievers for two thousand years Within this deep history is wisdom for today including numerous models for understanding what evangelism is and how it should be done In *Gospel Witness through the Ages* David Gustafson introduces readers to evangelism s noteworthy persons movements and methods from the entire scope of church history including both examples to emulate and examples to avoid With this thorough historical approach Gustafson expands the reader s conception of the evangelistic task and suggests new ways to shape our identity as gospel witnesses today through the influence of these earlier generations of Christians With discussion questions for further reflection and primary sources from major evangelistic figures of the past *Gospel Witness through the Ages* is the most definitive history of evangelism available essential for understanding how Christians today can continue proclaiming the gospel to the whole world as Christians have in every century past *The Heart of the Gospel* Robert E. Coleman,2011-05-01 For more than forty years Robert E Coleman s bestselling *The Master Plan of Evangelism* has been the standard in evangelism literature But what is the theology behind evangelism And why is it important for Christians to understand *The Heart of the Gospel* offers a systematic theology of evangelism that will ground and inform our practice of spreading the Good News Each chapter covers a major biblical doctrine explains its various evangelical interpretations treats misconceptions that adversely affect evangelism and offers practical applications of the doctrine Based on decades of classroom teaching this comprehensive work is aimed at ministry readers interested in evangelism and outreach Evangelism Is . . . Dave Earley,David Wheeler,2010-06-01 Two veteran missionaries write forty creative and empowering chapters on what it truly means to share Jesus with passion and confidence both locally and worldwide *The Surpassing Power of the Gospel* Ed Lacy Compiled By: Dianne Lacy,2025-01-27 Evangelism should be the very heartbeat of every born again Christian flowing from their love of Jesus Christ In this book Ed Lacy reminds us of the transformative power found

within the gospel message the message that is Christ centered from beginning to end The gospel stands as a beacon of light illuminating the path to salvation God has chosen the plan of salvation and the way to proclaim the good news Lacy beckons you to place your confidence in the surpassing power of the gospel that cannot be found in a formula or man s philosophy but rather in the person and work of Jesus Christ alone He invites us to behold the majestic plan of God the Father that sent His Son to be the Savior and Lord who in His perfect life sinless death and glorious resurrection accomplished what no other could the salvation of sinners Throughout these pages each chapter builds upon one another taking you from the foundation of God s work to its climax where all will stand before the Living God at the Bema Seat or the Great White Throne Judgment You will encounter stories of lives transformed by the power of the gospel stories of broken lives redeemed purpose restored and lives filled with unspeakable joy and contentment Moreover he emphasizes the essence of true evangelism lies not in persuasive techniques or eloquent speech but in pointing people to Jesus Christ who alone can resurrect those spiritually dead in trespasses and sins and give them life eternal Using the Word of God he reveals the fruit of a life that has been changed by the power of the gospel Journeying through these chapters may you be inspired to share the gospel boldly and compassionately striving to carry out God s work God s ways for God s glory In The Surpassing Power of the Gospel Christ Centered Evangelism Ed s passion and teachings lives on Complied by his beloved wife of 44 years Dianne who worked alongside him in ministry has conformed Ed s sermons notes and teachings into a powerful study on evangelism Dianne a women s bible teacher and conference speaker herself honors Ed s legacy by bringing his unfinished work to completion This work ensures that the mission of inspiring equipping and calling on believers to share the gospel with a lost and dying world presses onward for the glory of God
