God Help Me These People Are Driving Me Nuts:

When Divorce is Not an Option Dr. Gregory Popcak, 2014-09-23 God has put you and your spouse together for a reason and it's not to argue. You are bonded together to cultivate in each other those virtues that lead to sanctification. That's why this book isn't just about saving your marriage; it's about transforming it into a joyful loving relationship. In these pages, acclaimed author and psychotherapist Gregory Popcak shows you how to heal the hurt in your marriage and develop the crucial habits necessary to resolve conflicts, renew the love you once had, and discover the passion you always wanted. Dr. Popcak's clinical experience and recent research show that the difference between happy and unhappy marriages lies in the habits, both good and bad, that are practiced in the home. Here you'll discover the simple steps needed to root out behavior that leaves you resentful and demoralized and to begin practicing positive habits that facilitate mutual respect and cultivate admiration. Even if you feel lonely and abandoned in your marriage, Dr. Popcak offers sensible ways you can work alone at resolving conflict, repairing damage, building rapport, and maintaining intimacy. Because of the graces given to husbands and wives, you have tremendous untapped power to be a catalyst for change, even if your spouse isn't participating. By following the wise advice in this book, you'll take the guesswork out of building a stable, healthy marriage. You'll also learn eight marriage-friendly habits that couples in healthy relationships exhibit. How to identify those areas of your marriage that require the most attention. What to do when you feel your spouse is out to get you. Simple ways to integrate prayer into the life of your marriage. How to make God part of healing your marriage. How your mind handles feelings and emotions and what you can do about it. Tips for keeping your conversations focused on solutions instead of emotions. How to see each of your spouse's faults as opportunities for you to grow in holiness. Endorsements: Dr. Greg offers practical wisdom rooted in a profound understanding of human nature and divine grace. Read it yourself and share it with couples who need it. Christopher West, Author, *Fill These Hearts: God, Sex, the Universal Longing*. I heartily recommend this book to all who hope that marriage can last forever. Dr. Popcak provides practical advice distilled from decades of counseling experience to help couples deepen their love for each other. But this book is more than a list of practical tips; it is permeated with faith in Christ and the realization that His cross is the pathway to our redemption and happiness on earth. Rev. Francis J. Hoffman, JCD, Ex-Director of Relevant Radio, Author of *Marriage Insurance: 12 Rules to Live By*.

Broken Gods Dr. Greg K. Popcak, Ph.D., 2015-06-02 You are gods. Blasphemy? No, those mysterious words spoken by Jesus in the Gospel of John and alluded to in Psalm 82 point to a holy longing deep in our hearts that tells each of us that we were created for more. Imagine that you were to wake up tomorrow to discover that by some miracle you had become a god overnight, writes Dr. Gregory Popcak. Not THE God, omnipresent, all-knowing, all-powerful, but a god in the classic sense. That is to say, you woke to find that you were perfect, immortal, utterly confident in who you are, where you were going in life, and how you were going to get there. It might seem ridiculous to consider at first, but allow yourself to imagine this truly miraculous transformation. What would it be like to live

without fear How would it feel to be completely at peace with yourself and the people in your life Imagine what it would be like to be able to resolve once and for all the tension that currently exists between all your competing feelings impulses desires and demands What would change in your life as a result of your having become that sort of divinely actualized person Bold questions are in need of bold answers And in Broken Gods a work that is both practical and inspirational Dr Greg explores what our deepest desires and even our darkest desires tell us about our ultimate destiny and reveals a commonsense approach to fulfilling our true purpose in life
