**Nature, God and Pulpit** Elizabeth Achtemeier, 1992-11-06 This is a print on demand book and is therefore non returnable A book whose time has come Nature God and Pulpit draws

together and interprets for the church and especially for preachers the biblical materials on the relationship between God and his creation. The book is particularly timely because as Elizabeth Achtemeier points out few subjects have been more neglected and less explicated by this country's pulpits than the relation between nature and God. Clearly articulating what the Bible says about the material world and God's relation to it, this book is all of the following: A thoughtful biblical response to recent discussions of ecology; A discerning corrective to many current theologies and ideologies; An appreciative summary of the findings and notions of modern science; A mother lode of materials and sample sermons on the relation of God to his creation; A passionate call for preachers to more thoroughly examine and articulate scriptural content; An eloquent and inspiring celebration of God in relation to his world. While written primarily for preachers, *Nature, God, and Pulpit* will provide provocative reading for many others as well: seminarians, homiletics students, teachers, and anybody who wishes to better understand the Christian view of the bond between Creator and creation.

**Modeling the Heavenly Father to Earthly Children** Kevin Anthony Keating, 2021-01-18 Jesus said I praise you Father Lord of heaven and earth Lk 10:21 NIV Jesus called God his Father and he taught his followers to think of God as their Father too saying This then is how you should pray Our Father in heaven Mt 6:9 NIV The Scripture describes our Father God as loving and compassionate just yet gracious merciful and forgiving But what if hearing the words Father in heaven evokes in our children's minds negative images from adverse experiences they have had with their own fathers on earth As explained in MODELING THE HEAVENLY FATHER TO EARTHLY CHILDREN we Christian dads as well as grandfathers and other influential male adults have the responsibility and privilege to raise our boys and girls sons and daughters of all ages in such a way as to give them an accurate and positive understanding of who God really is We do this by emulating and modeling divine attributes like justice and abhorrence of evil but also kindness wisdom communication compassion and most certainly love This will take dedication and perseverance nonetheless we must rise to this challenge for our kids will be watching us and learning about what heavenly Father really means
