God Land Reflections On Religion And Nationalism:

God Land Conor Cruise O'Brien, 1988 Walls They're anything that keeps you from living the life God intended for you They cut you off from family freedom and friends And when you're faced with a wall whether it goes up after a life circumstance like losing your job or divorcing or whether there just seems to be an emotional spiritual barrier that keeps you from fully connecting to God what do you do Well Pastor Ryan Rush believes you have two options A breakdown or a breakthrough Through practical insights and inspiring stories about people who broke through a wall in their spiritual life Ryan guides you through understanding facing up to and breaking through the walls that are holding you back He shows you how these walls go up in the first place how to prevent them and how to overcome them by embracing God's promises for your life With those walls out of your way you'll run at top speed to get to God and experience a freedom based faith like never before

Orthodox Christianity and Contemporary Europe Jonathan Sutton, William Peter van den Bercken, 2003 This volume contains selected papers presented at a conference on Orthodox Christianity and its contemporary European setting The conference was held in England at the University of Leeds in June 2001 and drew together historians theologians philosophers specialists in theological education and political scientists Countries with an Orthodox Christian history were well represented as well as Orthodoxy in the diaspora and other Christian confessions by representatives from Western Europe and the United States and Canada The coherence of Orthodox Christianity and contemporary threats to its coherence formed one main strand for reflection but discussion also broadened out to consider the nature of religious tradition as such Part I of the collection brings together papers on such matters as identity nationalism globalization human rights discourse ecumenical dialogue and competing interpretations of what it means to be European Part II focuses on Orthodox Christianity in Russia and Part III on the traditionally Orthodox countries of Armenia Bulgaria Greece Romania Serbia and Ukraine The present collection is meant as a contribution to further reflection on Orthodox identity and relationship between Christianity and culture in Europe at the beginning of the twenty first century

John Foxe and His World Christopher Highley, John N. King, 2017-07-05 Interest in John Foxe and his hugely influential text Acts and Monuments is particularly vibrant at present This volume the third to arise from a series of international colloquia on Foxe collects essays by established and up and coming scholars It broadly embraces five major areas of early modern studies Roman Catholicism women and gender visual culture the history of the book and historiography Patrick Collinson provides an entire overview of the field of Foxe studies and further essays place Foxe and his work within the context of their times

Dangerous Religious Ideas Rachel S. Mikva, 2020-11-03 Reveals how faith traditions have always passed down tools for self examination and debate because all religious ideas not just extremist ones can cause harm even as they also embody important moral teachings Scripture's abiding relevance can inspire great goodness such as welcoming the stranger and extending compassion for the poor But its authority has also been wielded to defend slavery marginalize LGBTQ individuals ignore science and justify violence

Grounded in close readings of scripture and tradition in Christianity Islam and Judaism religious scholar Rachel Mikva shows us that the Abrahamic religions have always been aware of their tremendous power both to harm and to heal And so they have transmitted their sacred stories along with built in tools interpretive traditions to do the necessary work of taking on dangerous religious ideas and fostering self critical faith By exploring the themes of Scripture Election Reward and Punishment Mikva examines how the interpretive methodologies of these religions have identified and grappled with their perilous power and positive potential Many readers presume that their understanding of scripture s meaning is absolute forgetting how these sacred texts and the history of interpretation have valued multiple perspectives and recognized ongoing rhythms of change It s not a modern phenomenon to debate the nature of truth hold space open for doubt value humility and question our capacity to know things especially about God and God s will with certainty In fact none of the traditions could remain vital or thrive together without a sustained practice of self critique Dangerous Religious Ideas reframes the way we talk about faith to create a space where public discussion of religion is more constructive nuanced and socially engaged

Our Nations and Nationalisms Owen Dudley Edwards,2022-06-30 Nationalism is an increasingly unpopular word Few would apply the label of nationalist to themselves and fewer still to any part of our history before the 1700s But then where does it come from And what does it mean for us today With one eye on the present as he unpicks the past Owen Dudley Edwards finds nationalism to be older than recorded history and broader than modern geography Our Nations and Nationalisms traces the phenomena back as far as the Old Testament and the works of Homer and Virgil through the attempts of Shakespeare and James VI it is incumbent upon each of us to find ways to use this fact in the interests of humanity and not a single nation

Just Peace Semegnish Asfaw,Alexios Chehadeh,Marian Gh. Simion,2012-01-01 Despite their largely pacifist origins Christianity and Christian traditions can claim only limited success in their efforts to conciliate conflict avoid violence and stop war Perhaps it is time say the eminent contributors to this deeply reflective volume to look at Eastern and Oriental traditions to the very different perspectives of Orthodox Christian on issues of war peace and the justice that must undergird peace Writing from Europe and Russia as well as the Middle East and Asia two dozen Orthodox theologians and church people cast the classic dilemmas of war and peace military service just war and religious nationalism into a deeper theological framework Contents include historical characterizations of Orthodox in a variety of settings and nations Greece Oriental Christianity Bulgaria Armenia Western Europe etc dilemmas of nationalism for the churches the invasion of Iraq globalization fundamentalisms interreligious tensions the ecclesial vocation of peacemaking PART ONE Orthodox Peace Ethics in Eastern and Oriental Christianity PART TWO Orthodox Contribution to a Theology of Just Peace Developing the Principles of Just Peace Semegnish Asfaw is Research Associate in the World Council of Churches program The Decade to Overcome Violence Alexios Chehadeh is Exarchos of the Antiochian Church and the Institute for Theology and Peace Hamburg Germany Marian Gh Simion is Associate Director of the Boston Theological Institute and founder of the

Institute for Peace Studies in Eastern Christianity Boston *The Politics of Northern Ireland* Arthur Aughey, 2005-01-27 In this book one of the leading authorities on contemporary Northern Ireland politics provides an original sophisticated and innovative examination of the post Belfast agreement political landscape Written in a fluid witty and accessible style this book explores how the Belfast Agreement has changed the politics of Northern Ireland whether the peace process is still valid the problems caused by the language of politics in Northern Ireland the conditions necessary to secure political stability the inability of unionists and republicans to share the same political discourse the insights that political theory can offer to Northern Irish politics the future of key political parties and institutions **The Fascist Faith of the Legion "Archangel Michael" in Romania, 1927-1941** Constantin Iordachi, 2022-12-30 The Fascist Faith of the Legion Archangel Michael in Romania 1927 1941 engages critically with recent works on fascism totalitarianism and religion and advances an original theoretical and methodological approach to fascism as a political faith On this basis the book constructs an innovative comparative research framework for reconceptualizing the history of the Legion Archangel Michael in Romania 1927 1941 It contends that the Legion put forward a palingenetic political faith of a theological type called Legionarism To provide a comprehensive analysis of the origins main features mechanisms of institutionalization and demise of this self proclaimed salvific political faith the book documents the palingenetic foundations of the Legionary faith the syncretism between fascist and Christian rites and rituals and the intricate relationship between the Legion and the Orthodox Church and its dogma The book documents three main sacrificial strategies employed by the Legion to re evangelize the people in the new faith 1 the appropriation of the cult of the fallen soldiers 2 terrorist missions meant to create fascist heroes through violent sacrifice and 3 sanctification through heroic fight for Christianity in the Spanish Civil War in an attempt to link Legionarism with the transnational crusade against Judeo Bolshevism As well as providing a detailed historical and interpretive account of the Legion the book makes a significant contribution to debates about defining fascism and its relation to religion It also provides novel comparative perspectives for studying other attempts at constructing fascist faiths in interwar Europe most notably in Fascist Italy and Nazi Germany but also in Central and Eastern Europe This book will be of interest to students and scholars of fascism Romanian studies politics and religion political theory totalitarianism youth radicalization violence and the emergence of terrorism **Companion Encyclopedia of Anthropology** Tim Ingold, 2002-09-11 Provides a comprehensive survey of contemporary thinking in biological social and cultural anthropology and establishes the interconnections between these three fields Useful cross references within the text with full biographical references and suggestions for further reading Carefully illustrated with line drawings and photographs The Companion Encyclopedia of Anthropology is a welcome addition to the reference literature Bringing together authoritative incisive and scrupulously edited contributions from some three dozen authors The book achieves an impressive breadth of coverage of specialist areas Times Higher Educational Supplement Recommended for all anthropology collections especially those in academic libraries Library Journal This is a

marvellous book and I am very happy to recommend it Reference Reviews **Companion Encyclopaedia of**

Anthropology Tim Ingold, 2021-12-24 This comprehensive survey of contemporary thought in biological social and cultural anthropology sets the foundation for their future development and integration The principal rationale behind the Encyclopedia is to overcome the division and fragmentation within the approaches of the humanities and natural sciences to anthropology It emphasizes interconnections between perspectives and sub disciplines producing a complete perspective on what it means to be human The work consists of three parts Humanity Culture and Social Life and 40 major contributions Part One emphasizes human beings as members of a species how that species differs from others how it has evolved and how human populations have adapted to and in turn transformed their environments Part Two deals with the origin and structure of human culture and on the role of culture in action perception and cognition Part Three examines the various aspects of the relationships and processes that are carried on by persons and groups in the course of social life Useful features such as cross references within the text full biographical references suggestions for further reading and carefully illustrated line drawings make this an indispensable resource for all students of anthropology or sociology **Ninian Smart on World Religions**

John J. Shepherd, 2017-11-30 Ninian Smart came to public prominence as the founding Professor of the first British university Department of Religious Studies in the late 1960s His pioneering views on education in religion proved hugely influential at all levels from primary schools to academic teaching and research An unending string of publications many of them accessible to the general public sustained a reputation that became worldwide Here for the first time a selection of Ninian Smart's wide ranging writings is organised systematically under a set of categories which both comprehend and also illuminate his varied output over a career spanning half a century The editor John Shepherd was Principal Lecturer in Religion and Philosophy at the University of Cumbria He first met Smart as a postgraduate student and recently helped establish the Ninian Smart Archive at the University of Lancaster *The Mythology of American Politics*

John T. Bookman, 2008-07 Demystifies some of the most pervasive myths about American politics

Understanding Fundamentalism Richard T. Antoun, 2008-02-21 The second edition of Understanding Fundamentalism provides a compelling and up to date picture of religious reactions against the modern secular world Comparing Christian Islamic and Jewish fundamentalist movements anthropologist Richard Antoun shows how all three share common characteristics In each tradition fundamentalists seek purity in an impure world attempt to make the ancient past relevant to their contemporary situation look to move religion out of the worship center and into every aspect of life and actively struggle against the aspects of the modern world they regard as evil The new edition addresses fundamentalism in the post 9 11 world transnational religion and the impact of religious migration on Afghanistan and Western Europe A glossary and Antoun's readable style make the concepts readily accessible for beginning students For classes in religious studies anthropology or sociology of religion Understanding Fundamentalism brings a balanced introduction to these often misunderstood religious activists

Balkan holocausts? David Bruce MacDonald, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Comparing and contrasting propaganda in Serbia and Croatia from 1986 to 1999 this book analyses each group s contemporary interpretations of history and current events It offers a detailed discussion of Holocaust imagery and the history of victim centred writing in nationalist theory including the links between the comparative genocide debate the so called Holocaust industry and Serbian and Croatian nationalism There is a detailed analysis of Serbian and Croatian propaganda over the Internet detailing how and why the Internet war was as important as the ground wars in Kosovo Croatia and Bosnia Hercegovina and a theme by theme analysis of Serbian and Croatian propaganda using contemporary media sources novels academic works and journals

Territorial Shock Gertjan Dijckink , 2019 We are in the embrace of territorial shock today Globalization with its migrants foot loose firms cyber war and surging income inequality induces political instability and longing for a saviour This book puts such events in a historical perspective New social trends collide with territorial principles closure identity governance that always have been taken for granted Should we invest the new monarchs with the same authority as the pope 16th century or accept other classes as co citizens 19th century The answers implied a moral shift and so do our problems with globalization

North Over South Susan-Mary Grant, 2000 This text argues that the Civil War truly formed the American nation and that the antebellum period was the crucial phase of American national construction Grant focuses on a Northern nationalism based on an opposition to things Southern and links national construction with European nationalism

This England Patrick Collinson, 2013-07-19 Patrick Collinson was one of Britain s foremost early modern historians This volume collects together a number of his most interesting and least easily accessible essays with a thoughtful introduction written specifically for this book This England is a celebration of Englishness in the sixteenth century It explores the growing conviction of Englishness through the rapidly developing English language the reinforcement of cultural nationalism as a result of the Protestant Reformation the national and international situation of England at a time of acute national catastrophe and of Queen Elizabeth I the last of her line remaining unmarried refusing to even discuss the succession to her throne Introducing students of the period to an aspect of history largely neglected in the current vogue for histories of the Tudors Collinson investigates the rising role of English of England s God centredness before focusing on the role of Elizabethans as citizens rather than mere subjects It responds to a demand for a history which

is no less social than political and investigates what it meant to be a citizen of early modern England living through the 1570s and 1580s
