God Made Me Special Laura Cordova, 1989-06 Hopeful Messages from The Bible Richard Holland, 2019-07-16 After forgiveness what mankind needs most is encouragement and there is no place where hope can be found like the Old and New Testaments of the Bible In Hopeful Messages from the Bible Rich Holland shares the encouraging message of God's love redemption and provision offered to everyone who knows loss sin and disappointment Growing up with little church background the author discovered the meaningful context behind suffering and the encouragement found in the Bible **He Heard My Cry and He Came Down** Betty Kruckeberg, 2018-03-26 God spared my family of eight members many times There were two tornadoes a flood a power takeoff shaft two cases of internal bleeding two fires a rare disease terminal cancer car accidents and many things that drove me to my knees God allowed all these trials to bring brokenness that I might become a Christian I wanted change that I might walk in God's ways God really spoke through his Word He allowed many trials to change me God took me through so much scripture There is great power in his Word He will show you through his Word what he wants to change He wants obedience He has taken me through many trials until I went around Jericho without a word You can't grumble or complain If you complain you're telling God he can't do it I love to tell the story of what God does for me I love to walk with him He wants us to be an encourager to people and to show forth his love Share the Word with them There are hurting people everywhere **Dying to Tell You** Michael Hunter, 2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8:34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2:2 and elsewhere even claimed to have been crucified with Christ Galatians 2:20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God's eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him

L. Knepper,2014-05-31 *Question Everything* was written for everyone who has ever heard something in their religious teaching that did not seem quite right ever had some questions about the Biblical basis for their church s traditions and are wondering if there might be straight forward answers to what may have been bothering them for many years It is a great step of courage and risk to challenge the traditions foundations and strongholds of one s faith particularly when that faith has been handed down from generation to generation but it is risk with the significant reward of peace and confidence that can only be obtained through God s Word The reader should be brave when comparing what they always thought with what the Bible has to say As every individual faces eternity they will not be accompanied by their ancestors their Ministers or Priests nor their best friends or loved ones their eternal destiny will be based on how they responded to God s Holy Word **Tragic Consequences** Oliver L North,David Goetsch,2022-05-18 *Tragic Consequences* was written for Americans who are concerned about the cultural decline they see all around them people who watch the nightly news and ask themselves What is happening to our country It seems we have become a nation of people who are offended by everything but sin What is happening to our country is simple to explain but sad observe We are seeing what a culture of sin can do to a country It is a culture of darkness and depravity a culture lacking in moral restraint and a culture where life has little value When a nation rejects God and accepts sin the lurid stories carried on nightly news programs are the inevitable result Within the problem is the solution Biblical morality reestablished in America by an uprising of God s people standing for righteousness will bring God s forgiveness and our healing **God the Creator** Ben C. Ollenburger,2023-04-18 Christians today are focused on two important creation topics how the world came to be and how we should care for it A highly respected Old Testament theologian recommends that before discussing these questions we focus on God the Creator and God s ongoing work in creation We should explore what the Bible tells us and let the text set the agenda for our reflections Combining his storytelling gift with rigorous biblical exegesis and deep reflection Ben Ollenburger describes the action of God the Creator as presented throughout the Old Testament He shows how creation is about more than origins It is about God acting against the hostile forces of chaos that can be historical political and military About how God created a well ordered world and how human transgression ruptures God s relationship with humans and threatens creation About how God responds as Creator to those threats by disturbing and reordering the disorder bringing
