**Feeling Pleasures** Joe Moshenska,2014-10-30 The sense of touch had a deeply uncertain status in the sixteenth and seventeenth centuries It had long been seen as the most certain and reliable of the senses and also as biologically necessary each of the other senses could be relinquished but to lose touch was to lose life itself Alternatively touch was seen as dangerously bodily and too fully involved in sensual and sexual pleasures to be of true worth *Feeling Pleasures* argues that this tension came to the fore during the English Renaissance and allowed some of the central debates of this period surrounding the nature of human experience of the material world and of the relationship between the human and the divine to proceed through discussions of touch It also argues that the unstable status of touch was of particular import to the poetry of this period By bringing touch to the fore in a period usually associated with the dominance of vision and optics Joe Moshenska offers reconsiderations of major English poets especially Edmund Spenser and John Milton while exploring a range of spheres in which touch assumed new significance These include theological debates surrounding relics and the Eucharist in the work of Erasmus Thomas Cranmer and Lancelot Andrewes the philosophical history of tickling the touching of paintings and sculptures in a European context faith healing and experimental science and the early reception of Chinese medicine in England

of our five natural senses opens the door to a study of unique proportions Think of it Not only these two senses but all five our physical senses in the Bible have spiritual depth and understanding They cry out to us to explore them and learn their meaning An Un Common Sense is just such a study This book will probe the depths of our five physical senses Tasting Seeing Hearing Smelling Touching And then seek to understand how these God giving physical dynamics translate into our spiritual lives Added to these five will also be a much needed look at what could be called our sixth sense the Spirit sense In many respects it is the most remarkable one of all It is what makes the other five work in the spiritual realm Join author pastor and educator Joe LoMusio on a journey engaging what David challenges us to do Taste and See have Ears to hear share the Aroma of Christ and Touch the hem of His garment *Threshold: Aperture to the Light of the World* , *Road Trip: Jesus, Jeremy and Me* Rhonda J. Goff,2017-06-22 This book is about the road of grief I traveled when my only son died The death of my son struck me down in a place where I had never been before and it left a deep gut wrenching wound that had to have time to heal My son left to go to his eternal home and I was left to bear my sorrow However God in his abundant mercy came to me He gave miracles to me that blew me away On days that I knew I could not go on he carried me spoke to me rocked me sent help to me and visited me Oh yes he did The road was not one I wanted to be on but it was the one I was on The road was rocky yet the road was strewn with compassion love and joy I did not travel it alone God the Father Jesus the Son and the Great Holy Spirit were right there on that road with me They never left me They gave me grace strength and courage to keep going Satan was my enemy on this road He hurled stones at me tripped me tormented me and tried many ways to instill fear in me He wanted me to travel a road of defeat God would not allow him to win over me God was my refuge my rock my Father and my victory This book is as much about living as it is about dying You do not have to be in grief to read this book Open the book and take a look **Our Fight4Terri** Cheryl Ford,J.
