## **God S Assassins God S Assassins:**

**God's Assassins** M. Patricia Marchak, William Marchak, 1999 Between 1976 and 1983 an estimated 30 000 Argentines disappeared under the military junta Most were imprisoned and tortured before being murdered by the military In the two years preceding 1976 another 2 000 were assassinated by paramilitary death squads loosely organized by the Argentine government of Isabel Per n

**God's Assassin** Steve Wollett, 2020-12-29 How do you serve a god of love when in fact you are a killer of men How can you call yourself just when you are a righteous hammer that knows no fear or remorse Does such a man deserve the love of a caring and benevolent god God s Assassin is a Lovecraftian tale that follows a killer who serves a higher purpose A man who is not without flaws who may even be a villain himself With his faith to guide him Father Dominic Rujero must navigate a Machiavellian plot that could spell the end of humanity His travels will take him around the world as he seeks answers Allies will come and go but one thing remains true Rujero is not just fighting for the sake of the world but also for his own humanity In a world of demons and technology is there a place for the righteous to call home The winner of this war will not only inherit the Earth but all of its inhabitants as well Inspired by the writings of H P Lovecraft Mike Pondsmith and Ian Fleming God s Assassin is a blend of supernatural thriller international spy story and high intensity cyberpunk adventure Set in a very near future one might wonder if such a secret war is being fought right now When cosmic horrors are real are there really any rules that matter Do the actions of one man make any difference at all And if that man is flawed does the taint of those flaws also taint the good that he does for the world The author was surprised by his conclusions and wonders what yours will be

**Assassins of God** U. B. Gunasinghe, 2008-10-13 Dr Ronald Lambert was a scientist specializing in stem cell research who was framed for murdering a young subject involved in one of his experiments Unbeknownst to him this was just the first step in a global conspiracy A conspiracy headed by a secret right wing conservative group who were bent on disproving the science behind stem cells for their own religious ends On the run from authorities he journeys to Israel and becomes involved in an archaeological excursion that ends in a mausoleum located in India and the possible final resting place in India for the Savior of Man He will need to be able to use only his trained scientific mind to survive being pursued by corrupt US secret agents long enough to expose the real murderers

**God's Assassins** Gavin Baddeley, Paul Woods, 2009 Terrorism the imposition of or opposition to government with the threat or fear of force is mostly regarded as a modern horror implemented by bombs hijackings and assassinations But the origins of terrorism occur far back in the Middle Ages when the forefathers of the modern world s most uncompromising terrorists al Qaeda and the Palestinian suicide bombers laid down their murderous creed In the 11th Century Europe was a region of feudal kingdoms at war while the Middle East was much more pluralistic placing less theological restrictions on the lives of individuals or the pursuit of knowledge It was against this liberal environment that Pope Urban II launched his own version of a jihad a holy war against the decadent unholy Islamic world The reaction in the Islamic world was one of increasing fury

and we continue to reap its consequences centuries later Islam would become increasingly militant as Muslim sects that preached intolerance and force gained ground One such heretical sect was the Nizaris a mystical order of warriors founded by a Persian named Hassan Bin Sabah later known in the West as the Assassins Hassan inspired fanatical loyalty in his followers and Assassin cultists were unafraid of capture and death According to tales brought back to Europe by Marco Polo in 1295 the Old Man of the Mountains fed his followers with hashish before taking them to a secluded garden where they were indulged with forbidden pleasures principally the sexual favours of young women On returning to normal consciousness the Assassin was told he had experienced the heavenly garden of Paradise and would spend all eternity there provided he lived in the service of the cult Assassin cultists would therefore infiltrate enemy courts and army camps reputedly remaining incognito for years ready to commit murder upon their master's signal It was the birth of strategic terrorism In modern times the legend of the Assassins carries a more symbolic significance Some intellectuals have drawn a parallel between Hassan Bin Sabah's maxim Nothing is true everything is permissible describing the dream trance of the hashish eater and the 1950s concept of brainwashing the belief in turning soldiers into sleeping assassins Most chilling however is the Islamic fundamentalist belief in martyrdom through assassination High on nothing but piety the suicide bombers the followers of Osama Bin Laden and the September 11th terrorists were promised that which their puritan creed denies them on earth the sexual favours of the 72 houris virgins of heaven as a reward for he who kills in the name of Allah This illuminating study analyses the origins and history of terrorism separating legend from truth to uncover the true roots of the fanatical terrorist acts the world has witnessed in the last decade This will be essential reading for all historians and for anyone who up until now may have thought that outrageous acts of terrorism causing untold civilian casualties was a curse of the modern age

The Claims of God to Recognition in the Assassination of President Lincoln J. D. Farquhar, 1865     *Bonhoeffer the Assassin?* Mark Thiessen Nation, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas

MengDeXiangJia,2020-07-01 Chen Ren who possessed the blood of the three races had coincidentally obtained the teachings of the Blacksmith Saint and chose the path of a Magician that no one had ever succeeded in cultivating The path of cultivation was filled with obstacles and thorns and one mistake would result in death It was true that taking the old route of cultivation would reduce the danger but how could one reach the peak of cultivation by following the old path I have the blood of the human race so I value friendship I have the blood of the elves so I love peace and never bully the weak but if you think I am easy to bully then I also have the blood of the demons I can attack you with my sword without a word He could be happy to avenge his benefactors slaughter his enemies and slaughter his way out of the mountains of corpses and the seas of blood     *God's Jury* Cullen Murphy,2012-01-17 From Torquemada to Guant namo and beyond Cullen Murphy finds the inquisitorial impulse alive and only too well in our world Jane Mayer author of Dark Money Established by the Catholic Church in 1231 the Inquisition continued in one form or another for almost seven hundred years Though associated with the persecution of heretics and Jews and with burning at the stake its targets were more numerous its techniques were more ambitious and its effect on history has been greater than many understand The Inquisition pioneered surveillance censorship and scientific interrogation As time went on its methods and mindset spread far beyond the Church to become tools of secular persecution Traveling from freshly opened Vatican archives to the detention camps of Guant namo to the filing cabinets of the Third Reich the author of Are We Rome masterfully traces the social legal and political evolution of the Inquisition and the inquisitorial process from its origins in late medieval Christian France to its eerily familiar secular cousin in the modern world San Francisco Chronicle God s Jury is a reminder and we need to be constantly reminded that the most dangerous people in the world are the righteous and when they wield real power look out Murphy wears his erudition lightly writes with quiet wit and has a delightful way of seeing the past in the present Mark Bowden author of Hue 1968 Beautifully written very smart and devilishly engaging The Boston Globe     *The Assassin's Throne* E. runs afoul of modern knights ancient Assassins and the self proclaimed King of Jerusalem hell bent on reclaiming his throne In the palace of the Byzantine Emperor stood a technological wonder fusing mystic symbols and ancient technologies the awe inspiring Throne of Solomon challenging the unworthy with automated figures made of gold In 1204 the Fourth Crusade pillaged Constantinople and cast the throne into darkness the stuff of legend until now When a wealthy roboticist hires the Bone Guard for her charity photo shoot it s the perfect chance for some R n R Stand around looking tough transfer an ancient manuscript retire to the client s mansion for a night of luxury what could possibly go wrong Then Grant s stand in gets shot their objective stolen and the archive catches fire So much for Nick s mantra of details not ops Instead of kicking back with champagne Grant and his wingman plunge straight into danger chasing a killer a thief and an old adversary they know as the Phantom Their client is lying their objective is missing and their reputation is on the line along with their lives as they hunt for clues in Turkish baths and ruined churches from Istanbul to the Dead Cities of Syria Modern wars spark ancient rivalries leaving Grant caught between the man who would be king and the mystery shrouding his throne The Templars are after Grant s head and the next target is the woman who ignited his heart The Bone Guard is on the job and the legend s about to get real Bone Guard where adventure and history ignite *Assassination of Lincoln* Thomas Mealey Harris,1892
