things that really annoy Vervain Lavine Like when people call her Vivian Vervain s an herb look it up Or

when people don't get her movie quotes Why doesn't anyone appreciate culture anymore But what really bothers her what gets her little witchy panties in a twist is when gods manipulate humans They re not even really gods just Atlanteans playing dress up Yeah that s right the gods are Atlanteans Basically a bunch of refugees who decided to take over It was a sweet deal for them at least back when we believed in them and all Not so much anymore Nowadays there ain t too many folks lining up at the altars to give their offerings and gods are suffering for it Without our sacrifices the gods don't have enough juice to keep living in the manner to which they ve grown accustomed So they came up with a plan It was so easy actually All they had to do was get us to fight amongst ourselves go to war When our kind die they suck up the energy like a temperature resistant fat man drinking a milkshake line up Not such a bad idea and it s worked for quite awhile Up until Vervain found out Now don't get the wrong idea Vervain's no Laura Croft She can't bench press 200 lbs or shoot laser beams out of her eyes either She does have magic on her side though and a few little tricks up her sleeve or up her gloves rather So she s not completely defenseless and shell do whatever she has to in order to end this threat of divine proportions Even if it means assassinating one god at a time Her greatest annoyance is yet to come though in the form of a gorgeous Viking God who swears he s on her side If she can keep her eyes off his leather pants long enough they might even stand half a chance This rest of this series is available on Amazon the second book Of Gods and Wolves is available as an ebook or paperback and more of the series is coming soon 7 so far so keep an eye out for them on Amazon Gold Fever - Book 1 Lawna Mackie, 2020-05-08 Could it be true The gold existed A treasure map alluded to such a find but for over a century it was rumored a fable one told by an old crazy man Samantha Sam Avery's great great uncle One huge problem existed Her brother Finn sent her the map and told her to run Sam knew her big brother was in trouble and she had to help him In Dawson City Yukon Hunter Gray outfitter and guide had been hired to do a job At the airport pick up a Sam Avery and take him to the old Charlie Avery cabin up the mighty river What Hunter Gray hadn t expected was for Sam to be a Samantha who wore fashion designer shoes had a sharp tongue and a goddess like appearance the vast wilderness of the Yukon was no place for somebody like her Sam had to learn quickly How hard could it be to ride a horse and live without running water and restaurants for a week It didn t matter her brother needed her and Sam had to convince the ruggedly handsome man and his wolf yes wolf that she was up to the adventure Spending night and day together Samantha knows the attraction between them is growing quickly Not only is Samantha determined to rescue her brother but she must now save her heart from a man who doesn t believe in love Speculative & Science Fiction Ernest N. Emenyonu, Chimalum Nwankwo, Louisa Uchum Egbunike, 2021 Over the past two decades there has been a resurgence in the writing of African and African diaspora speculative and science fiction writing Discussions around the rise of science fiction and fantasy have led to a push back by writers and scholars who have suggested that this is not a new phenomenon in African literature This collection focuses on the need to recalibrate ways of reading and categorising this grenre of African writing through critical examinations both of
