*God's Crucible* Mark Bullen,2012-12-21 Lord I am fondly earnestly longing into thy holy likeness to grow Thirsting for more and deeper communion yearning they love more fully to know Dead to the world would I be O Father Dead unto sin alive unto thee Crucify all the earthly within me Emptied of sin and self may I be I would be thine and serve thee forever Filled with thy Spirit lost in thy love Come to my heart Lord come with anointing Showers of grace send down from above Open the wells of grace and salvation Pour the rich streams deep into my heart Cleanse and refine my thought and affection Seal me and make me pure as thou art Elisha A Hoffman Do you sing this hymn Do you mean it This book will challenge you to match your life to your lip and do what it takes to reach the goal of this hymn God s Crucible is designed to accomplish these very aspirations in the life of every willing believer It is His program His only program and if we are not striving to follow His program then we are rejecting God s plan to save us *Missional Life in Practice and Theory* Christopher L. Flanders,Greg McKinzie,2024-01-19 Few missiologists have impacted mission theory and practice among Churches of Christ as significantly as has Dr Gailyn Van Rheenen yet his global missiological influence has extended far beyond the boundaries of his denominational heritage This Festschrift in honor of Gailyn Van Rheenen contains original missiological contributions from colleagues and former students Most chapters were presentations at the inaugural Gailyn Van Rheenen Sessions in Mission and World Christianity at the 2021 Christian Scholars Conference in Nashville Tennessee The volume is organized to parallel the phases of Van Rheenen s career Africa academic missiology and Mission Alive a North American church planting organization His legacy is one that wonderfully embodies critical theory and robust practice **A Passion for God** Lyle Dorsett,2008-09-01 I fear we shall never see another Tozer Men like him are not college bred but Spirit taught Leonard Ravenhill 20th century British evangelist Pastor A W Tozer author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy* was a complex intensely private deeply spiritual man and a gifted preacher whose impact for the kingdom of God is immeasurable In this thoughtful biography bestselling author Lyle Dorsett traces Tozer s life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI to his final pastorate in Toronto From his conversion as a teen to his death in 1963 Tozer remained true to one passion to know the Father and make Him known no matter what the cost The price he paid was loneliness censure from other more secular minded ministers of the times and even a degree of estrangement from his family Read the life story of a flawed but gifted saint whose works are still impacting the world today [Church Growth in African Diaspora Communities](#) Paul Araoluwa Ayokunle,2025-03-31 As the centre of Christianity shifts towards Africa African migrants have become a significant source of Christian witness in the West and African diaspora congregations in the UK are springing up and multiplying In this ethnographically informed study Dr Paul Araoluwa Ayokunle explores the factors impacting the growth of three such African

diaspora churches in Liverpool England His research identifies the challenges posed by hierarchical leadership styles and an unfamiliar and potentially hostile cultural context as well as the essential nature of ecclesiology one's theological understanding of the church and its calling in answering these challenges Ultimately he proposes a Yoruba based ecclesiology alongside an adaptive leadership model as a way forward for the African church to continue growing in its mission to be a light to the nations including to the once Christian West This book offers a powerful exploration of the richness of grassroots ecclesiology and the role of migration and contextualization in the spread of Christ's kingdom to all peoples and places

*God's Grand Design* William R. Arnold, 2021-06-30 God's Grand Design By William R Arnold Edited by Ms Aurora Payad Arnold God's Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man's journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God's will from man's will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his death and resurrection he granted free redemption to man's flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind's dumbness to defeat death And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth

**Acts** Willie James Jennings, 2017-05-05 In this new commentary for the Belief series award winning author and theologian

Willie James Jennings explores the relevance of the book of Acts for the struggles of today. While some see Acts as the story of the founding of the Christian church, Jennings argues that it is so much more, depicting revolution in the disrupting presence of the Spirit of God. According to Jennings, Acts is like Genesis, revealing a God who is moving over the land, putting into place a holy repetition that speaks of the willingness of God to invade our every day and our every moment. He reminds us that Acts took place in a time of Empire when the people were caught between diaspora Israel and the Empire of Rome. The spirit of God intervened, offering new life to both. Jennings shows that Acts teaches how people of faith can yield to the Spirit to overcome the divisions of our present world.
