Gods Prophetic Spirit Volume :

God's Prophetic Spirit - Volume 1 Jonathan Jenkins, 2014-01-22 The Holy Spirit is one of the greatest blessings in the life of a Christian The Spirit's presence is treasured almost universally by Christians as the sweetest gift given to them by their Savior But would it surprise you to know that God spoke more often about the Holy Spirit to His saints in Israel before the death burial and resurrection of Jesus than He does to Christians in the New Testament While most people study the Holy Spirit from a New Testament perspective the foundation of the Bible's doctrine of His work was laid in the Old Testament God's Prophetic Spirit examines every mention of the Spirit's work with humanity from Genesis to Revelation This work is written with the belief that the answers to our questions about the Holy Spirit are found not outside the Bible but within the inspired word of God This study moves verse by verse through the entire Bible and builds a coherent understandable doctrine about the Holy Spirit The message from the clear concise lessons in Genesis to the grand statements of the New Testament which proclaim the Spirit's power in the church is unwavering The Holy Spirit has one work with and in humanity Prophecy Volume 1 of this three volume set explores the Holy Spirit's work with humanity from Genesis to the close of the earthly ministry of Jesus

Aurelius Augustine, 2019-08-27 One of Augustine's most famous works this book tells of the fall of the Roman Empire and the rise of the holy and righteous City of God from the ashes While building a utopia much like The Republic does Augustine uses sound theology to build the foundations of the cities morals and lawful authority Many theologies especially within the Catholic tradition owe their beginnings to the teachings of Augustine and this work is one of the starts of the field Now in larger print **The Existence and Attributes of God Vol. 1** Stephen Charnock, 2023-12-01 The Existence and Attributes of God is a significant theological book written in the 17th century by Stephen Charnock a Puritan preacher and theologian This edition of The Existence and Attributes of God Vol 1 is both current and legible with an eye catching new cover and professionally typeset manuscript Some stories are gruesome and bizarre while others softly creep up on you and pull you in

This massive dissertation is divided into two parts with each volume delving into essential aspects of God's nature and qualities. In the first volume Charnock conducts a thorough analysis of God's existence. To establish the existence of an all-powerful everlasting and transcendent Creator, he digs into philosophical arguments, historical viewpoints, and scripture allusions. The thorough examination of Charnock addresses problems about the origin of the universe and the requirement of a divine person. Throughout the book, Charnock's language is distinguished by a great reverence for God and a commitment to logical religion investigation. He provides theological arguments in a systematic and logical manner that is understandable to both intellectuals and laypeople.

The Holy Spirit -- In Biblical Teaching, Through the Centuries, and Today

Anthony C. Thiselton, 2013-06 The book is divided into three parts. Part One provides a thematic analysis and exegetical commentary on all the relevant biblical and cognate literature, including Josephus, Philo, and the Mishnah. Part Two investigates the thinking of key Christian theologians on the Holy Spirit from the Apostolic Fathers to eighteenth-century authors such as John Wesley and Jonathan Edwards. Part Three examines more recent writings on the Spirit from the nineteenth century onwards, including major systematic theologians such as Schleiermacher, Barth, and Moltmann, as well as biblical scholars such as James D. G. Dunn, Gordon Fee, and Gerd Theissen. Thiselton concludes the entire study by identifying seven fundamental themes and calling for greater dialogue between mainstream scholarship and contemporary leaders of the Pentecostal and Renewal movements.

The Triune God and the Charismatic Movement

Jim Purves, 2007-01-01 All emotion and no theology. Or a fundamental challenge to reappraise and realign our Trinitarian theology in the light of Christian experience. This study of Charismatic renewal as it found expression within Scotland at the end of the twentieth century evaluates the use of Patristic, Reformed, and contemporary models of the Trinity in explaining the workings of the Holy Spirit.

God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six-volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done.

Feasting on the Word: Year B, Volume 1

David L. Bartlett, Barbara Brown Taylor, 2008-06-11 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today. When complete, the twelve volumes of the series will cover all the Sundays in the three-year lectionary cycle along with movable occasions such as Christmas Day, Epiphany, Holy Week, and All Saints Day. For each lectionary text, preachers will find four brief essays, one each on the theological, pastoral, exegetical, and homiletical challenges of the text. This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion. The editors and contributors to this series are world-class scholars, pastors, and writers representing a variety of denominations and traditions. And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary, each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its content.

The Prophetic Responsibility Matthew L. Stevenson III, 2019-10-01 God speaks every day. You have a

responsibility to listen The church is in a critical season There are unprecedented crises in every segment of the world and ungodly opinions and philosophies abound The war over truth is raging as the idea of maintaining solidarity with Jesus Christ is growing increasingly unpopular Since biblical days God has used the prophetic voice during times of crisis darkness and disaster to speak into the earth Knowing and partnering with the thoughts words plans and actions of God are not a path reserved for a select few Being prophetic should be a priority to all Christians Leaving the prophetic responsibility to those walking in the office of a prophet is not biblical God wants to unleash an unprecedented outpouring of His Spirit in the earth and bring in a record setting harvest of souls **The words I speak, they are Spirit and they are life Vol II... Most Reverend Dr. John Tillotson ... John Tillotson,1722 *Tenets of the Doctrine of the Spirit-filled Church vol. 1*
Francis Vlok,2020-09-01 I rejoice at Your word as one who finds great treasure Psalm 119 162 NKJV How unsearchable are his judgments and his ways past finding out Romans 11 33 These Scriptures declare the awesome greatness of God and to some born again believers they issue a challenge to search the scriptures Acts 17 11 to Study to show thyself approved unto God 2 Timothy 2 15 and to live and move and have our being in Him Acts 17 28 It is a God ordained desire and call for all people to find as much as they can about God and His perfect will for mankind With this divine emphasis on a born again believer s life the Holy Spirit issued the call and by His grace the next few volumes titled Tenets of the Doctrine of the Spirit filled Church are a continuation of the first book Doctrine of the Spirit filled Church Each tenet in these volumes is examined in greater detail and gives deeper insight into the spiritual meaning and its application The examination also compares the original Apostolic Church of the first century to the current Spirit filled church and in so doing references to the earliest writings from the ancient records help clarify the original church s structure as well as the doctrinal and theological understandings of that time and how that structure has progressed until this day The one overriding constant in all these examinations and explanations is the fact that they are biblically based If there is no Scripture to support the tenet s explanation then it is supposition assumption and speculation and thus unworthy of discussion The plumb line Amos 7 7 NKJV is always the Word The basis of every tenet is always the Holy Writ The implementation of every tenet is always according to the Bible The church is traveling at lightning speed towards the soon return of Jesus Christ The onslaught and evil outpouring of the diabolical immoral and total blasphemy against the Holy God has never been more vicious than it is today The blatant evil and acceptance of anti God living which is thrown into everyone s face today coupled with many nations corrupt laws legalizing people s actions that are contrary to God s holy instructions have brought and will continue to bring many to a disastrous end While believers do not get distraught by the world s actions God said in His word it would happen they must keep their eyes steadfastly fixed on Jesus the author and finisher of their faith Hebrews 12 2 To do this believers must be rooted and grounded Ephesians 3 17 in the holy divine oracle of God which is His divinely inspired breathed Word 2 Timothy 3 16 It is with this urgency in mind namely the decay and rottenness of society that have cast the Word aside and the hunger and thirst of many believers to grow in grace and in the knowledge of our Lord and Savior Jesus Christ 2 Peter 3 18 that the author was led to expound further on the original book Doctrine of the Spirit filled Church The church is in need of the truth that will help believers stay the course and become entrenched in the solid foundation as purposed by God in His Word enabling them to withstand the wiles of the devil More than ever must believers now return to the stronghold of the Word to keep themselves rooted and grounded steadfast and unmovable and dwell in the secret place of the Most High so that they can remain faithful to the end and be overcomers Revelation 2 7 11 17 26 3 5 12 21 New Witnesses for God:
