God's Hand on America Michael Medved, 2019-11-26 The national radio host and bestselling author of The American Miracle reveals the happy accidents bizarre coincidences and flat out miracles that continue to shape America's destiny A hopeful message for our troubled times Michael Medved has an eye for a story and a preternatural gift for telling it in beguiling ways Joseph J Ellis Pulitzer Prize and National Book Award winning author of Founding Brothers Has God withdrawn his special blessing from the United States Americans ponder that painful question in troubled times as we did during the devastation of the Civil War and after the assassinations of the 60s and as we do in our present polarization Yet somehow on battlefields across western wilderness and in raucous convention halls astounding events have reliably advanced America restoring faith in the Republic's providential protection In this provocative historical narrative Michael Medved brings to life ten haunting tales that reveal this purposeful pattern including A near fatal carriage accident forces Lincoln's secretary of state into a canvas and steel neck brace that protects him from a would be assassin's knife thrusts allowing him two years later to acquire Alaska for the United States A sudden tidal wave of Russian Jewish immigration beginning in 1881 coincides with America's rise to world leadership fulfilling a biblical promise that those blessing Abraham's children will themselves be blessed Campaigning for president Theodore Roosevelt takes a bullet in the chest but a folded speech in his jacket pocket slows its progress and saves his life At the Battle of Midway U.S. planes get lost over empty ocean and then miraculously reconnect for five minutes of dive bombing that wrecks Japan's fleet convincing even enemy commanders that higher powers intervened against them A behind the scenes conspiracy of the pure of heart by Democratic leaders forces a gravely ill FDR to replace his sitting vice president an unstable Stalinist with future White House great Harry Truman These and other little known

stories build on themes of The American Miracle Medved's bestseller about America's remarkable rise The confident heroes and stubborn misfits in these pages shared a common faith in a master plan which continues to unfold in our time God's Hand on America confirms that the founders were right about America's destiny to lead and enlighten the world

Memorializing Pearl Harbor Geoffrey M. White, 2016-03-31 Memorializing Pearl Harbor examines the challenge of representing history at the site of the attack that brought America into World War II Analyzing moments in which history is re-presented in commemorative events documentary films museum design and educational programming Geoffrey M White shows that the memorial to the Pearl Harbor bombing is not a fixed or singular institution Rather it has become a site in which many histories are performed validated and challenged In addition to valorizing military service and sacrifice the memorial has become a place where Japanese veterans have come to seek recognition and reconciliation where Japanese Americans have sought to correct narratives of racial mistrust and where Native Hawaiians have challenged their ongoing erasure from their own land Drawing on extended ethnographic fieldwork White maps these struggles onto larger controversies about public history museum practices and national memory

America's Military Adversaries John C. Fredriksen,2001-12-05 This work chronicles the lives and accomplishments of over 200 enemies who have fought plotted spied on and in some instances defeated U S forces over the past three centuries Books on American military heroes abound But this book is the first to focus on America s talented enemies the generals admirals Indian chiefs and warriors submarine captains fighter pilots and spies who opposed the United States with military force or other means Often these military leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history **American Book Publishing Record** ,2003 **Forthcoming Books** Rose Arny,1992 **The Journal of Asian Studies** ,1993 **Flamethrower** Bryan Mark Rigg,2020-03-20 Late in the Pacific War as Americans were fighting their way to the home islands of the Japanese Empire one of the fiercest battles of World War II was raging The Japanese had created perhaps the best defended area anywhere on an island called Iwo Jima Days into the bloody battle casualties were high on both sides United States Marines were taking an awful pounding out in the open from enemy fortified positions Imperial Japanese soldiers in pillboxes and bunkers knew that the greatest danger they faced was from a flamethrower if it could get near enough to hit them Imagine a little guy strapping on a highly flammable 70 pound weapon instantly drawing heavy enemy fire as he maneuvered close enough with a small team of Leathernecks to destroy a pillbox Woody Williams did just
