*God's Way of Reconciliation* David Martyn Lloyd-Jones,1972      **God's Way of Reconciliation** David Martyn Lloyd-Jones,1977      **Biblical Counsel** ,1993      God's Way of Reconciliation D. Martyn Lloyd-Jones,1998-03-15 These masterful expositions on the second chapter of the Book of Ephesians reach the heart of the human problem man s estrangement from God      Ephesians Trevor Grizzle,2020-01-29 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions This author offers a running exposition on the text and extended comments on matters of special significance for Pentecostals He acknowledges and interacts with alternative interpretations of individual passages and his commentary also provides periodic opportunities for reflection upon and personal response to the biblical text      **Epistle to the Ephesians** Rudolf Schnackenburg,2001-07-01 A classic ecumenical commentary on Ephesians In addition to detailed exegesis Schnackenburg pays special attention to the history of interpretation of Ephesians taking account of comparative material in the history of religion and at the end of each exegetical section shows how findings are relevant for today The theological focus is the concept of the church giving rise to ecumenical discussion about ministry and office in the church This commentary has proved invaluable for biblical scholars clergy and theological students      **Teaching the Faith, Forming the Faithful** Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries      **JO-KANG'ATO** Hezron Otieno Adingo,2024-03-27 Hezron Otieno Adingo earned his PhD in Systematic Theology from Africa International University in Kenya an MA in Biblical Studies Africa International University and a Bachelor of Theology from Bugema University in Uganda He has had the opportunity to serve as a Pastor in Kenya and the United Kingdom While serving as the Ministerial Director of the South England Conference of the Seventh day Adventists he was instrumental in guiding coordinating supervising directing and leading ministerial work within the 26 counties in the United Kingdom Dr Adingo continues with his ministry of mentoring Pastors and shepherding Besides his expertise in Systematic Theology especially Ecclesiology his other areas of research interest are Church History Biblical Studies Missions Inculturation and African Christian Theology      The Message of Ephesians John Stott,2021-01-12 Paul s letter to the Ephesians clearly sets forth God s eternal purpose to create the church God s new society In this revised BST volume John Stott expounds Paul s theme of uniting all things in Christ by uniting his church Guiding readers passage by passage through Ephesians he provides helpful background highlights key themes and offers applications for Christians today      *The Grace of Christ* Eric Roessing,2016-07-29 Martin Luther and other Reformers were instruments in Gods hand to recover the gospel

in the Holy Scriptures Nevertheless it is an irony that along with the gospel there was still law in the sense of law as rule of life in the teaching of the Reformers On the issue of the law even Luther was not as consistent as was Paul the apostle In The Grace of Christ the saving righteousness of God which justifies the ungodly in Christ and frees us from trusting in our righteousness is given its central place as it is in the gospel of God Rom 1 1ff At the same time the new creation in Christ is also given its rightful due Following the apostles teaching in terms of what Paul means by both justification and new creation in Christ The Grace of Christ like no other book shows that both of these realities exclude any idea of the law of Moses as the rule of life for those in Christ Paul is not an antinomian The new creation in Christ is our rule Gal 6 15 16 Roessing does not base his position on only this one text but rather shows how Paul consistently teaches this truth in many places and ways even though the flesh rejects it And Roessing is not alone in this view he is close to that of Gerhard O Forde and even closer to that of Wolfhart Pannenberg But this issue of the believers rule is just one of the aspects of grace covered in The Grace of Christ For those who want to learn something of the depth of the things freely given us by God The Grace of Christ the law in light of the Gospel sets forth those things so that the spiritually hungry will want to behold the grace of God in Christ as he is set forth in these pages and to return again for more The Beginning and End of All Things Edward W. Klink

III, 2023-05-30 Edward W Klink III presents a holistic understanding of creation one that is unfolded throughout all of Scripture and is at the core of the gospel itself Along with offering rich insights about God and his purposes for the world a biblical theology of creation guides how we engage nature culture and life as embodied beings **Heart of the Living God** Michael G. Maness, 2004-06-23 Maness asks us to tie up our sneakers for we are going to have some fun as we hike into the Grand Canyon of Love Love is the treasure of life It is Love all the way Nothing else really matters outside of Love Best of all our Love will only get better in heaven The treasured ability to have loving relationships is Gods gift to us in our Imago Dei the image of God we all share Likewise what we know of Love this side of heaven is but a dusty image of what God experiences I want to get personally involved says Maness Can we have a free will relationship with anyone even God if all of what we do and think is settled I dont think so Love is greater than that and I shall prove that and that is indeed a Grand Canyon Manes brings some of the brain splitting complexities of this to light with good humor introduces dynamic foreknowledge and challenges Classical Theisms avoidance of Love And he exposes some foul play in the process Thats the first half of the book For those wanting to strike out on their own wanting to see more of the depth and diversity of the Grand Canyon the second half contains reviews of about 60 major authors a 4 000 Abysmal Bibliography and a huge index to just about everything in the book Maness has thrown a gauntlet before the Classical Theists So tie up your sneakers and take a hike with Michael G Maness as he walks with you into the Grand Canyon see more at [www.PreciousHeart.net](http://www.PreciousHeart.net) **When God Converts a Sinner** Douglas Vickers, 2008-08-01 In an age of theological innovation and doctrinal discount the heritage of evangelical Reformed theology is in increasing danger of betrayal Old established understandings of the faith once delivered

to the saints are under attack disturbing the peace of the church tarnishing its witness and challenging its purity Against the pressures of newer fashions in thought Douglas Vickers here returns to the seventeenth century confessions of faith and illustrates from successive chapters common to three of those confessions the ways in which and the reasons why traditional beliefs and doctrinal constructions are to be preserved Among questions examined with biblically informed insight are the relation between eternity and time and its significance for the gospel of redemption the meaning and function of saving faith the accomplishment of redemption by the incarnate Christ the significance of his heavenly high priestly office the high doctrine of the Christian believer's union with Christ and the implications these doctrinal realities hold for the Christian life In a discussion of contemporary theologies When God Converts a Sinner examines such innovations as the New Perspective on Paul Federal Vision theology Shepherdism and other attempts to effect a paradigm shift in historically received theology

**A Modern Ninety-Five** Nancy A. Almodovar, 2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike

Why Does God Allow Evil? Clay Jones, 2017-08-01 If you are looking for one book to make sense of the problem of evil this book is for you Sean McDowell Grasping This Truth Will Change Your View of God Forever If God is good and all powerful why doesn't He put a stop to the evil in this world Christians and non Christians alike struggle with the concept of a loving God who allows widespread suffering in this life and never ending punishment in hell We wrestle with questions such as Why do bad things happen to good people Why should we have to pay for Adam's sin How can eternal judgment be fair But what if the real problem doesn't start with God but with us Clay Jones a professor of Christian apologetics at Biola University examines what Scripture truly says about the nature of evil and why God allows it Along the way he'll help you discover the contrasting abundance of God's grace the overwhelming joy of heaven and the extraordinary destiny of believers **The Heart of Hebrews** Leslie Powers, 2018-08-08 Making the presence of God known in the world goes to the very heart of the church's purpose Yet it is a formidable challenge How can the church make the presence and glory of God a reality in a world

that both denies God and hates the church By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God s glory and the exact representation of His being Hebrews 1:3 It is not the primary purpose of the church to specialize in economic social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ When the church quits proclaiming Christ to proclaim a message of love acceptance tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy He expects his church in every age to do likewise The greatest need in the church today is exactly what the early church needed in the first century In a church that is infected with a spiritual apathy has forsaken her first love has compromised truth and is lukewarm a new vision of the risen and glorified Christ dwelling in her midst is needed The only method God designed to lead the church to recover the awareness of Christ s presence is prayer and preaching that focuses on Jesus Christ Thus if the church is to flourish again there is no greater need than a recovery of faithful powerful biblical preaching whose subject is Christ and the new birth

**Honey from the Rock** Mac Goddard, 2013-12-16 Focusing on Gods love for his people Honey from the Rock is author Pastor Mac Goddards method to present the message of the good news of Jesus in a straightforward understandable way Goddard maintains that left to himself man will never believe the Gospel message it is simply too farfetched From the story of creation the manifestation of Adam and Eve the birth of Jesus Christ to a virgin Jesus work on Earth and his death and resurrection Goddard shares his perspective of the Gospel With study questions at the end of each chapter Honey from the Rock provides a unique insight and understanding of many facets of the Gospel from Gods treatment of our sins to the covenants of law and grace Goddard teaches that if we walk in Jesus ways trusting in him and in him alone he will not only feed us with the finest of wheat but on the other side of that extremely difficult place created by the old

covenant of law he will nourish us with the sweetest of honeyhoney from the rock      **Lloyd-Jones on the Christian Life**
