Butterfly Wings - The Fun, Factual and Inspiring Life Cycle of the Butterfly Lance Douglas, 2019-09-20 Few things in nature are more miraculous than the total transformation that takes place during the life cycle of a butterfly Not only is the transformation fantastic but the LIFE LESSONS that can be learned from this transformation are equally fantastic Unfortunately many of the most basic facts about the butterfly life cycle are misunderstood and inaccurately taught Follow the captivating and colorful butterfly life cycle from egg to caterpillar to chrysalis to adult butterfly But life is not always as simple as it may seem as two little caterpillars soon discover The two happy little caterpillars are enjoying a day of fun when they are confronted by butterflies from a neighboring tree who tease the little caterpillars for not having wings Inspired and encouraged by their mother the little caterpillars find hope and courage that one day they too will be as beautiful as their mother In addition to a wonderful and captivating story each beautifully illustrated page is loaded with amazing facts that will have you saying I never knew that For example Did you

know that the term cocoon when referring to a butterfly is not correct Do you know what the difference is between a cocoon and a chrysalis Did you know that the chrysalis of a butterfly often incorrectly referred to as a cocoon is not spun by the caterpillar It s true A butterfly does not come from a cocoon Furthermore a chrysalis is not spun by the caterpillar Do you know the four stages of the butterfly life cycle How does the transition between each of the four butterfly life cycle stages occur Why does a caterpillar eat only leaves and plants and yet when that same caterpillar becomes a butterfly it can sip only sweet nectar for sustenance How far will a caterpillar travel in its lifetime How long does a caterpillar remain a caterpillar What does a caterpillar do when it gets thirsty How long does an adult butterfly live These and many more amazing facts are taught alongside a wonderful and inspiring story Written by top selling Amazon s Choice author Lance Douglas this informative educational and uplifting book promises to be a favorite that you and your curious children will never forget Order your copy of BUTTERFLY WINGS today You will be so glad you did A world of learning awaits you *How Do*
