Going Clear Scientology Hollywood And The Prison Of Belief:

Going Clear Lawrence Wright, 2013-01-17 NATIONAL BESTSELLER NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST From the Pulitzer Prize winning author of *The Looming Tower* comes an utterly necessary story The Wall Street Journal that pulls back the curtain on the church of Scientology one of the most secretive organizations at work today The Basis for the HBO Documentary *Scientology* presents itself as a scientific approach to spiritual enlightenment but its practices have long been shrouded in mystery Now Lawrence Wright armed with his investigative talents years of archival research and more than two hundred personal interviews with current and former Scientologists uncovers the inner workings of the church We meet founder L Ron Hubbard the highly imaginative but mentally troubled science fiction writer and his tough driven successor David Miscavige We go inside their specialized cosmology and language We learn about the church's legal attacks on the IRS its vindictive treatment of critics and its phenomenal wealth We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion year contracts Through it all Wright asks what fundamentally comprises a religion and if Scientology in fact merits this Constitutionally protected label

Going Clear (Enhanced Edition) Lawrence Wright, 2013-01-17 National Book Award Finalist The enhanced eBook edition of Lawrence Wright's revelatory study of Scientology includes additional photographs and documents plus more than thirty minutes of original video taped interviews with former members of the church speaking about what drew them to Scientology and about discovering past lives the church's position on abortion and homosexuality and how the Guardian's Office functions and in interviews with the author Lawrence Wright speaks about his aims in writing this book his respect for his sources and methods of research A clear sighted revelation a deep penetration into the world of Scientology by Pulitzer Prize winning author of *The Looming Tower* the now classic study of al Qaeda's 9/11 attack Based on more than two hundred personal interviews with current and former Scientologists both famous and less well known and years of archival research Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology At the book's center two men whom Wright brings vividly to life showing how they have made Scientology what it is today The darkly brilliant science fiction writer L Ron Hubbard whose restless expansive mind invented a new religion And his successor David Miscavige tough and driven with the unenviable task of preserving the church after the death of Hubbard We learn about Scientology's complicated cosmology and special language We see the ways in which the church pursues celebrities such as Tom Cruise and John Travolta and how such stars are used to advance the church's goals And we meet the young idealists who have joined the Sea Org the church's clergy signing up with a billion year contract In *Going Clear* Wright examines what fundamentally makes a religion a religion and whether Scientology is in fact deserving of this constitutional protection Employing all his exceptional journalistic skills of observation understanding and shaping a story into a compelling narrative Lawrence Wright has given us an evenhanded yet keenly incisive book that

reveals the very essence of what makes Scientology the institution it is **Summary of Going Clear: Scientology, Hollywood and the Prison of Belief by Lawrence Wright** BestPrint,2021-07-06 Going Clear offers a rare glimpse into the secret history and beliefs of Scientology as well as the conflicted biography of its founder L Ron Hubbard It also details some of the Church s darker qualities a tooth and nail method of managing criticism and systematic approach to celebrity recruitment Going Clear by Lawrence Wright | Key Takeaways & Analysis Instaread,2015-04-15 Going Clear by Lawrence Wright Key Takeaways Analysis Preview Going Clear by Lawrence Wright is an in depth examination of the founding principles and scandals of Scientology using eyewitness interviews and original document research The Church of Scientology was founded with the publication of the book Dianetics in 1950 by science fiction author L Ron Hubbard His unique approach to mental health attracted a following and after he founded the Church of Scientology in 1954 to continue spreading the message of Dianetics he established a seafaring ministry and sought a permanent base for the church They established the church in Clearwater Florida in 1975 From there it became famous for the church s secretive beliefs Given the high level of skepticism from journalists and the US government Hubbard spent much of his time hiding or on the run with his earnings from the church until he died in 1986 The church became a substantial resource for networking in the world of celebrity PLEASE NOTE This is key takeaways and analysis of the book and NOT the original book Inside this Instaread Key Takeaways Analysis of Going Clear Overview of entire book Introduction to the Important People in the book Key Takeaways and Analysis of Key Takeaways *Scientology in Popular Culture* Stephen A. Kent,Susan Raine,2017-07-14 This multidisciplinary study of Scientology examines the organization and the controversies around it through the lens of popular culture referencing movies television print and the Internet an unusual perspective that will engage a wide range of readers and researchers For more than 60 years Scientology has claimed alternative religious status with a significant number of followers despite its portrayals in popular culture domains as being bizarre What are the reasons for the vital connections between Scientology and popular culture that help to maintain or challenge it as an influential belief system This book is the first academic treatment of Scientology that examines the movement in a popular culture context from the perspective of several Western countries It documents how the attention paid to Scientology by high profile celebrities and its mention in movies television and print as well as on the Internet results in millions of people being aware of the organization to the religious organization s benefit and detriment The book leads with a background on Scientology and a discussion of science fiction concepts pulps and movies The next section examines Scientology s ongoing relationship with the Hollywood elite including the group s use of celebrities in its drug rehabilitation program and explores movies and television shows that contain Scientology themes or comedic references Readers will learn about how the Internet and the mainstream media of the United States as well as of Australia Germany and the UK have regarded Scientology The final section investigates the music and art of Scientology **German Wartime Memory, American Exceptionalism, and**

Post-Cold War Blockbuster Cinema Robert Pirro,2025-08-29 This book excavates the diverse and mostly unnoticed political meanings made available to American and German audiences by the blockbuster films helmed by transplanted West German directors Roland Emmerich and Wolfgang Petersen Through formal film analysis broad consideration of American and German film criticism and reflection on relevant political developments of the post Cold War era the book reveals how traces of Germany s experience of dictatorship and wartime destruction find inadvertent cinematic expression in ways that helped American and German moviegoers find orientation in the changed political and cultural landscape of a newly globalized world To complement and deepen the analysis of the Hollywood output of Emmerich and Petersen the book juxtaposes the creative product of these transplanted directors to examples of a converse cinematic phenomenon considered under the label American Babelsberg which encompasses World War Two themed films shot by American directors in Germany utilizing the production facilities at Babelsberg Focus here is placed particularly on two high profile cinematic releases of the aughts *Valkyrie* 2008 and *Inglourious Basterds* 2009 The magnetic attraction to or nettlesome burden of World War Two memories on these directors of American Babelsberg and German Hollywood is explained in this book by the entwined histories of Germans and Americans the different challenges of national self definition and renewal they faced in the post Cold War world and their long standing and ongoing transatlantic discourse of political ideas and cultural ideals This book will be of great interest to students and scholars of film studies politics popular culture and contemporary history
