**Going Clear** Lawrence Wright, 2013-01-17 NATIONAL BESTSELLER NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST From the Pulitzer Prize winning author of *The Looming Tower* comes an utterly necessary story *The Wall Street Journal* that pulls back the curtain on the church of Scientology one of the most secretive organizations at work today *The Basis* for the HBO Documentary *Scientology* presents itself as a scientific approach to spiritual enlightenment but its practices have long been shrouded in mystery Now Lawrence Wright armed with his investigative talents years of archival research and more than two hundred personal interviews with current and former Scientologists uncovers the inner workings of the church We meet founder L Ron Hubbard the highly imaginative but mentally troubled science fiction writer and his tough driven successor David Miscavige We go inside their specialized cosmology and language We learn about the church's legal attacks on the IRS its vindictive treatment of critics and its phenomenal wealth We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion year contracts Through it all Wright asks what fundamentally comprises a religion and if Scientology in fact merits this Constitutionally protected label

**Going Clear (Enhanced Edition)** Lawrence Wright, 2013-01-17 National Book Award Finalist The enhanced eBook edition of Lawrence Wright's revelatory study of Scientology includes additional photographs and documents plus more than thirty minutes of original video taped interviews with former members of the church speaking about what drew them to Scientology and about discovering past lives the church's position on abortion and homosexuality and how the Guardian's Office functions and in interviews with the author Lawrence Wright speaks about his aims in writing this book his respect for his sources and methods of research A clear sighted revelation a deep penetration into the world of Scientology by Pulitzer Prize winning author of *The Looming Tower* the now classic study of al Qaeda's 9/11 attack Based on more than two hundred personal interviews with current and former Scientologists both famous and less well known and years of archival research Lawrence Wright uses his extraordinary investigative ability to uncover for us the inner workings of the Church of Scientology At the book's center two men whom Wright brings vividly to life showing how they have made Scientology what it is today The darkly brilliant science fiction writer L Ron Hubbard whose restless expansive mind invented a new religion And his successor David Miscavige tough and driven with the unenviable task of preserving the church after the death of Hubbard We learn about Scientology's complicated cosmology and special language We see the ways in which the church pursues celebrities such as Tom Cruise and John Travolta and how such stars are used to advance the church's goals And we meet the young idealists who have joined the Sea Org the church's clergy signing up with a billion year contract In *Going Clear* Wright examines what fundamentally makes a religion a religion and whether Scientology is in fact deserving of this constitutional protection Employing all his exceptional journalistic skills of observation understanding and shaping a story into a compelling narrative Lawrence Wright has given us an evenhanded yet keenly

incisive book that reveals the very essence of what makes Scientology the institution it is [Going Clear by Lawrence Wright | Key Takeaways & Analysis](#) Instaread,2015-04-15 [Going Clear by Lawrence Wright Key Takeaways Analysis Preview](#) Going Clear by Lawrence Wright is an in depth examination of the founding principles and scandals of Scientology using eyewitness interviews and original document research The Church of Scientology was founded with the publication of the book Dianetics in 1950 by science fiction author L Ron Hubbard His unique approach to mental health attracted a following and after he founded the Church of Scientology in 1954 to continue spreading the message of Dianetics he established a seafaring ministry and sought a permanent base for the church They established the church in Clearwater Florida in 1975 From there it became famous for the church s secretive beliefs Given the high level of skepticism from journalists and the US government Hubbard spent much of his time hiding or on the run with his earnings from the church until he died in 1986 The church became a substantial resource for networking in the world of celebrity PLEASE NOTE This is key takeaways and analysis of the book and NOT the original book Inside this Instaread Key Takeaways Analysis of Going Clear Overview of entire book Introduction to the Important People in the book Key Takeaways and Analysis of Key Takeaways **Religion Online** August E. Grant,Amanda F. C. Sturgill,Chiung Hwang Chen,Daniel A. Stout,2019-03-07 Religion Online provides new insights about religiosity in a contemporary context offering a comprehensive look at the intersection of digital media faith communities and practices of all sorts Recent research on Apple users video games virtual worlds artificial intelligence digital music and sports as religion supports the idea that media and religion once considered separate entities are in many cases the same thing New media and religious practice can no longer be detached this two volume set discusses how religionists are embracing the Internet amidst cultural shifts of secularization autonomous religious worship millennials affinity for new media and the rise of fundamentalism in the global south While other works describe case studies this book explains how new media are interwoven into the very fabric of religious belief behavior and community Chapters break down the past present and projected future of the use of digital media in relation to faith traditions of many varieties extending from mainline Christianity to new religious movements The book also examines the impacts of digital media on beliefs and practices around the world In exploring these subjects it calls on the study of culture namely anthropology to conceptualize a technological period as significant as the industrial revolution **UFOs, Chemtrails, and Aliens** Donald R. Prothero,Timothy D. Callahan,2017-08-02 A wide ranging survey offers entertainment as well as wisdom for everyone who s ever wondered what s behind so many conspiracy theories and paranormal phenomena Publishers Weekly UFOs Aliens Strange crop circles Giant figures scratched in the desert surface along the coast of Peru The amazing alignment of the pyramids Strange lines of clouds in the sky The paranormal is alive and well in the American cultural landscape In UFOs Chemtrails and Aliens Donald R Prothero and Tim Callahan explore why such demonstrably false beliefs thrive despite decades of education and scientific debunking Employing the ground rules of science and the standards of scientific evidence

Prothero and Callahan discuss a wide range of topics including the reliability of eyewitness testimony psychological research into why people want to believe in aliens and UFOs and the role conspiratorial thinking plays in UFO culture They examine a variety of UFO sightings and describe the standards of evidence used to determine whether UFOs are actual alien spacecraft Finally they consider our views of aliens and the strong cultural signals that provide the shapes and behaviors of these beings While their approach is firmly based in science Prothero and Callahan also share their personal experiences of Area 51 Roswell and other legendary sites creating a narrative that is sure to engross both skeptics and believers The Official World Mark Seltzer,2016-03-31 In his virtuosic new book noted cultural critic Mark Seltzer shows how suspense as art form and form of life depicts and shapes the social systems that organize our modern world Modernity's predicament Seltzer writes is a society so hungry for reality that it cannot stop describing itself and that makes for a world that continuously establishes itself by staging its own conditions Employing the social theories of Georg Simmel Erving Goffman Niklas Luhmann and Peter Sloterdijk Seltzer shows how suspense novels films and performance art by Patricia Highsmith Tom McCarthy Cormac McCarthy J G Ballard Karl Ove Knausgaard and others outline how we currently live and reveal the stress points and mood systems of the modern epoch In its focus on social games depictions of violent and explosive persons along with its cast of artists reporters detectives and others who observe and report and reenact the suspense mode creates and recreates modern systems of action and autonomy and defines the self turned world's practices and aesthetics By epitomizing a reflexive self legislating and autonomous world a suspense art with humans in the systems epoch provides the models and sets the rules for our modern official world **Copyrighting God** Andrew Ventimiglia,2019 By using copyright in sacred texts American religious organizations help to create manage and control emerging spiritual communities

**Secrecy** Hugh B. Urban,2021-01-12 The powers of political secrecy and social spectacle have been taken to surreal extremes recently Witness the twin terrors of a president who refuses to disclose dealings with foreign powers while the private data of ordinary citizens is stolen and marketed in order to manipulate consumer preferences and voting outcomes We have become accustomed to thinking about secrecy in political terms and personal privacy terms In this bracing new work Hugh Urban wants us to focus these same powers of observation on the role of secrecy in religion With Secrecy Urban investigates several revealing instances of the power of secrecy in religion including nineteenth century Scottish Rite Freemasonry the sexual magic of a Russian born Parisian mystic the white supremacist Br derSchweigen or Silent Brotherhood movement of the 1980s the Five Percenters and the Church of Scientology An electrifying read Secrecy is the culmination of decades of Urban's reflections on a vexed ever present subject *Scientology in Popular Culture* Stephen A. Kent,Susan Raine,2017-07-14 This multidisciplinary study of Scientology examines the organization and the controversies around it through the lens of popular culture referencing movies television print and the Internet an unusual perspective that will engage a wide range of readers and researchers For more than 60 years Scientology has claimed alternative religious

status with a significant number of followers despite its portrayals in popular culture domains as being bizarre What are the reasons for the vital connections between Scientology and popular culture that help to maintain or challenge it as an influential belief system This book is the first academic treatment of Scientology that examines the movement in a popular culture context from the perspective of several Western countries It documents how the attention paid to Scientology by high profile celebrities and its mention in movies television and print as well as on the Internet results in millions of people being aware of the organization to the religious organization s benefit and detriment The book leads with a background on Scientology and a discussion of science fiction concepts pulps and movies The next section examines Scientology s ongoing relationship with the Hollywood elite including the group s use of celebrities in its drug rehabilitation program and explores movies and television shows that contain Scientology themes or comedic references Readers will learn about how the Internet and the mainstream media of the United States as well as of Australia Germany and the UK have regarded Scientology The final section investigates the music and art of Scientology

### **Science Fiction Language in Action**

Jennifer Kelso Farrell,2025-09-04 In this book Jennifer Kelso Farrell investigates the way in which L Ron Hubbard used his background in science fiction to create a language for his religion that served to gatekeep outsiders out and insulate insiders Examining the works of science fiction authors such as George Orwell Aldous Huxley Anthony Burgess and Samuel Delany Farrell explores the relationship between language and reality and the role language can play in reprogramming individuals The author also draws upon high profile biographies from former members such as Troublemaker Surviving Hollywood and Scientology and My Billion Year Contract to display how indoctrination into such language often causes a language barrier between those within Scientology and those outside of it thus further isolating members and perpetuating Scientologese within their inner circle Bridging the gap between fiction and reality Farrell illustrates how this language came to be and how it continues to persist today

**Zealot** Reza Aslan,2013-07-16 1 NEW YORK TIMES BESTSELLER A lucid intelligent page turner Los Angeles Times that challenges long held assumptions about Jesus from the host of Believer Two thousand years ago an itinerant Jewish preacher walked across the Galilee gathering followers to establish what he called the Kingdom of God The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal Within decades after his death his followers would call him God Sifting through centuries of mythmaking Reza Aslan sheds new light on one of history s most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived Balancing the Jesus of the Gospels against the historical sources Aslan describes a man full of conviction and passion yet rife with contradiction He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary And he grapples with the riddle of how Jesus understood himself the mystery that is at the heart of all subsequent claims about his divinity Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus life and

mission Praise for Zealot Riveting Aslan synthesizes Scripture and scholarship to create an original account The New Yorker Fascinatingly and convincingly drawn Aslan may come as close as one can to respecting those who revere Jesus as the peace loving turn the other cheek true son of God depicted in modern Christianity even as he knocks down that image The Seattle Times Aslan s literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops A vivid persuasive portrait Salon This tough minded deeply political book does full justice to the real Jesus and honors him in the process San Francisco Chronicle A special and revealing work one that believer and skeptic alike will find surprising engaging and original Jon Meacham Pulitzer Prize winning author of Thomas Jefferson The Art of Power Compulsively readable This superb work is highly recommended Publishers Weekly starred review Cults and New Religions Douglas E. Cowan, David G. Bromley, 2015-04-27 This unparalleled introduction to cults and new religious movements has been completely up dated and expanded to reflect the latest developments each chapter reviews the origins leaders beliefs rituals and practices of a NRM highlighting the specific controversies surrounding each group A fully updated revised and expanded edition of an unparalleled introduction to cults and new religious movements Profiles a number of the most visible significant and controversial new religious movements presenting each group s history doctrines rituals leadership and organization Offers a discussion of the major controversies in which new religious movements have been involved using each profiled group to illustrate the nature of one of those controversies Covers debates including what constitutes an authentic religion the validity of claims of brainwashing techniques the implications of experimentation with unconventional sexual practices and the deeply rooted cultural fears that cults engender New sections include methods of studying new religions in each chapter as well as presentations on groups to watch Among the Scientologists Donald A. Westbrook, 2019 The Church of Scientology is one of the most recognizable American born new religions but perhaps the least understood With academic and popular interest on the rise many books have been written about Scientology and surely more will follow Although academics have begun to pay more attention to Scientology the subject has received remarkably little qualitative attention Indeed no work has systematically addressed such questions as what do Scientologists themselves have to say about their religion s history theology and practices How does Scientology act as a religion for them What does lived religion look like for a Scientologist This is not so much a book about the Church of Scientology its leaders or its controversies as it is a compilation of narratives and histories based on the largely unheard or ignored perspectives of Scientologists themselves Drawing on six years of interviews fieldwork and research conducted among members of the Church of Scientology this groundbreaking work examines features of the new religion s history theology and praxis in ways that move discussion beyond apostate driven and expos accounts *The History of the Rise and Fall of the World's Religions and their Evolution* Younus Samadzada, 2022-01-14 This book chronologically documents the rise and fall of the major religions of the world and explores the role that various cultural factors such as dance trance music song and language have played in this evolution The role

that leaders play in the evolution of religion is also discussed Starting from the primitive religions of hunter gatherer societies in which religion was not part of any institution the next stages of human life from the agricultural revolution to the modern religions of today are discussed Among the modern religions discussed are Judaism Buddhism Christianity Islam Scientology and numerous others The reader is further provided with a unique perspective on the potential good and evil aspects of religion and the very reality of the existence of a God or gods and the possible downfalls of the religious belief system
