and from Northwest Europe and the Atlantic from the Balearic Islands and more distant parts of the Mediterranean The clear sailing directions provide all the essential information for passage making or hopping along the coast between harbours and anchorages The new 2014 seventh edition sees substantial changes and whilst no major harbour alterations have taken place since the sixth edition the book has undergone a facelift Graham Hutt has added more descriptive material and added many new photographs which give a better feel for places The Spanish enclaves of Melilla and Ceuta in Morocco have now been excluded from the pilot and the space made available has been used to include the extra text and photos Throughout the work has been updated and the plans corrected **Essential Costa Del Sol** ,2009 Costa del Sol Sue Bryant,1999
