Sweet Surrender Dennis Hiebert, 2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In *Sweet Surrender* Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

The Social Dynamics of Family Violence Angela J. Hattery, Earl Smith, 2019-09-10 *The Social Dynamics of Family Violence* explores family violence throughout the life course from child abuse and neglect to intimate partner violence and elder abuse Paying special attention to the social character and institutional causes of family violence Hattery and Smith ask students to consider how social inequality especially gender inequality contributes to tensions and explosive tendencies in family settings Students learn about individual preventative measures and are also invited to question the justice of our current social structure with implications for social policy and reorganization Hattery and Smith also examine violence against women globally and relate this to violence in the United States Unique coverage of same sex and multicultural couples as well as of theory and methods make this text an essential element of any course considering the sociology of family violence
