SCC (Stockholm Chamber of Commerce) Arbitral Awards, 2004-2009 Linn Bergman, Stephen Bond, 2011. The SCC Arbitral Awards contains the text of all the international arbitral awards from the Arbitration Institute of the Stockholm Chamber of Commerce between 2004 and 2009. This is the only source for SCC Arbitral Awards. The awards are subject to commentary by leading authorities including distinguished arbitrators, lawyers, justices and other legal professionals. Where necessary, commentary has been revised and updated prior to publication. The extracts from the arbitral awards provide indispensable and extremely helpful insights into the attitudes of tribunals on arbitration matters and arbitral awards worldwide. This publication is essential for the practitioner and the legal professional who needs to be up to date on key arbitration issues involving SCC arbitration in particular but also international arbitration in general as well.

Bank Guarantees in International Trade Roeland F. Bertrams, 2013-01-06. For decades this remarkable book, now in its updated fourth edition, has served practitioners in international trade and banking law as a thorough codification of the law and practice of bank guarantees. The new edition has been thoroughly revised, updated and amended in the light of new developments in the law and changing patterns in practice. Bertrams uses case law, arbitral decisions and legal writing from five European jurisdictions: The Netherlands, Germany, France, Belgium and England, to build an analysis of how the practical applications of bank guarantees have established a pattern of law. The new edition takes into account all legal and arbitral decisions and relevant legal writing through 2012 from these countries as well from other European countries and the United States. Written from a transnational perspective, *Bank Guarantees in International Trade* can be used in both civil and common law jurisdictions and it has been cited as an authoritative source of case law in several jurisdictions from each system. With reference throughout to the effect and significance of the Uniform Rules for Demand Guarantees (URDG) of the

International Chamber of Commerce International Standby Practices ISP and the UNCITRAL Convention on Independent Guarantees and Stand by Letters of Credit the author continuously elucidates the way guarantees function in actual practice and the numerous practical aspects and issues to which they give rise The analysis covers the following subjects and much else types of guarantee tender performance maintenance repayment retention payment mechanisms first demand third party documents arbitral or court decision risks and negotiations drafting and clauses bank guarantees as a financial service the bank's perspective direct and indirect guarantees counter guarantees formation enforceability of expiry dates assignment and transfer demand for payment and the rule of strict compliance fraud and restraining orders applicable law and jurisdiction reference to URDG 2010 revision and ISP98 throughout the text In addition to his thorough coverage of law and legal writing the author has drawn on intensive contacts with the banking community construction firms export credit insurance companies and local lawyers His insight into the daily life of the world of independent first demand guarantees and the practices difficulties and peculiarities in a great number of countries and regions including the Middle East and North Africa cannot be matched in any other source Bank guarantees can present major difficulties and this book is the lawyer's best guide in any situation likely to arise As a comprehensive study of the legal and practical aspects of bank guarantees and standby letters of credit it offers practitioners in international trade law the most complete analysis of banking law in the field In its wealth of practical detail it is unlikely to be surpassed
