What others are saying about LEED AP O M Mock Exam These are TOUGH sample tests You need this book I used this book as a review in the day or two before my exam The questions in this book could very well be found on the exam but most actual exam questions will not be as complex as they are made here Most of these questions on these mock exams have a twist or trick and many can only be answered if you know the materials backwards and forward This makes for GREAT exam preparation because it makes you acutely aware of the types of tricks and the level of detail you MIGHT see on the exam

G Patton I highly recommend this book The book was extremely helpful for me passing the exam The questions really challenged me to dig deeper into the details of each category I felt this was one of several tools to help me be prepared for the exam I highly recommend this book

Edwin F Sierra Such a great tool I passed the exam at the first attempt These mock exams helped me to learn how to tackle

the problems and which areas I should focus on I worked with another book of the author also It took 2 3 weeks for my preparation Chai *LEED BD&C EXAM GUIDE: a must-have for the LEED AP BD+C Exam: study materials, sample questions, green building design and construction, LEED certification, and sustainability (2nd Edition)* Gang Chen,2010-12-26 Includes bibliographical references and index *Guide to the LEED AP Homes Exam* Michelle Cottrell,2012-08-06 Proven Strategies to Pass the LEED AP HOMES Exam Here is the ideal study guide for understanding and preparing for the LEED AP Homes exam Written by an expert who is a LEED consultant and partner at Green Education Services a premier LEED exam preparation provider Guide to the LEED AP Homes Exam engages readers by breaking down difficult concepts in sustainable design and engineering in a clearly organized straightforward manner that helps streamline the learning process for those seeking participation in the responsible design and construction of sustainable residential projects that implement green practices Guide to the LEED AP Homes Exam features An overview of the LEED Green Associate material included in the first portion of the LEED AP exam along with specific Homes content A collection of sample test questions and study tips to reinforce learned material An accessible and stimulating approach that fosters quicker retention A set of strategies for summarizing critical information and details more effectively A wealth of material that includes drawings charts and diagrams to help understand concepts visually A total of 128 sample flashcards that allow you to study on the go Covering the detailed concepts of the LEED for Homes Rating System this book is an all inclusive resource for achieving successful results on the LEED AP Homes exam **LEED v4 Green Associate Exam Guide (LEED GA)** GangChen,2014-08-01 Pass the LEED Green Associate Exam Get Your Building LEED Certified Fight Global Warming and Save Money The USGBC released LEED v4 at the GreenBuild International Conference and Expo in November 2013 The GBCI started to include the new LEED v4 content for all LEED exams in late Spring 2014 We have incorporated the new LEED v4 content in this book Starting on December 1 2011 GBCI began to draw LEED Green Associate Exam questions from the second edition of Green Building and LEED Core Concepts Guide We have incorporated this information in our book LEED Leadership in Energy and Environmental Design is one of the most important trends of development and is revolutionizing the construction industry It has gained tremendous momentum and has a profound impact on our environment From this book you will learn how to do the following 1 Pass the LEED Green Associate Exam 2 Use LEED exam preparation strategies study methods tips suggestions mnemonics and exam tactics to improve your exam performance 3 Effectively understand digest and retain your LEED knowledge 4 Understand the process of registering and certifying a building for LEED 5 Understand the scope main intent core concepts and strategies as well as identify the regulations recognition and incentives for each major LEED category 6 Identify the strategies for case studies 7 Identify the synergy in case studies 8 Implement the most important LEED related codes and building standards 9 Get points for categories not yet clearly defined by the USGBC This book fills in the blanks and demystifies LEED It uncovers the secrets codes and jargon for
