India, a Guide for the Quality-conscious Traveller Louise Nicholson, 1985 **Space-Body-Ritual** Reena Tiwari, 2010-05-12 Set against the contemporary thinking of the city as a spectacle Space Body Ritual Performativity in the City establishes everyday life in the city as a ground for authentic experience Reena Tiwari emphasizes the city as a space of lived experience an intricately layered space giving people a poetic experience responding to their memories and desires She also explores the conflict between two ideas the idea of the city as text to be read and understood from a distance and the city as body where the body after writing the text through its performance achieves the capacity to read and understand it Space Body Ritual demonstrates that the abstract seeing embedded in the city as a text is underwritten by the idea of power operating at deeper levels in the city This hidden power is the power of the user's body in space Furthermore Tiwari proposes that an understanding of the city as body through lived experience through rhythm analysis where rhythms of everyday and extra everyday practices are understood leads to the design of an environment that is evocative and is able to generate a bodily response from the user To understand the rhythms it becomes essential to know the way users inhabit understand and map or present the city spaces by their bodies Space Body Ritual will compel its readership to think of the parameters of spatial design as cultural generator Compendia of Ayurveda (Ayurveda Samhita) : Volume Ten Prof. Dr. Pandurang Hari Kulkarni, 2022-02-28 This volume contains four sections as follows 1 Section One Guidelines for research in Ayurveda Languages Marathi and English 2 Section Two compilation of articles at Work shop Seminar dedicated to research 3 Section Three Monograph on Sookshma Triphala 4 Sections Four contribution of Institute of Indian Medicine Prof Dr P H Kulkarni to Ayurveda Essential book for students teachers research associates in the field of Ayurveda *Fodor's Essential*

What Else is there for a Boy Like Me? Patrick Moon, 2014-01-28 Patrick Moon abandons a successful career as a city solicitor and heads for India Where better he thinks to come to terms with the opportunity he has created for himself the chance to reinvent his life But how much of his old self and his old view of the world will survive this watershed How should he best fill in the blank sheet of paper in front of him And how will he deal with his other reason for travelling to India He wants to try to reinvent another life that of Mohamd a talented young Indian from a primitive village in the Rajasthan desert whose potential is blocked by the twin obstacles of poverty and caste But Patrick underestimates how much of the weight of Indian society will be stacked against him and how difficult it will be to pluck an individual out of India's

crowd In the end neither of these twin efforts to change a life works out as Patrick expected But while one can be counted a success the other ends profoundly unhappily A tale as rich in comedy and affection for India as it is full of sadness love and regret What else is there for a boy like me is a compelling read not only for Indiaphiles but also for anyone who has ever felt the impulse to try to change the fortunes of someone from a less privileged part of the world It will also appeal to anyone who has ever fantasised about changing careers in middle age as well as all those who have an interest in the issue of arranged marriages

in Banaras Ravi Nandan Singh,2025-05-14 Ethnographies fatefully rely on chance encounters and mysteriously so such encounters come true Dead in Banaras is an instance of just such a fateful chance encounter In its inception it set out to follow the dead across multiple social locations of crematoria hospital morgue and the aghorashram in order to assemble a contemporary moment in the funerary iconicity of the well known North Indian city of Banaras The crematoria in plural because the open air manual pyres and closed door electric furnaces sit side by side within the symbolic inside of the city The hospital and morgue became chosen destinations because in the local moral world the city is a medical metropolis anchored by a famed university hospital and storied through real life dramatic narratives of medical emergency saving and untimely death Aghorashram on the other hand as an urban Shaivite clinic and hermitage for sexual and reproductive cures works

with funerary substances as pharmacopeia Early on while undertaking fieldwork these funerary journeys of the dead had a chance encounter with the author's father's death in the city The same set of places thereafter spoke through the sensory logic of the author's father's death Dead in Banaras is thus both an ethnography of being in the dead centre of a city and an autobiographical funeral travelling Shav Yatra that narrates the city through a mourner's logic of using the pyre to illuminate the dead as a multiplicity
