Guided By Spirit A Journey Into The Mind Of The Medium:

Guided by Spirit Charles F. Emmons, 2003-03-03 AN INVITATION TO A JOURNEY What do spirit mediums themselves think about what they do What do scientists and Spiritualists think about messages from the spirit world We are a social scientist and a psychotherapist who have spent ten years answering these questions Acting as mediums ourselves we question and marvel at our own experiences To learn more we interviewed 40 mediums and studied the lives of 80 others Journey with us INTO THE MIND OF THE MEDIUM *The Language of Mediums and Psychics* Robin Wooffitt, 2017-03-02 Every week thousands of people in Europe and the USA consult psychic practitioners Communication is crucial to the performance of psychic powers in a range of settings Psychic practitioners use language to demonstrate their powers whether they are reporting the words of their spirit contacts or interpreting the spread of Tarot cards Their clients also accept or reject this information through talk This book presents the first sustained study of the verbal interaction between the various kinds of psychic practitioners and their clients Using conversation analysis Robin Wooffitt examines the structure of the interaction focusing on the ways in which psychic practitioners and their clients establish the authenticity of the claimed paranormal powers Adopting a neutral standpoint towards the status of the claims of psychic practitioners the book raises important issues about the role of social science in understanding the activities of psychic practitioners and other kinds of parapsychological phenomena This highly original study will appeal to students and scholars of discourse studies and to sociologists interested in conversation analysis It is written in a style accessible to non specialists and will also interest parapsychologists and social scientists studying psychic phenomena and the paranormal [Encyclopedia of Death & Human Experience](#) Clifton D. Bryant, Dennis L. Peck, 2009-07-15 This two volume Encyclopdia through multidisciplinary and international contributions and perspectives organizes defines and clarifies more than 300 death related concepts **Tell My Mother I'm Not Dead** Trevor Hamilton, 2012-10-08 This book divides into two parts The first is a personal narrative of the impact of the death of the author s son Ralph on him and his family and his efforts to see if there was any evidence for his continued existence generated largely through visits to mediums that a thinking person could take seriously The second is an attempt to evaluate that evidence objectively based on an extensive survey of current and past scientific research in the UK and the USA The title reflects the inevitable tension between emotion and intellect in such an enquiry **The Spiritualist Movement** Christopher M. Moreman, 2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and

Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and gender studies literature and art this broad based collection frames Spiritualism through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death The Science of Channeling Helané Wahbeh, 2021-09-01 From the director of research at the Institute of Noetic Sciences IONS a nonprofit parapsychological research institute cofounded by former astronaut Edgar Mitchell this groundbreaking guide explores the cutting edge science behind channeling and offers powerful tools to help readers hone their own abilities Readers will learn how to identify their unique skills process the channeled information they receive and use these skills to make a positive impact on their lives and the lives of others **Handbook of Death and Dying** Clifton D.
