

Haiku Japanese Art & Poetry

The roots of Japanese haiku reach back over a thousand years. In the Japanese haiku poem, as in life, there is a pause, a shift, in which the poet celebrates sensory awareness of the season, perhaps suggested by the scent of red plum blossoms or the silence of snow-covered tree limbs. The timeless appeal of this understated poetic form may be the human desire to capture one's impressions of a fleeting moment. Such seasonal allusions emphasize the essence of haiku: nature and its ephemeral beauty. This calendar features twelve haiku paired with reproductions of exquisite Japanese woodcuts from the collection of the Art Gallery of Greater Victoria. Each poem is rendered in Japanese calligraphy, Roman transliteration, and English translation.

Pomegranate also publishes the books *Shin Hanga: The New Print Movement of Japan*, by Barry Till, and *Haiku: Japanese Art and Poetry*, by Judith Pitt, Michiko Wakisentyne, and Barry Till.
