female body that most plainly bears flesh into the world Spirituality has trouble dealing with the fact that we arrive here covered in blood But the red thread can never be cut Why not Why would no perfectly accomplished saint ever even dream of cutting it Red Thread Zen will set out to explore every corner of the magnificent koan of being still attached to the red thread or line of tears This is an argument against the bloodless and socially disengaged form of Buddhism that is generally being gestated in the West one that shades too readily into the blandest of bland self help
