

A Halloween Story

I was staying with my grandfather in an old house in the forest. One night I wanted to go out in the forest. 'Where are you going?' said my Grandfather. 'To the shop,' I said. 'But it is getting dark! And a storm is coming. All the snakes come out when there is a storm. Do not go near them. And don't touch them!' I went out and saw lots of snakes. I was not scared. I went near them and touch them. Then I remembered what my Grandfather had said. Too late! My teeth turned green and my skin was covered with worms. I screamed and ran to the forest. In the middle of the forest I saw a ghost, and when it's dark and stormy I go to the forest and scare people. Maybe I will come out and scare you.
