Claudius who has murdered Hamlet's father the King and then taken the throne and married Hamlet's mother The play vividly charts the course of real and feigned madness from overwhelming grief to seething rage and explores themes of treachery revenge incest and moral corruption Hamlet Hamlet by William Shakespeare Hamlet by William Shakespeare Folger edition Hamlet by William Shakespeare book Hamlet by William Shakespeare oxford hamlet Folger library shakespeare Hamlet no fear shakespeare Hamlet by William Shakespeare book The Oxford Shakespeare Hamlet Hamlet Cambridge School Shakespeare Hamlet by william shakespeare annotated Hamlet by william shakespeare illustrated

Hamlet's Hereditary Queen Kerrie Roberts, 2022-12-30 This book explores a fresh and insightful interpretation of Hamlet's Gertrude as a prominent and powerful figure in the play It shows how traditional readings of this character both performance based and scholarly have been guided and constrained by misogynistic perspectives on female power Bringing together the author's wealth of insight from a theatre practitioner's perspective and combining it with a scholarly perspective the book argues that Gertrude need not be limited to sex and motherhood She could instead be played as Denmark's blood royal Queen her role in the play then being about female political power Gertrude's royal status could play out on stage through a variety of possible performance choices for stage design stage business acting processes and the actor's presence both speaking and silent Hamlet's Hereditary Queen takes into consideration Shakespeare's source myths historical studies of the position of queens and the issues concerning them in early modern England Hamlet's performance history and the text itself It questions traditional readings of Hamlet and offers detailed analyses of relevant scenes to demonstrate how Gertrude's Hamlet might play out on stage in the twenty first century This is an engaging and insightful interpretation for students and scholars of theatre and performance studies and Shakespeare studies as well as theatre practitioners *Crossing Over*

Harold M. Foster, 2013-09-05 This text for secondary preservice and in service English language arts teachers offers a rationale for meaning centered English language arts teaching and practical strategies for application Its goal is to provide readers with an understanding of the issues involved in English teaching and specific examples of how to apply this understanding to classrooms Teaching strategies are presented through a series of stories depicting teachers from a variety of settings practicing their craft with secondary students Features A solid introduction and interesting personal narratives introduce the issues and ideas involved in English language arts teaching Case studies based on actual teachers and students realistically illustrate methods that can be used in secondary English classes Lessons are described in sufficient detail to be converted to teaching models Multicultural emphasis prepares teachers for the contemporary classroom Chapters and sections incorporate the new literacies of TV film and computers in the English language arts class Pedagogical aids include end of chapter questions and activities reproducible charts and worksheets an updated listing of young adult novels and annotated recommended readings An appendix on writing a personal narrative helps students develop as writers New in the Second Edition Updates All chapters the bibliographies and the references are thoroughly updated to reflect changes since
