Vaporis, Constantine Vaporis, 2020-11-26 In this newly revised and updated 2nd edition of *Voices of Early Modern Japan* Constantine Nomikos Vaporis offers an accessible collection of annotated historical documents of an extraordinary period in Japanese history ranging from the unification of warring states under Tokugawa Ieyasu in the early seventeenth century to the overthrow of the shogunate just after the opening of Japan by the West in the mid nineteenth century Through close examination of primary sources from The Great Peace this fascinating textbook offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more demonstrating what historians can uncover from the words of ordinary people New features include An expanded section on religion morality and ethics A new selection of maps and visual documents Sources from government documents and household records to diaries and personal correspondence translated and examined in light of the latest scholarship Updated references for student projects and research assignments The first edition of *Voices of Early Modern Japan* was the winner of the 2013 Franklin R Buchanan Prize for Curricular Materials This fully revised textbook will prove a comprehensive resource for teachers and students of East Asian Studies history culture and anthropology

Voices of Early Modern Japan Constantine Nomikos Vaporis Ph.D., 2012-01-06 Based on fresh translations of historical documents this volume offers a revealing look at Japan during the time of the Tokugawa shoguns from 1600 1868 focusing on the day to day lives of both the rich and powerful and ordinary citizens *Voices of Early Modern Japan* Contemporary Accounts of Daily Life during the Age of the Shoguns spans an extraordinary period of Japanese history ranging from the unification of the warring states under Tokugawa Ieyasu in the early 17th century to the overthrow of the shogunate just prior to the mid 19th century opening of Japan by the West Through close examinations of sources from a time known as The Great Peace this fascinating volume offers fresh insights into the Tokugawa era its political institutions rigid class hierarchy artistic and material culture religious life and more Sources come from all levels of Japanese society everything from government documents and household records to personal correspondence and diaries all carefully translated and examined in light of the latest scholarship

Caste in Early Modern Japan Timothy Amos, 2019-12-06 Caste a word normally used in relation to the Indian subcontinent is rarely associated with Japan in contemporary scholarship This has not always been the case and the term was often used among earlier generations of scholars who introduced the Buraku problem to Western audiences Amos argues that time for

reappraisal is well overdue and that a combination of ideas beliefs and practices rooted in Confucian Buddhist Shinto and military traditions were brought together from the late 16th century in ways that influenced the development of institutions and social structures on the Japanese archipelago These influences brought the social structures closer in form and substance to certain caste formations found in the Indian subcontinent during the same period Specifically Amos analyses the evolution of the so called Danzaemon outcaste order This order was a 17th century caste configuration produced as a consequence of early modern Tokugawa rulers decisions to engage in a state building project rooted in military logic and built on the back of existing manorial and tribal class arrangements He further examines the history behind the primary duties expected of outcastes within the Danzaemon order notably execution and policing as well as leather procurement Reinterpreting Japan as a caste society this book propels us to engage in fuller comparisons of how outcaste communities histories and challenges have diverged and converged over time and space and to consider how better to eradicate discrimination based on caste logic This book will appeal to anyone interested in Japanese History Culture and Society

Routledge Handbook of Premodern Japanese History Karl F. Friday, 2017-07-14 Scholarship on premodern Japan has grown spectacularly over the past four decades in terms of both sophistication and volume A new approach has developed marked by a higher reliance on primary documents a shift away from the history of elites to broader explorations of social structures and a re examination of many key assumptions As a result the picture of the early Japanese past now taught by specialists differs radically from the one that was current in the mid twentieth century This handbook offers a comprehensive historiographical review of Japanese history up until the 1500s Featuring chapters by leading historians and covering the early J mon Yayoi Kofun Nara and Heian eras as well as the later medieval periods each section provides a foundational grasp of the major themes in premodern Japan The sections will include Geography and the environment Political events and institutions Society and culture Economy and technology The Routledge Handbook of Premodern Japanese History is an essential reference work for students and scholars of Japanese Asian and World History

The First European Description of Japan, 1585 Luis Frois SJ, 2014-03-14 In 1585 at the height of Jesuit missionary activity in Japan which was begun by Francis Xavier in 1549 Luis Frois a long time missionary in Japan drafted the earliest systematic comparison of Western and Japanese cultures This book constitutes the first critical English language edition of the 1585 work the original of which was discovered in the Royal Academy of History in Madrid after the Second World War The book provides a translation of the text which is not a continuous narrative but rather more than 600 distichs or brief couplets on subjects such as gender child rearing religion medicine eating horses writing ships and seafaring architecture and music and drama In addition the book includes a substantive introduction and other editorial material to explain the background and also to make comparisons with present day Japanese life Overall the book represents an important primary source for understanding a particularly challenging period of history and its connection to contemporary Europe and Japan

Energy Medicine East and West

David F. Mayor, Marc S. Micozzi, 2011-05-31 *Energy Medicine East and West A Natural History of Qi* provides a unique comprehensive overview of Qi or bioenergy for students and practitioners of energy medicines Chinese and Oriental Medicine and all disciplines of Complementary and Integrative Medicine Mayor and Micozzi start with a comparative historical account of the ancient concepts of Qi and vital energy before covering theories of Qi a discussion of the organized therapeutic modalities based upon Qi and its applications to specific health and medical conditions Contributions are included from international experts in the field The book moves from anatomical and bioenergetic complementarity of Western vital energy and Eastern Qi through convergence of perspectives and models to demonstrations of how the traditional therapies are being melded together in a new original and creative synthesis David Mayor and Marc Micozzi are experienced medical practitioners authors and editors David Mayor has been actively involved in bioenergy research practice and publishing for over 30 years and is author editor of *Electroacupuncture A practical manual and resource* 2007 as well as other acupuncture texts and studies Marc Micozzi is Professor in the Department of Physiology and Biophysics at Georgetown University School of Medicine Washington DC As author editor of *Fundamentals of Complementary Course* director MSc Acupuncture Coventry University UK Over the last decade most books on Asian medicine paid tribute to the aura of evidence based medicine experience counted little RCTs were convincing This book at last returns to an old tradition of debate opening up quite a few new horizons Reading it my striving for knowledge was married with enjoyment and happiness This book made me happy Thomas Ots MD PhD Medical acupuncturist specialising in psychiatry Graz Austria Editor in Chief *Deutsche Zeitschrift f r Akupunktur* To simply review the chapter headings is to know the truly remarkable expanse of this book a wonderful bridge between the mysteries of the East and the sciences of the West well documented well written and enlarging both Enlightening nicely depicts outstanding advances in energy psychotherapeutics thus ultimately helping to move forward the human condition Maurie D Pressman MD Emeritus Clinical Professor of Psychiatry Temple University School of Medicine Philadelphia PA Emeritus Chairman of Psychiatry Albert Einstein Medical Center Philadelphia PA past President International Society for the Study of Subtle Energies and Energy Medicine Lafayette CO USA

Alternate Currents Justin B. Stein, 2023 In the second half of the twentieth century Reiki went from an obscure therapy practiced by a few thousand Japanese and Japanese Americans to a global phenomenon By the early twenty first century people in nearly every corner of the world have undergone the initiations that authorize them to channel a cosmic energy known as Reiki to heal body mind and spirit They lay hands on themselves and others use secret symbols and incantations to send Reiki to distant recipients and strive to follow five precepts to cultivate their spiritual growth Reiki s international rise and development is due to the work of Hawayo Takata 1900 1980 a Hawai i born Japanese American woman who brought Reiki out of Japan and adapted it for thousands of students in Hawai i and North America shaping interconnections across the North Pacific region as well as cultural transformations over the transwar period spanning World War II Alternate

Currents Reiki's Circulation in the Twentieth Century North Pacific analyzes how from her training in Japan in the mid 1930s to her death in Iowa in 1980 Takata built a vast trans Pacific network that connected Japanese American laborers on Hawaii i plantations to social elites in Tokyo Hollywood and New York middle class housewives in American suburbs and off the grid tree planters in the mountains of British Columbia Using recently uncovered archival materials and original oral histories Stein examines how these relationships between healer and patient master and disciple became deeply infused with values of their time and place and how they interplayed with Reiki's circulation performance and meanings along with broader cultural shifts in the twentieth century North Pacific Highly readable and informative each chapter is structured around a period in the life of Takata the charismatic rags to riches architect of the network in which Reiki spread for decades Alternate Currents explores Reiki as an exemplary transnational spiritual therapy demonstrating how lived practices transcend artificial distinctions between religion and medicine and circulate in global systems while maintaining strong connections with the practices homeland

Sanctuaries of the City Anni Greve, 2016-04-01 This book proposes that we can learn from Tokyo about the intrinsic importance of in between realms to an international culture the sanctuaries It argues that certain urban societies are more robust than others because they offer socio spatial capacities that enable the development of skills for coping with modern forms of living It studies places that may open the way to an international culture namely market places venues for performing arts and religious sites which with particular reference to the Durkheimian tradition are considered here in their quality as sanctuaries From its empirical analysis of such sanctuaries in Tokyo this book develops a more general theory about mega cities urban sociability and identity

[Brief History of Japan](#) Jonathan Clements, 2017-08-01 This fascinating history tells the story of the people of Japan from ancient teenage priest queens to teeming hordes of salarymen a nation that once sought to conquer China yet also shut itself away for two centuries in self imposed seclusion First revealed to Westerners in the chronicles of Marco Polo Japan was a legendary faraway land defended by a fearsome Kamikaze storm and ruled by a divine sovereign It was the terminus of the Silk Road the furthest end of the known world a fertile source of inspiration for European artists and an enduring symbol of the mysterious East In recent times it has become a powerhouse of global industry a nexus of popular culture and a harbinger of post industrial decline With intelligence and wit author Jonathan Clements blends documentary and storytelling styles to connect the past present and future of Japan and in broad yet detailed strokes reveals a country of paradoxes a modern nation steeped in ancient traditions a democracy with an emperor as head of state a famously safe society built on 108 volcanoes resting on the world's most active earthquake zone a fast paced urban and technologically advanced country whose land consists predominantly of mountains and forests Among the chapters in this Japanese history book are The Way of the Gods Prehistoric and Mythical Japan A Game of Thrones Minamoto vs Taira Time Warp 200 Years of Isolation The Stench of Butter Restoration and Modernization The New Breed The Japanese Miracle

Kampaku: The Rise and Fall of Ishida Mitsunari David

Klason,2024-03-28 2023 HFC Five star award for Historical Fiction In the heart of sixteenth century Japan where loyalties are tested and fragile alliances are pushed to the brink *Kampuku* unfolds the riveting tale of Ishida Mitsunari a young samurai rising through the ranks in service to the renowned warlord Toyotomi Hideyoshi A shrewd tactician and accomplished tea master Mitsunari becomes the target of a shadowy network of spies determined to end his life since childhood Upon Hideyoshi's shocking and sudden demise Mitsunari finds himself entangled in a web of intrigue to determine the future heir Mitsunari faces the ambitions of Tokugawa Ieyasu a formidable rival warlord who is scheming to seize control Determined to safeguard Hideyoshi whom Mitsunari believes to be the legitimate heir he orchestrates a desperate bid to thwart Ieyasu's ascent to power The ensuing epic battle shapes the destiny of Japan *Kampuku* is a tale of honour deception and the relentless pursuit of destiny in a nation ravaged by war and secrets Acclaim for *Kampaku* Another stunning immersive story of 16th century Japan full of power struggles life changing secrets and high stakes gambles HFC Awards reviews

Western Japaneseness: Intercultural Translations of Japan in Western Media Frank Jacob, Bruno Surace,2021-03-02 Our images of non Western cultures are often based on stereotypes that are replicated over the years These stereotypes often appear in popular media and are responsible for a pre set image of otherness The present book investigates these processes and the media representation of otherness especially as an artificial construct based on stereotypes and their repetition in the case of Japan *Western Japaneseness* thereby illustrates how the Western image of Japan in popular media is rather a construct that in a way replicated itself instead of a more serious encounter with a foreign and different cultural context This book will be of great value to students and academics who hold interest in media studies Japanese studies and cultural studies It will also appeal to a broader audience with interests in Japan more generally

Shifting Currents Karen Eva Carr,2022-07-18 A deep dive into the history of aquatics that exposes centuries old tensions of race gender and power at the root of many contemporary swimming controversies *Shifting Currents* is an original and comprehensive history of swimming It examines the tension that arose when non swimming northerners met African and Southeast Asian swimmers Using archaeological textual and art historical sources Karen Eva Carr shows how the water simultaneously attracted and repelled these northerners swimming seemed uncannily related to witchcraft and sin Europeans used Africans and Native Americans swimming skills to justify enslaving them but northerners also wanted to claim water's power for themselves They imagined that swimming would bring them health and demonstrate their scientific modernity As Carr reveals this unresolved tension still sexualizes women's swimming and marginalizes Black and Indigenous swimmers today Thus the history of swimming offers a new lens through which to gain a clearer view of race gender and power on a centuries long scale

Culture and Economic Action Laura E. Grube,Irgil Henry Storr,2015-06-29 This edited volume a collection of both theoretical essays and empirical studies presents an Austrian economics perspective on the role of culture in economic action The authors illustrate that culture cannot be separated from economic action but t *A Brief History of*

Khubilai Khan Jonathan Clements, 2015-05-21 His grandfather was the bloodthirsty Mongol leader Genghis Khan his mother a Christian princess Groomed from childhood for a position of authority Khubilai snatched the position of Great Khan becoming the overlord of a Mongol federation that stretched from the Balkans to the Korean coast His armies conquered the Asian kingdom of Dali and brought down the last defenders of imperial China Khubilai Khan presided over a glorious Asian renaissance attracting emissaries from all across the continent and opening his civil service to men with coloured eyes administrators from the far west His reign began the glorious Yuan dynasty that ruled over China for only ninety years but had a profound impact on Asian history from international trade to cultural revolution Jonathan Clements's insightful biography into the life and times of one of China's greatest leaders is a fascinating introduction to an important era uncovering the man behind Marco Polo's mythic portrait Daily Lives and Daily Routines in the Long Eighteenth Century

Gudrun Andersson, Jon Stobart, 2021-08-12 This book explores the ways in which the lives and routines of a wide range of people across different parts of Europe and the wider world were structured and played out through everyday practices It focuses on the detail of individual lives and how these were shaped by spaces and places by movement and material culture both the buildings they occupied and the objects they used in their everyday lives Drawing on original research by a range of established and emerging scholars each chapter peers into the lives of people from various social groups as they went about their daily lives from citizens on the streets to aristocrats at home in their country houses and from the urban elite at leisure to seamen on board ships bound for the East Indies For all these people daily routines were important in structuring their lives giving them a rhythm that was knowable and meaningful in its temporal regularity be that daily weekly or seasonal So too were their everyday encounters and relationships with other people within and beyond the home these shaped their practices movements and identities and thus served to mould society in a broader sense **A Christian Exploration of**

Women's Bodies and Rebirth in Shin Buddhism Kristin Johnston Largen, 2020-10-05 Jodo Shinshu Buddhism inherited many negative doctrines around women's bodies which in some early Buddhist texts were presented as an obstacle to rebirth and a hindrance to awakening in general Beginning with an examination of these doctrines the book explores Shin teachings and texts as well as the Japanese context in which they developed with a focus on women and rebirth in Amida's Pure Land These doctrines are then compared to similar doctrines in Christianity and used to suggestion fruitful avenues of Christian theological reflection **Feet and Footwear** Margo DeMello, 2009-09-10 Take a walk in someone else's shoes in this

fascinating examination of shoes and feet around the world This one of a kind A Z reference work contains over 150 fascinating entries and intriguing sidebars that look at feet and adornment of feet across the many cultures of the world throughout time A wide range of international and multicultural topics are covered including foot binding fetishes diseases of the foot customs and beliefs related to the foot shoe construction myths and folktales featuring feet or shoes the history of footwear iconic brands and types of shoes important celebrities associated with shoes and the types of footwear worn around

the world This exhaustive compilation is ideal for students and general readers interested in the human body fashion and medicine and even scholars looking for more in depth coverage on the social and cultural uses of the body will find it as a useful starting point in their research Cross references suggestions for further reading and a full bibliography of print and electronic resources are valuable tools for all readers Students can use this reference work to draw cross cultural comparisons as well as study the evolution of footwear in terms of social religious and ethnic parameters Aside from iconic American brands and types of shoes this volume will also look at how feet are treated and viewed around the globe removing shoes upon entering a house washing feet for religious purposes giving feet the spa treatment and covering feet up for social customs Perfect for undergraduate and high school students studying anthropology and world culture **Japan Emerging** Karl Friday, 2018-04-19 Japan Emerging provides a comprehensive survey of Japan from prehistory to the nineteenth century Incorporating the latest scholarship and methodology leading authorities writing specifically for this volume outline and explore the main developments in Japanese life through ancient classical medieval and early modern periods Instead of relying solely on lists of dates and prominent names the authors focus on why and how Japanese political social economic and intellectual life evolved Each part begins with a timeline and a set of guiding questions and issues to help orient readers and enhance continuity Engaging thorough and accessible this is an essential text for all students and scholars of Japanese history

Handbook To Life In Medieval And Early Modern Japan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Handbook To Life In Medieval And Early Modern Japan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Handbook To Life In Medieval And Early Modern Japan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying

the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Handbook To Life In Medieval And Early Modern Japan free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Handbook To Life In Medieval And Early Modern Japan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Handbook To Life In Medieval And Early Modern Japan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Handbook To Life In Medieval And Early Modern Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Handbook To Life In Medieval And Early Modern Japan is one of the best books in our library for free trial. We provide a copy of Handbook To Life In Medieval And Early Modern Japan in digital format, so the resources that you find are reliable. There are also many eBooks related to Handbook To Life In Medieval And Early Modern Japan. Where to download Handbook To Life In Medieval And Early Modern Japan online for free? Are you looking for Handbook To Life In Medieval And Early Modern Japan PDF? This is definitely going to save you time and cash in something you should think about.
