Happy Endings The Tales Of A Meaty Breasted Zilch:

Happy Endings Jim Norton, 2008-06-10 Jim Norton is a pervert in the truest sense of the word The physical equivalent of a tall slug he pays top dollar for massages with happy endings and is fascinated by shitty sitcoms and fat girls He is also at times racially offensive and morally repugnant He spares no one in his comedy least of all himself Now in this outrageous blisteringly funny collection of essays Norton tackles the topics that are near and dear to his heart from public events like the legendary Voyeur Bus incident on the Opie and Anthony Show which culminated in all involved being taken to jail or seeking a hug from his childhood idol Gene Simmons to deeply private moments including a teenage Jim's embarrassing poetry writing attempts while in rehab and his inexpensive sexual experience with an unwashed MILF a Monolith I'd Like to Forget His stories are raw searingly honest in their attention to detail and most of all hilarious Filled with personal photos and nearly fifty candid and uncompromising essays Happy Endings is one of a kind and probably best read on an empty stomach

I Hate Your Guts Jim Norton, 2008-11-04 When New York Times bestselling author and comedian Jim Norton isn't paying for massages with happy endings or pretending to be fooled by transsexuals he picks up he spends his time wondering what certain people would look like on fire What do Heather Mills the Reverend Al Sharpton and Dr Phil have in common Jim Norton hates their guts And he probably hates yours too especially if you're a New York Yankee Starbucks employee or Steve Martin In thirty five hilarious essays New York Times bestselling author and comedian Jim Norton spews bile on the people he loathes Enjoy his blistering attacks on Derek Jeter Hillary Clinton fatso Al Roker and mush mouthed Jesse Jackson It's utterly hilarious and utterly relatable if you've ever bitten a stranger's face or thrown a bottle through the TV screen while watching the news But don't think Jim just dishes loads of shit on his self proclaimed enemies he is equally atrocious to himself He savages himself for his humiliating days as a white homeboy his balletlike spins in the outfield during a little league game and his embarrassingly botched attempt at a celebrity shout out while taping his new HBO stand up series Uncomfortably honest I Hate Your Guts is probably the best example of emotional vomiting you'll ever read But there is hope at the end of each essay Jim generously offers helpful suggestions as to how the offender can make things right again Eliot Spitzer If you run for re election instead of shaking hands with voters let them smell your fingers Reverend Al Sharpton The next time you feel the need to protest do so dressed as an elk in Ted Nugent's backyard Hillary Clinton When you absolutely must make a point of laughing publicly don't fake it Just think of something that genuinely makes you laugh like lowering taxes or any random male having his penis cut off For the legions of devoted fans who know Jim Norton for his raw sometimes brutal comedy I Hate Your Guts is what you've been waiting for But even more important it's a great book to read while taking a shit
