Blue Wolf in Green Fire Joseph Heywood, 2022-04-26 Joseph Heywood ratchets up the suspense in yet another WOODS COP MYSTERY Upper Michigan Conservation Officer

Grady Service has a case on his hands that doesn't make sense. A series of protests and bombings by animal rights activists appears to have culminated in a double murder at a wolf lab which releases into the wild an extraordinarily rare animal, a blue wolf. To the Ojibwa, a blue wolf represents good luck unless it is captured or killed, and then it is an omen of Armageddon. Service suspects that the murders aren't what they seem to be when the FBI takes over the investigation and reaches far beyond its jurisdiction. Meanwhile, an elusive poaching ring sets its sights on wolves. Once again, Service must defend his hallowed Mosquito Wilderness in a race against time when it becomes clear that its final target is the blue wolf. Full of memorable characters and steeped in the lives of woods cops, *Blue Wolf in Green Fire* is also a masterpiece of suspense. This second book in the Woods Cop series is a fully satisfying journey into the natural world and beyond into the terrifying extremes of human nature. Chasing a Blond Moon Joseph Heywood, 2019-04-01 Strange things are happening to the black bears of the Upper Peninsula. Grady Service is stumped until a Korean-born professor is murdered by cyanide-laced figs that contain two freeze-dried bear gall bladders. Sexy and suspenseful, *Chasing a Blond Moon* also introduces a new twist in Grady's personal life: he meets a son he never knew he had. Once again, Grady Service, the hard-boiled conservation officer of this superb series set in Michigan's Upper Peninsula, has a weird case on his hands. Strange things are happening to the black bear population. Grady Service can't pin the phenomenon on anyone or anything until a Korean-born professor from Michigan Tech is murdered by cyanide-laced figs, and two freeze-dried bear gall bladders are found among the figs. Service is certain that poachers are at work, killing bears to fuel the Asian market for traditional medicines. The animal parts market is highly organized, and its practitioners are ruthless and dangerous. Grady's nemesis, Michigan's governor, has cut budgets so severely that there are not enough conservation officers to cover the state. Service finds himself filling in for colleagues chasing illusive poachers who leave little evidence and wrestling with the usual cast of eccentric and entertaining characters. And there is a new twist in Grady's personal life: he meets a sixteen-year-old son he never knew he had. Sexy, suspenseful, and full of action, perfect dialogue, and unforgettable characters, *Chasing a Blond Moon* confirms Heywood as one of the finest of his day. **Out of Service** Joseph Heywood, 2024-09-17 Just when longtime Michigan conservation officer Grady Service is certain that he's seen it all, he learns once again that he hasn't. After so many decades protecting his state's natural resources, here he still is undercover, yet again not in a case he's developed but dumped into a case by the Feds with his governor's approval. And as time passes, he can't figure out if what he's buried in is truly a religious nationalist militia group set on overturning the U.S. Constitution or one man's cash cow, a sort of half-ass redneck Ponzi aimed solely at fattening a single bank account. The newest Woods Cop Mystery, 12 in the legendary series, is another soaring brainchild of Joseph Heywood, author of the Woods Cop and Lute Bapcat Mysteries, both of which explore a way of life lived by Michigan game wardens over many different decades, from the Bapcat mysteries of the early 1900s to Grady Service and compatriots in contemporary times. **Killing a**
