Kwon, 2014-01-14 This book reclaims Korean history in Hawaii through the examination of works by three local writers of Korean descent Margaret Pai Ty Pak and Gary Pak **Hawaiian Almanac and Annual** ,1928 The Hard Sell of Paradise Jason Sperb, 2022-03-01 The Hard Sell of Paradise examines how mid twentieth century Hollywood negotiating the rhetoric of the tourism industry offered a complex and contradictory vision of Hawai i for its audiences From the classic studio system and elite tourism of the 1930s to a postwar era of mass travel TV and new leisure markets the book explores how an eclectic group of populist media reflected the language of tourism not only through its narratives of leisure but also through its complex engagement with larger cultural and historical questions such as colonialism world war and statehood Drawing on rare archival research The Hard Sell of Paradise also explores the valuable role that tourism partners such as United Airlines Matson Cruise Lines and the Hawaii Tourist Bureau played in directly and indirectly influencing such films and television shows as Waikiki Wedding Diamond Head Blue Hawaii The Endless Summer and Hawaii Five O **Unsafe on the High Seas: Your Guide to a Safer Cruise** Charles R. Lipcon, 2007 California and Hawai'i Bound Henry Knight Lozano, 2021-08 Henry Knight Lozano explores how U S boosters writers politicians and settlers promoted and imagined California and Hawai i as connected places and how this relationship reveals the fraught constructions of an Americanized Pacific West from the 1840s to the 1950s America's Call John Bernhard, 2011-02 America s Call is based on the journal that John Bernhard used to chronicle his trip to North America during the late 1970s It is the story of two young friends on a New World walkabout questing to discover their destinies and their souls during a quintessential time in U S history The beauty of America s Call lies in Bernhard s visual depictions of 1970s America the various destinations that make up his journey and the people he meets along the way Bernhard offers a sense of adventure and curiosity reminiscent of the vanished era he describes and introduces those of us who missed it to a bygone America that we can only hope will not be forgotten I had dreamt of traveling to the New World for as long as I could remember I had filled my imagination with the romance of exploration until it overflowed with wild curiosity When I left Europe on my journey I did so without a definite destination I knew only that I wanted to discover as much of North America as I could from Canada to the U S from Alberta s Rockies to California s beaches I wanted to see it all When I think of America as it was 30 years ago I conjure fond memories of a nation and a culture that no longer exists My story is the recollection of a journey of personal discovery that took place at the end of a very special era So much has changed in my adopted country since then Although the American dreams that filled my youth are long gone the affectionate memories remain Like a photograph this book is a snapshot of that time John Bernhard was

born in Switzerland and after his backpack adventure the draw to the U S tugged at his mind until he returned and settled in Houston Texas to pursue the American dream For the past three decades he has chosen the medium of photography to explore the everyday world from new perspectives breaking away into different pathways of artistic expression He has designed and built his dream house and his studio adjacent to it where he works as an artist He is the author of seven monographs including Nudes Metamorphs Nicaragua John Bernhard Drift Diptych China and Body Work **Islands Magazine** ,2005-11 *Saturday Review of Literature* ,1924 Dress & Vanity Fair ,1923 **The Romance of American Expansion** Henry Addington Bruce,1909 **Catalog of Copyright Entries, Third Series** ,1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Catalog of Copyright Entries** Library of Congress.
