Christianity 101 Chad Price,2017-11-14 What exactly is a Christian Many people will tell you that a Christian is someone who believes in God does good things to get into heaven and then forces their faith onto others Is this true If God is good why do bad things happen If God is loving why would He send good people to hell Unfortunately these questions and others like it can stump current believing Christians into answering simply with Uhm Despite the vast majority of the United States claiming to be Christian we live in a world where most Christians can hardly explain the basic fundamentals of their own faith This has produced a judgmental group of believers who spout hate at anyone who believes differently than they do has divided our churches and has made it so that Christians live no differently than their fellow non believing citizens Overall this book will use Scripture to explain who Christ wants His people to be it will help you answer the tough questions you will get from the world and discern true Christian teachings from false rabble For you nonbelievers out there I encourage you to read this as well See what a Christian truly is for yourself not what the media tells you we are Finally I pray that this book helps everyone who reads it discover the grace mercy and love of Christ I pray that this book will inspire you to pursue the Lord with all your heart As the Scriptures say The fear of the Lord is the beginning of wisdom Prov 9 10 NIV and You will seek me and find me when you seek me with all your heart Jer 29 13 NIV **1994 Lantra-Elantra Troubleshooting**
