Is Jesus The Only Savior:

Is Jesus the Only Savior? James R. Edwards, 2005 In a culture suspicious of orthodox Christianity Edwards sets forth the evidence for the historic claim that Jesus is the only savior of the world

Is Jesus the Only Savior? Ronald H. Nash, 1994 The idea that Jesus is the only way to salvation is not popular with many in today's culture Moreover many who identify themselves as Christians hold differing views on the spiritual condition of those who have never heard of the Christ This very readable book sets forth a case for the Yes Jesus is the only Savior view in contrast to other positions Lightning Print On Demand Title

Is Jesus the Only Savior? Ronald H. Nash, 2010-08-10 A compelling and urgent case for Jesus Christ as the one and only way to salvation Today professing that Jesus Christ is the only way to approach God and receive his salvation may seem to some like a form of intolerance or arrogance A growing number of Christian intellectuals pastors and leaders are favoring a more inclusive view of a person's path to salvation But what does this mean in practice Are there biblical or theological means of defending inclusivism or pluralism or do these views simply pay tribute to modern ethical standards The fact is that unity among Christians on this fundamental issue has disappeared Many people of faith choose among three fundamentally different answers to the question Is Jesus the only Savior Stated succinctly these answers are No Pluralism Yes but Inclusivism Yes period Exclusivism In *Is Jesus the Only Savior* Ronald Nash explores the divergent views of pluralism and inclusivism in depth laying out the reasoning history and major supporters behind them and making a resounding case for exclusivism based on firm theological standards Christians of all walks of life will find their faith in Christ affirmed and strengthened by this vital treatise written in accessible terms and a readable style

Old Testament

Prophecies That Prove That Jesus Christ Is the Only Savior of the World Garry L. Lybeck, 2022-08-29 This book unequivocally reveals the biblical truth that Jesus Christ is the ONLY Saviour of the world and clearly refutes the popular but erroneous belief that there are many ways to God Jesus Christ if exclusive He and He alone is the only way to God and eternal life As the Scriptures explicitly state No one can come to the Father except through Jesus Christ He that has the Son has that life and he that does NOT have the Son does not have that life There is salvation in no one else for there is no other name under heaven by which we must be saved Following prophecies from the very beginning of the Bible to the end from creation to consummation the author clearly underscores this fact as the undeniable proclamation of the Holy Scriptures

Smith, 2012-03-01 Only Jesus Jesus Christ The One and Only Savior Church Starting Network 2012 Ebbie C Smith In the face of the growing religious tolerance that teaches that salvation may be found in many sources other than personal faith in the

historic Christ Ebbie Smith affirms the biblical teaching of the unique Savior Jesus Christ The study clearly demonstrates the unbiblical nature of Universalism and other wider hope theory of salvation Smith declares firmly that the Bible only promises salvation to those who enter a personal relationship with the living Christ during that person s lifetime Smith admits that the attractiveness of wider hope theories that promise salvation through other religions and systems These unfounded teachings can to some degree alleviate the Christian concern for those who do not believe especially for those who do not hear the Message of Christ Likewise Smith acknowledges that the Sovereign God is free to save any person the Almighty choices This book does however declare that God s Revelation in the Bible promises no other way of salvation except in Christ Jesus We must not says Smith rely on any promise not in the Bible and must not promise anything not affirmed in Scripture The primary plea in the book is that those who hold the scriptural truth of Jesus Christ the one and only Savior be far more zealous in sharing this promise with those away from the Savior The author leaves readers with two burning statements First Is it not possible that our negligence in effective witness is the greatest liberalism of all Second Is it not possible that the most alarming sin is the Evangelical neglect of the responsibilities of effective and loving witness rather than the liberal misinterpretation of biblical teaching

Jesus Christ and the Last Crusade James Shane,2003-04 **Big Truths for Young Hearts** Bruce A. Ware,2009-03-31 Equips parents to guide their young children through all major doctrines in an understandable chapter a day format Sure it s easy to teach your children the essentials of Christian theology when you re a theology professor But

what about the rest of us With Big Truths for Young Hearts Bruce Ware you guessed it a theology professor encourages and enables parents of children 6 14 years of age to teach through the whole of systematic theology at a level their children can understand Parents can teach their children the great truths of the faith and shape their worldviews early based on these truths The book covers ten topics of systematic theology devoting several brief chapters to each subject making it possible for parents to read one chapter per day with their children With this non intimidating format parents will be emboldened to be their children s primary faith trainers and perhaps learn a few things themselves along the way 50 Reasons Jesus Christ Is God Charles Jesus Sanferrare,2017-06-01 50 Reasons Jesus Christ Is God book is based on God s invitation Come let us reason together and offers 50 reasons from the Bible that the reader can use to understand or defend this important and mentally difficult truth Jesus Christ is God Religious Diversity--What's the Problem? Rita M. Gross,2014-04-24 Once upon a time on grounds of both religion and common sense people assumed that the earth was flat and that the sun literally rose and set each day When newly developing knowledge made those beliefs untenable giving them up was difficult Today the belief that only one of the world s various religions is true for all people on earth is equivalent to the belief in a flat earth Both notions have become untenable given contemporary knowledge about religion Even though many people are still troubled by the existence of religious diversity today that diversity is a fact of life Religious diversity should be no more troubling to religious people than the fact that the earth is round and circles the sun This provocative book based on the author s longtime practice of Buddhism and comparative study of religion provides tools with which one can truly appreciate religious diversity as a gift and resource rather than as a deficiency or a problem to be overcome After we accept diversity as inevitable and become comfortable with it diversity always enriches life both nature and culture Systematic Theology, Volume 1, Fourth Edition James Leo Garrett,2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991A gold mine of helpful material The Christian Century May 29 June 5 1991No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind

boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

Fellowship with God Deep in His Word William Mulder, 2007-05 Mulder examines the questions many have wondered about such as what are the spiritually deep truths that are seldom discussed and yet make a great difference in the strength of a believer's faith in the Creator's ultimate plans to bless the faithful through Jesus Christ as Savior The author also gives the evidence why Christians believe there is a God who really cares Christian

Jesus Christ Is God Joe Cienkowski, 2009-08-24 The book deals with the real historical factual person of Jesus Christ The book shows that not only was Jesus Christ a real figure in history but that He is also the true Lord God and Almighty Creator cloaked in flesh This book proves that the resurrection was a real event and real fact in history that can be objectively proven This will in turn prove the spiritual aspects of the Bible must be true such as the fact that He is the Lord and that our sins are forgiven for putting trust in this real Man Joe Cienkowski is a Christian man born in Philadelphia Pennsylvania who loves to teach about and share his Christian faith He grew up in the Roman Catholic faith but abandoned his faith in his 20's Joe is a passionate fundamental Christian who believes the Bible literally and historically and whose mission is to teach and preach the gospel of Jesus Christ God broke down the many strongholds that were in his life such as believing in evolution and believing in the Roman Catholic faith After time in prison for marijuana he came to understand that Jesus wasn't just some superhero but a real Man who lived performed miracles fulfilled prophecies and perform the greatest miracle ever the resurrection from the dead Although he has no diplomas from any college he is a self-made ready student of the Bible He has spent many years studying the Bible on his own and has put himself under the most sound teachers in the faith such as RC Sproul D James Kennedy Ravi Zacharias Hank Hanegraaff David Jeremiah Tony Evans and Kent Hovind to name a few Of course he credits the greatest teacher the Holy Spirit for teaching him the sound fundamentals of the faith

The Church School Journal ,1890 **Why Christianity—is it real, and what's the difference?** Michael Martz,2023-01-25 Michael Martz asks why so many people don't understand God think the Bible is too complicated and are convinced that being good is enough He challenges readers to take several steps back and reexamine what they believe to be true Consider questions such as What's the difference between Christianity and all other beliefs Do we have to choose between Christianity or science It is impossible to not have a religion do you approach it forward or backward Why is there no such a thing as an atheist What is salvation Who decides Why did the veil tear Can we fall from salvation Are all three OSAS views wrong Why are so many who call themselves Christian unsaved Could that be you What does the Bible say about homosexuality pornography and sin who does God hate What does scripture teach about universalism Water baptism Will Christians go through the tribulation What is the danger At the rapture are wicked taken first and righteous left behind Why do Jehovah's Witnesses and Mormons carry verses they do not read or think are corrupted This text strives to prove the reality and simplicity of the Bible that it is scientific but naturalism is not and that a real person lived and died for us long ago and returned from the dead A person who claimed to be God who now offers Himself for intimate communion with us So many people perceive God and Jesus and the Spirit as detached and distant Can we experience God personally
