**Is Religion Dangerous?** Keith Ward, 2011-03-29 Many commentators today claim that religion is dangerous and harmful In addressing this question Keith Ward begins by defining what religion actually is and how most human harm has been caused He then looks at why people say that religion is dangerous focusing particularly on religious wars and conflicts and on specific attacks on religion such as the claims that God is wrathful that religion is intolerant that religious morality is primitive and cruel Keith Ward argues that religion produces great good for example in terms of hospitals the abolition of slavery great art and music moral heroism and philosophy and science Religion he concludes is the best rational basis for morality Is Faith Delusion? Andrew Sims, 2009-05-09 How in a scientifically and technologically advanced age can people still believe in God Andrew Sims examines both the connection and the division between Christian faith and psychiatry

**Religion, Intolerance, and Conflict** Steve Clarke, Russell Powell, Julian Savulescu, 2013-05-30 The relationship between religion intolerance and conflict has been the subject of intense discussion particularly in the wake of the events of 9 11 and the ongoing threat of terrorism This book contains original papers written by some of the world s leading scholars in anthropology psychology philosophy and theology exploring the scientific and conceptual dimensions of religion and human conflict Authors investigate the following themes the role of religion in promoting social cohesion and the conditions under which it will tend to do so the role of religion in enabling and exacerbating conflict between different social groups and the conditions under which it will tend to do so and the policy responses that we may be able to develop to ameliorate violent conflict and the limits to compromise between different religions The book also contains two commentaries that distill synthesize and critically evaluate key aspects of the individual chapters and central themes that run throughout the volume The volume will be of great interest to all readers interested in the phenomenon of religious conflict and to academics across a variety of disciplines including religious studies philosophy psychology theology cognitive science anthropology politics international relations and evolutionary biology The European Court of Human Rights and the Freedom of Religion or Belief Jeroen Temperman, T. Jeremy Gunn, Malcolm D. Evans, 2019-01-04 As the tensions involving religion and society increase the European Court of Human Rights and the Freedom of Religion or Belief is the first systematic analysis of the first twenty five years of the European Court s religion jurisprudence The Court is one of the most significant institutions confronting the interactions among states religious groups minorities and dissenters In the 25 years since its first religion case Kokkinakis v Greece the Court has inserted itself squarely into the international human rights debate regarding the freedom of religion or belief The authors demonstrate the positive contributions and the significant flaws of the Court s jurisprudence involving religion society and secularism Towards A New Christian Political Realism Simon Polinder, 2024-07-24 Towards A New Christian Political Realism presents a new theoretical approach to understanding the role of religion in international relations considering the strengths of Christian realism classical realism and neorealism as

well as the literature about the relevance of religion for IR The book discusses the resurgence of religion and how it has become public in the world since around the 1960s It extensively describes the role religion plays in Hans Morgenthau's classical realism and Kenneth Waltz's neorealism and how both thinkers are indebted to an Augustinian way of thinking that has influenced political realism through Reinhold Niebuhr's Christian realism The book presents an alternative approach inspired by the Amsterdam School of Philosophy a new Christian political realism It incorporates the theological inspiration of political realism and the necessity of theorizing while doing justice to the relevance and manifold manifestations of religion in international relations This book will be of interest to scholars and higher level students of International Relations the Amsterdam School of Philosophy Classical Realism Neorealism Christian Realism and Religious Studies as well as practitioners working in the field of International Relations

**Religion, Supernaturalism, the Paranormal and Pseudoscience** Homayun Sidky, 2019-11-30 Religion Supernaturalism the Paranormal and Pseudoscience provides a comprehensive rejoinder to the challenges posed to science scientific anthropology evolutionary theory and rationality by the advocates of supernatural paranormal and pseudoscientific perspectives and modes of thought associated with the current rise of irrationalism antiintellectualism and emboldened religious fundamentalism and violence Drawing upon H Sidky's scientific anthropological background and ethnographic field research of supernatural and paranormal beliefs and practices in several cultures over three decades the book answers several important questions Why do humans have a proclivity for the supernatural and paranormal thinking Why has humanity remained shackled to sets of ideas inherited from a violent past that have no basis in reality and which bestow an illusionary solace promote bloodshed endless cruelties and fervent hatreds and have come at a high cost Why have ancient superstitions been held as sacred inviolate truths while other aspects of the archaic belief systems of which they were a part have long been discarded Why have not humans outgrown religion and paranormal beliefs

Transforming Bodies and Religions Mariecke van den Berg, Lieke Schrijvers, Jelle Wiering, Anne-Marie Korte, 2020-10-01 This book sheds an interdisciplinary light on transforming bodies bodies that have been subjected to contributed to or have resisted social transformations within religious or secular contexts in contemporary Europe It explores the intersections of race ethnicity gender sexuality and religion that underpin embodied transformations Using post secularist postcolonial and gender queer perspectives it aims to gain a better understanding of the orchestrations and effects of larger social transitions related to religion This volume is the outcome of the intensive collaboration of the authors who for years have been meeting regularly in Utrecht the Netherlands to discuss themes related to religion and the challenge of difference with an added afterword by Prof Pamela Klassen from the University of Toronto The book is divided in three subsections that focus on particular types of embodiment body politics in governmental and NGO organisations the role of the body in literary and or autobiographical narratives and ethnographic case studies of bodies in daily life Doing so it provides an innovative exploration of contemporary religion and the body It will therefore be of great interest to scholars of

Justice Not Silence Ezra Chitando, Sophia Chirongoma, 2013-09-01 The editors of this volume highlight the fact that although the Church often stands up for other public issues such as human rights democratic political rights economic justice etc sexual and gender based violence do not receive the attention they deserve There are no theological or cultural arguments that can justify such a position Sexual and gender based violence are a scourge that defies our Christian understanding of human dignity and challenges the Church in all its formations to respond Although most of the case studies are from Zimbabwe they challenge us regardless of which country we are living in or the tradition of our specific denomination In the context of Southern Africa where the HIV and AIDS burden is among the highest in the world sexual and gender based violence are a major contributor to the spread of the disease This will only change if the Church challenges this practice as part of its educational and public work in theological institutions in congregations but also in its pastoral work within families

Why? Sharon Dirckx, 2013-01-18 Suffering and tragedy can cause us all to ask Why Why do bad things happen If God exists why doesn't he do something Why am I being singled out Of all the hurdles to faith surely suffering must be the greatest It tears lives apart and raises questions for us all But when we ask why to whom are we addressing our question Where do the most satisfying answers come from Does it matter Sharon Dirckx unpacks our questions sensitively and wisely weaving her arguments with real life stories of anguish and pain She concludes I would like to show you that even though we don't understand everything it is still possible to believe in a powerful loving God and acknowledge the reality of evil and suffering Not only that but seeing life from this perspective helps us make more not less sense of our hurting world While we may never have all the answers it does not mean that there are no answers at all

**Faith in the Age of Science** Mark Silversides, 2012-02-29 This book carefully examines the claims made by the followers and promoters of both atheism and religion in a rational and engaging way

Faith in the Public Realm Adam Dinham, Robert Furbey, Vivien Lowndes, 2009-01-28 Faith and religion is a hot topic at the moment and this text explores key issues for faith and religious groups Understanding the role of faith in the policy world is of increasing importance and chapters are arranged around themes which helps students understand the concepts

The Wrath of God Satisfied? Tom Stuckey, 2012-08-22 What do Robben Island Colonel Gaddafi the earthquake in Haiti the riots in London credit crunch child abuse and the death of Christ have in common They are all linked by the common thread of violence Tom Stuckey reexamines the traditional theories of atonement which he argues are contextual and utilitarian as he searches for meaning and hope in these contemporary events In The Wrath of God Satisfied Tom Stuckey argues that because we live in a violent world we should not dismiss the idea of the wrath of God or the disturbing metaphors of blood debt satisfaction and sacrifice While not subscribing to the theory of penal substitution he does not dismiss it Within a dynamic interpretation of the Trinity the author draws on the insights of Athanasius Anselm Abelard Luther Calvin Julian Girard Augustine Barth and contemporary theologians to show how divine

wrath being satisfied poses the question of God in its most acute form Stuckey sees God's wrath as a necessary shadow cast by the powerful light of hope and argues that wrath cannot be dismissed if justice is to be restored

**Tocqueville, Democracy, and Religion** Alan S. Kahan, 2015-08-06 The relationship between democracy and religion is as important today as it was in Alexis de Tocqueville's time Tocqueville Democracy and Religion is a ground breaking study of the views of the greatest theorist of democracy writing about one of today's most crucial problems Alan S Kahan one of today's foremost Tocqueville scholars shows how Tocqueville's analysis of religion is simultaneously deeply rooted in his thoughts on nineteenth century France and America and pertinent to us today Tocqueville thought that the role of religion was to provide checks and balances for democracy in the spiritual realm just as secular forces should provide them in the political realm He believed that in the long run secular checks and balances were dependent on the success of spiritual ones Kahan examines how Tocqueville thought religion had succeeded in checking and balancing democracy in America and failed in France as well as observing Tocqueville's less well known analyses of religion in Ireland and England and his perspective on Islam and Hinduism He shows how Tocqueville's post secular account of religion can help us come to terms with religion today More than a study of Tocqueville on religion in democratic society this volume offers us a re interpretation of Tocqueville as a moralist and a student of human nature in democratic society a thinker whose new political science was in the service of a new moral science aimed at encouraging democratic people to attain greatness as human beings Tocqueville Democracy and Religion gives us a new Tocqueville for the twenty first century

**Why Politics Needs Religion** Brendan Sweetman, 2010-07-17 Can religion and politics mix Many voices reply No way Yet in this provocative and timely book Brendan Sweetman argues against this charge and the various sophisticated arguments that support it As we witness the clash of religious and secular worldviews he claims that our pluralistic democratic society will be best served when the faith elements of secularism are acknowledged and the rational elements of religious arguments are allowed to inform the momentous debates taking place in the public square In fact Sweetman contends that politics needs religion if it is to be truly democratic concerned with fairness among worldviews equality and a vigorous public discussion

**God and the Philosophers** Keith Ward, This timely new book from renowned theologian and philosopher Keith Ward tells us what Western philosophy's greatest thinkers from Plato and Aquinas to Kant and Hegel thought about questions such as the existence of God the nature of reality and humanity meaning value and purpose Far from being the enemy of religion philosophy has more often than not supported a non materialist view of the universe argues Ward This book will be seen as both a brilliant armchair philosophers primer on the history of religious thought
