## **Islands In Transition The Past Present And Future Of Hawaii's Economy:**

**Islands in Transition** Thomas Kemper Hitch, 1992-01-01 Why has Hawaii from the times of Polynesian antiquity to the present enjoyed the highest material standard of living in Oceania How did changes in the social structure of pre Cook Hawaii affect that standard What happened to the islands economy as western dominance took place as land ownership was created as technology was imported as plantation workers immigrated as World War II broke the social mold of the islands These are some of the basic questions raised by Thomas Hitch in *Islands in Transition* the first book length economic history of Hawaii to be printed in a generation The book is divided into two sections The first *From the Record* traces the development of Hawaii's economy from the moneyless sharing tribute and barter system of the native culture to a plantation economy controlled from Honolulu and dominated by the Big Five In the second section *As I Saw it* Dr Hitch describes the further development of Hawaii into a high tech service economy heavily based on tourism and military expenditures increasingly involved in the multi national global economy He appraises the recent past and projects the future from the vantage point of his long career at Honolulu business community first as director of research for the Hawaii Employers Council and then as Senior Vice President for Research at First Hawaiian Bank until his death in August 1989 This volume is written for the general reader but appendices address questions of particular interest to economists and business analysts These include measuring the cost of living in Hawaii estimating the growth rate of the state economy and appraising its sensitivity to the national business cycle

**Hawai'i** Sumner La Croix, 2024-05-31 Relative to the other habited places on our planet Hawai'i has a very short history The Hawaiian archipelago was the last major land area on the planet to be settled with Polynesians making the long voyage just under a millennium ago Our understanding of the social political and economic changes that have unfolded since has been limited until recently by how little we knew about the first five centuries of settlement Building on new archaeological and historical research Sumner La Croix assembles here the economic history of Hawai'i from the first Polynesian settlements in 1200 through US colonization the formation of statehood and to the present day He shows how the political and economic institutions that emerged and evolved in Hawai'i during its three centuries of global isolation allowed an economically and culturally rich society to emerge flourish and ultimately survive annexation and colonization by the United States The story of a small open economy struggling to adapt its institutions to changes in the global economy Hawai'i offers broadly instructive conclusions about economic evolution and development political institutions and native Hawaiian rights

*Developing a Dream Destination* James Mak, 2008-03-06 *Developing a Dream Destination* is an interpretive history of tourism and tourism policy development in Hawai'i from the 1960s to the twenty first century Part 1 looks at the many changes in tourism since statehood 1959 and tourism's imprint on Hawai'i Part 2 reviews the development of public policy toward tourism beginning with a story of the planning process that started around 1970 a full decade before the first comprehensive State Tourism Plan was crafted and implemented It also examines state

government policies and actions taken relative to the taxation of tourism tourism promotion convention center development and financing the environment Honolulu County s efforts to improve Waikiki and how the Neighbor Islands have coped with explosive tourism growth Along the way author James Mak offers interpretations of what has worked what has not and why He concludes with a chapter on the lessons learned while developing a dream destination over the past half century **How to Demolish Racism** Michael Haas,2016-10-07 This book describes racist rule in Hawai i during the first half of the twentieth century and how statehood made possible a fundamental transformation Based on a multicultural ethos top political power shifted from Whites to Japanese and later to other racial groups Racism was eliminated in the economy environmental policies were modified government operations became more multicultural and the desires of Native Hawaiians to recover what had been lost from the days of the Kingdom of Hawai i were placed on legal and political agendas Even before statehood Hawai i s example of school integration gave birth to the movement resulting in *Brown v Board of Education* Afterward the Aloha State was the first to adopt many reforms unrestricted abortion universal health care insurance an Equal Rights Amendment a State Ombudsman neighborhood boards classifying Whites as a minority in affirmative action banning strip searches of females and dozens of other innovative reforms that have been adopted elsewhere Hawai i remains the only state that is officially bilingual has required mediation before foreclosures celebrates an Islam Day prohibits discrimination based on credit history and breastfeeding bans smoking until the age of 21 disallows plastic bags has declared an end to the use of fossil fuels by 2045 and has adopted many other measures that lead the world This book explains how developments in the Aloha State which have provided leadership to the United States may be copied elsewhere primarily based on the technique of reverse cultural engineering which is the unrecognized basis for legal systems around the world *Native Hawaiian Housing and Home Lands* United States. Congress. Senate. Committee on Indian Affairs (1993- ),1996 *Self-Referentiality of Cognition and (De)Formation of Ethnic Boundaries* Oleg Pakhomov,2017-07-21 This book develops a new approach towards the formation of the ethnic boundary as a complex interrelation between cognitive operations and ethnic national boundaries formation process Korean diaspora in China Russia the United States and Japan illustrate how this process correlates with the nationalism of the host societies highlighting the differences and similarities It covers a wide range of topics from politics and economics to arts mass culture and psychology from comparative and interdisciplinary perspectives at the same time avoiding eclectic combinations of different spheres of knowledge This book challenges interactionist and post modernist paradigms that dominate today s social science and facilitates dialogue between social and natural scientists especially cognitive studies to promote more complex and still systematic approach towards society It combines in depth research comparative perspectives and theoretical thoroughness It appeals to anyone interested in history culture economic and other aspects of Korean migration the general theory and practice of migration East Asian studies Asian American studies Russian studies and studies on social complexity and

**The Purposes of Paradise** Christine Skwiot,2011-06-06 For half a century the United States has treated Cuba and Hawai i as polar opposites despised nation and beloved state But for more than a century before the Cuban revolution and Hawaiian statehood of 1959 Cuba and Hawai i figured as twin objects of U S imperial desire and as possessions whose tropical island locales might support all manner of fantasy fulfillment cultural financial and geopolitical Using travel and tourism as sites where the pleasures of imperialism met the politics of empire Christine Skwiot untangles the histories of Cuba and Hawai i as integral parts of the Union and keys to U S global power as occupied territories with violent pasts and as fantasy islands ripe with seduction and reward Grounded in a wide array of primary materials that range from government sources and tourist industry records to promotional items and travel narratives The Purposes of Paradise explores the ways travel and tourism shaped U S imperialism in Cuba and Hawai i More broadly Skwiot s comparative approach underscores continuity as well as change in U S imperial thought and practice across the nineteenth and twentieth centuries and across the Atlantic and Pacific oceans Comparing the relationships of Cuba and Hawai i with the United States Skwiot argues offers a way to revisit assumptions about formal versus informal empire territorial versus commercial imperialism and direct versus indirect rule

**Barack Obama, The Aloha Zen President** Michael Haas,2011-01-19 With a foreword written by former presidential candidate Michael Dukakis this book portrays President Barack Obama as a true child of Hawai i and explains why he believes that America can achieve even more greatness by learning from the multicultural customs of the 50th state Obama s aspiration to transform the United States using Hawai i as his model has been a conspicuous theme in his books and speeches over the years In them he extols Hawai i s multicultural ethos describing how a normative problem solving mindset predicated on mutual respect and harmonious interchange is inculcated in the culture politics and society of the Islands Indeed this Aloha Spirit is imbued in Barack Obama is part of what made him irresistibly charismatic as a candidate and explains why voters in 2010 were baffled at his demeanor after he became the 44th President of the United States This unique book examines Obama s decisions as an adult and as president and exposes how they are directly linked to the culture of Hawai i and Obama s multicultural life as a child The author and contributors also describe the ways in which native Hawaiians were dispossessed of their sovereignty and their land how they steadfastly sought justice and how their quest served as a model for Obama s mobilization of support for his candidacy     The World in the Curl Peter Westwick,Peter Neushul,2013-07-23 A definitive and highly readable history of surfing and the cultural political economic and environmental consequences of its evolution from a sport of Hawaiian kings and queens to a billion dollar worldwide industry Despite its

rebellious outlaw reputation or perhaps because of it surfing occupies a central place in the American and global imagination embodying the tension between romantic counterculture ideals and middle class values between an individualistic communion with nature and a growing commitment to commerce and technology In examining the enduring widespread appeal of surfing in both myth and reality *The World in the Curl* offers a fresh angle on the remarkable rise of the sport and its influence on modern life Drawing on Peter Westwick and Peter Neushul s expertise as historians of science and technology the environment and the Cold War as well as decades of experience as surfers themselves *The World in the Curl* brings alive the colorful history of surfing by drawing readers into the forces that fueled the sport s expansion colonialism the military industrial complex globalization capitalism environmental engineering and race and gender roles In an engaging and provocative narrative history from the spread of surfing to the United States to the development of surf culture to the reintroduction of women into the sport to big wave frontiers the authors draw an indelible portrait of surfing and surfers as actors on the global stage

**Completing the Union** John S. Whitehead,2004 The story of the thirteen year effort to add the 49th and 50th states to the Union *From South Texas to the Nation* John Weber,2015-08-25 In the early years of the twentieth century newcomer farmers and migrant Mexicans forged a new world in South Texas In just a decade this vast region previously considered too isolated and desolate for large scale agriculture became one of the United States most lucrative farming regions and one of its worst places to work By encouraging mass migration from Mexico paying low wages selectively enforcing immigration restrictions toppling older political arrangements and periodically immobilizing the workforce growers created a system of labor controls unique in its levels of exploitation Ethnic Mexican residents of South Texas fought back by organizing and by leaving migrating to destinations around the United States where employers eagerly hired them and continued to exploit them In *From South Texas to the Nation* John Weber reinterprets the United States record on human and labor rights This important book illuminates the way in which South Texas pioneered the low wage insecure migration dependent labor system on which so many industries continue to depend

**Presstime in Paradise** George Chaplin,1998-02-01 Since it first rolled off the presses in 1856 *The Honolulu Advertiser* has been an important force in reporting and shaping the news of Honolulu and secondarily the Hawaiian Islands Established as *The Pacific Commercial Advertiser* a four page weekly it was the first enduring non government owned or subsidized newspaper published in the Hawaiian Kingdom Under its first owner the son of New England missionaries the *Advertiser* became the most successful commercial English language newspaper in the Islands The paper became a daily in 1882 and in 1921 changed its name to *The Honolulu Advertiser* Now owned by Gannett Company Inc the *Advertiser* is one of the oldest newspapers still operating west of the Rockies George Chaplin editor in chief of the *Advertiser* from 1959 to 1986 has written a colorful and entertaining insider s account of nearly a century and a half of *Advertiser* history He covers the legion of personalities that has worked for the *Advertiser* over the years owners from its first Island owner Henry Whitney to its last the Thurston Twigg

Richard Lightner, 2004-08-30 Hawaii has been referred to as the crossroads of the Pacific. This book illustrates how many world cultures and customs meet in the Hawaiian Islands providing a chronological overview highlighted by extracts from important works that express Hawaii's unique history. This work starts with chronological chapters on general and ancient Hawaiian history and continues through early Western contact, the 19th century, and Hawaii's annexation to the United States. Topics include politics, religion, social issues, business, ethnic groups, and race relations.

Okiihiro,2005-03-30 Offering a rich and insightful road map of Asian American history as it has evolved over more than 200 years this book marks the first systematic attempt to take stock of this field of study It examines comments and questions the changing assumptions and contexts underlying the experiences and contributions of an incredibly diverse population of Americans Arriving and settling in this nation as early as the 1790s with American born generations stretching back more than a century Asian Americans have become an integral part of the American experience this cleverly organized book marks the trajectory of that journey offering researchers invaluable information and interpretation Part 1 offers a synoptic narrative history a chronology and a set of periodizations that reflect different ways of constructing the Asian American past Part 2 presents lucid discussions of historical debates such as interpreting the anti Chinese movement of the late 1800s and the

underlying causes of Japanese American internment during World War II and such emerging themes as transnationalism and women and gender issues Part 3 contains a historiographical essay and a wide ranging compilation of book film and electronic resources for further study of core themes and groups including Chinese Japanese Filipino Hmong Indian Korean Vietnamese and others

**Connecting Seas and Connected Ocean Rims**, 2011-04-11 Long distance migration of peoples have been a central if little understood factor in global integration The essays in this collection contribute to a new history of world migrations written by specialists of particular areas of the world Collectively these essays point towards a shift from the regional migrations of individual seas and oceans of the early modern era toward nineteenth century labor migrations that connected the Pacific and Indian to the Atlantic Oceans Detailed case studies demonstrate the importance of human migration in the development consolidation and critique of empire building theories of race modern capitalism and large scale commercial agriculture and industry on every continent
