Israel II Beyond The Basics Israel Basics Book :

Israel II Miss K J Frolander, 2014-05-14 God chose Israel as a prototype to demonstrate to the world His character when He is engaging with not just individuals but with a whole nation Israel is a real life object lesson as well as the Beloved Chosen People If we don't understand Israel we don't fully understand the Bible This book digs into this grand unfolding plan of a living God who is active in the lives of Gentiles and Jews individuals and nations by providing an understanding of how we came to our modern secular worldview studying God's intention in communication with the Hebrew language the underlying philosophy that led to the Holocaust and uncovering little known stories of how God worked in the lives of the Jews throughout history

The People, the Land, and the Future of Israel Darrell L. Bock, 2014-09-10 What does the Bible teach about the role of the Jewish people and the nation of Israel today What is God's plan for the future of Israel and the neighboring countries How can believers in Jesus be part of God's peace process in the Middle East The People the Land and the Future of Israel walks through the Bible's account of the role of Israel and the Jewish people both now and in the future Each contributor offers a profound insight into God's unfolding plan and purpose for the nation of Israel as the Scripture depicts them Readers will gain a deeper understanding of both current and future events in the Middle East as described in both the Hebrew Scriptures and the New Testament Features an extensive foreword by best selling author Joel Rosenberg who addresses the question Will there ever be peace for Israel and her neighbors Each chapter includes a scannable QR code that links to a short video introduction by the author of that chapter introducing its topic Discussion questions in each chapter aid book group and classroom discussion

Review Essays in Israel Studies Laura Zittrain Eisenberg, Neil Caplan, 2000-01-06 Introduces the cutting edge issues and current scholarship in the interdisciplinary field of Israel Studies

A Basic Survey of the Old and New Testaments Daniel Cameron, 2011-03-11 Want to get a good idea about what's going on in the Bible but time have time to read long survey books about it Here is a short easy to read book that will do just that

Israel's Prophets and Israel's Past Brad E. Kelle, Megan Bishop Moore, 2006-11-01 This volume is an inquiry into the complex relationship of the prophetic texts and Israelite history Taken as a whole the book provides a round table discussion that examines the thesis that the study of prophetic literature i.e. Isaiah Jeremiah Ezekiel and the Twelve and the history of Israel are best undertaken in interaction with one another This topic appropriately honors John Hayes's long standing scholarly contributions in prophetic interpretation and historical research as well as his interest in the possibilities of the intersection of these two areas The volume also promises to contribute to the body of knowledge about prophets and Israel's past in general by affording twenty four historians and prophetic scholars the opportunity to explore their areas of interest in fresh ways while in dialogue with a central thesis All twenty four contributors have engaged John's ideas about prophets and or history as students colleagues or in their research and publications Thus the question of what impact the fields of prophetic research and Israelite history can and should have on one another unites the articles The book's individual

parts however are contributions of historians and prophetic scholars who enter the discussion from their own perspectives and examine the possibilities and problems of the intersection of these two topics The articles from historians will focus on questions about the usefulness of prophetic texts for reconstructing Israel's history and will also branch out and address topics such as the social location of the prophets and the benefits of other ancient texts as well as archaeology to understanding the prophets Scholars coming from the prophetic side will offer different perspectives on prophetic identity experience and rhetoric and their possible correlations with historical contexts These articles will engage broad issues such as how history may form the context of prophets thought to quote contributor J Gordon McConville and will explore specific texts and issues drawn from Isaiah Jeremiah Ezekiel Hosea Amos Zechariah along with Daniel and Deuteronomy *Israeli Foreign Policy since the End of the Cold War* Amnon Aran, 2020-12-17 This is the first study of Israeli foreign policy towards the Middle East and selected world powers including China India the European Union and the United States since the end of the Cold War It provides an integrated account of these foreign policy spheres and serves as an essential historical context for the domestic political scene during these pivotal decades The book demonstrates how foreign policy is shaped by domestic factors which are represented as three concentric circles of decision makers the security network and Israeli national identity Told from this perspective Amnon Aran highlights the contributions of the central individuals societal actors domestic institutions and political parties that have informed and shaped Israeli foreign policy decisions implementation and outcomes Aran demonstrates that Israel has pursued three foreign policy stances since the end of the Cold War entrenchment engagement and unilateralism and explains why **Plurality and Citizenship in Israel** Dan Avnon, Yotam Benziman, 2009-12-17 This book focuses on the Jewish Palestinian conflict within the state of Israel and the general issue of the role played by modern states in either mitigating majority minority conflict or exacerbating it A comparative study the chapters that concentrate on theoretical models and comparable historical legal or political patterns of development

Projecting the Nation Eran Kaplan, 2020-05-15 Projecting the Nation History and Ideology on the Israeli Screen is a wide ranging history of over seven decades of Israeli cinema The only book in English to offer this type of historical scope was Ella Shohat's *Israeli Cinema East West and the Politics of Representation* from 1989 Since 1989 however Israeli cinema and Israeli society have undergone some crucial transformations and moreover Shohat's book offered a single framework through which to judge Israeli cinema a critique of orientalism Projecting the Nation contends that Israeli cinema offers much richer historical and ideological perspectives that expose the complexity of the Israeli project By analyzing Israeli films which address such issues as the Arab Israeli conflict the Ashkenazi Mizrahi divide the kibbutz and urban life the rise of religion in Israeli public life and more the book explores the way cinema has represented and also shaped our understanding of the history of modern Israel as it evolved from a collectivist society to a society where individualism and adherence to local identities is the dominant ideology Basic Bible Foundations Minnie Knox Plummer, 2006-01-10 Now is the time that

everyone becomes Bible literate Now is the time that we become prosperous and successful We do this by going back to our basic and build a foundation in Gods word We build this foundation by studying the thirty nine books of the Old Testament which provides the foundation for the whole Bible In order to be prosperous and successful Joshua 1 S tells us This Book of the Law shall not depart from your mouth but you shall meditate in it day and night that you may observe to do according to all that is written in it For then you will make your way prosperous and then you will have good success We must know what is revealed to move to what is fulfilled This textbook and study guide will assist students in becoming literate in Old Testament scriptures and assist students in understanding Old Testaments Mets and events in a continued sequence The textbook and study guide has 57 lessons with questions and focus verses after each lesson There are Literary Charts and maps of the various important events and answers to all lesson questions are located at the end of the book The Textbook and Study guide are designed to be used to assist an individual a small Bible study group a Bible School a Sunday School class a large or small private or Parochial school class and a Beginning class of Testament 1 01 in college or Seminary

Judaism: The Basics Jacob Neusner,2006-11-22 Accessible and wide ranging this text is a must have resource covering the stories beliefs and expressions of Judaism the oldest of the world s major faiths [Israel's National Security](#) Efraim Inbar,2007-12-21 This book brings together a collection of essays that covers the main national security issues Israel has faced since 1973 [Perspectives on Israeli Anthropology](#) Esther Hertzog,2010 Surveys past and present research on Israeli anthropology for students and researchers While Israel is a small country it has a diverse and continually changing society As a result since the 1960s Israeli anthropology has been a fertile ground for researchers This collection introduces readers to the diverse field of social anthropology in Israel today pointing to both its rich history and promising future Drawing upon recent research as well as a few key older articles editors Esther Hertzog Orit Abuhav Harvey E Goldberg and Emanuel Marx have selected contributors that highlight different theoretical perspectives and touch on a variety of relevant topics Perspectives on Israeli Anthropology begins with an introduction that traces the development of social anthropology in Israel from its beginnings in Palestine prior to Israeli statehood to the present The essays in this volume are divided into five major thematic sections including the effects of immigration the influence of bureaucracies in social life the negotiation of the social order tensions between Jewish Israelis and Palestinian Arabs and notions of Israeliness and Jewishness Essays offer compelling research and a variety of perspectives on changing senses of identity ethnicity religiosity and gender relations in a society deeply affected by war violence and dispossession While the contributors in this volume adhere to various theoretical and ethnographic traditions they all treat Israel as a complex modern and open society with much to offer other scholars Perspectives on Israeli Anthropology will provide an illuminating overview of the discipline for students teachers and researchers in the field of social anthropology

The Crisis of Israel's Democracy, 1948-2025 Ilan Peleg,Ruth Amir,2025-07-10 The Crisis of Israel s Democracy 1948 2025 Origins Developments and Consequences focuses on Israeli

democracy its deep historical origins development over seven decades long term consequences and possible resolutions While most commentaries on Israel s crisis focus on the proposals for judicial reform by the Netanyahu government this study focuses on what it identifies as the fundamental problems of the Israeli regime its ethnonational rather than liberal democratic form its lack of a written constitution undermines the country s deeply divided society the greatly dysfunctional relations between the secular majority and the sizeable Orthodox minority and above all the seemingly permanent occupation of the Palestinian inhabited West Bank Peleg and Amir offer a broad perspective on these causes covering the historical failures of the country s founders an analysis of Israel s constitutional order and regime type commentary on sociopolitical cleavages and the dominant social psychology of Israelis and analysis of the charismatic populism of longtime Israeli prime minister Benjamin Netanyahu The volume concludes with analyzing future scenarios and possible solutions for Israel s democratic crisis The Crisis of Israel s Democracy offers the most comprehensive analysis of Israel s democratic backsliding to date comparing it to similar worldwide processes

The Psalms in Israel's Worship Sigmund Mowinckel, 2004 One of the most important contributions to our understanding of the psalms *The Psalms in Israel's Worship* by Sigmund Mowinckel has largely provided the framework and suppositions of modern Psalms study Fully revised from the original Norwegian edition and now featuring a substantial new foreword by James Crenshaw this classic work two volumes in one argues that the psalms originated in actual temple worship and were used regularly to add drama to Israel's adoration of Yahweh Throughout this fascinating work Mowinckel carefully explores the relationship of the various psalm types to the congregation's devotional life including hymns of praise from Israel's national festivals psalms of lamentation and penitence and personal or private psalms of thanksgiving Other topics include the psalms relationship to prophecy and wisdom their composition and collection their style and performance and the technical terminology involved in Psalms study Praise for *The Psalms in Israel's Worship* bWe must be very grateful to Mowinckel and all who have helped him to make available this standard work in psalms research to a larger audience b *Journal of Biblical Literature* bA mere review must fail to do justice to this book's awesome learning and insight b *Catholic Biblical Quarterly* bBeyond any doubt whatever this book represents thorough scholarship and has to be taken into consideration by any teacher of the Old Testament b *Princeton Seminary Bulletin*

Basic Guide to the Old Testament, A Ska, Jean-Louis, 2019 A simple tool for a first reading of the Bible that answers the first questions that are posed by the reader who has little familiarity with the Bible and helps with the critical reading of the Bible i e to maintain the right distance to avoid the problems that arise when the text is taken literally

The Arab-Israeli Accords: Legal Perspectives Eugene Cotran, Chibli Mallat, 2023-12-11 This book brings together for the first time independent and highly respected lawyers and jurists from both sides of this century old conflict to identify and assess areas of common interest As violence diminishes in favour of negotiation and compromise all issues covered by the ongoing discussions will be determined by emerging rule of law The book contains original contributions from an experienced team of

Palestinian and Israeli lawyers and scholars in the field and covers a range of strategic issues including history and law key international treaties the domestic dimensions of the peace process water arrangements economic issues and the legal institutions which are being created and must adapt to the new scene An important feature of the book is that it succeeds in showing that the traditional opposition of Israeli and Arab views may be giving way to a common informed reflection on modes of coexistence primarily determined by law Contributors include Raja Shehadeh Ruth Gavison Eyal Benvenisti Eugene Cotran David Kretzmer Anis Al Qasem Celia Fassberg Sharif Elmusa Mahmud El Jaafari Eran Feitelson Ruth Levush and Mona Rishmawi *Liberalization and Culture in Contemporary Israel* Ari Ofengenden, 2018-09-15 In this book Ari Ofengenden examines the ways that Israel's integration into global economy has affected its mainstream culture Ofengenden uses works of Israeli film literature and television from the past 30 years to conceptualize the changes in Israel's culture He analyzes the central phenomena associated with Israel's integration into the global economy including the demise of realism and the rise of commercial culture the production of film television and novels for western audiences and the critiques of capitalism in media Ofengenden also explores the refiguring national identity through critique of masculinity The book also discusses the effect globalization and marketization has had on modern narratives of the Arab Israeli conflict

Politics and Government in Israel, Fourth Edition Gregory S. Mahler, Reuven Y. Hazan, 2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history authors Gregory S. Mahler and Reuven Y. Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel's foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise *Politics and Government in Israel* provides an invaluable starting point for all readers needing a cogent introduction to Israel today *The Globalization of Israel* Uri Ram, 2013-10-18 This book focuses on how globalization is impacting contemporary Israel It is a concise and originally argued introduction to Israel but the author Uri Ram is careful to frame his analysis in a broader discussion of Israeli history and broader social currents Focusing in particular on two defining and conflicting contemporary trends one toward advanced liberal democracy with a cosmopolitan edge and the other toward ethno religious traditionalism and rejection of the secularism associated with market driven globalization The cosmopolitan high tech driven city of Tel Aviv represents the former trend and Jerusalem a city increasingly dominated by orthodox Jews represents the latter Using Benjamin Barber's Jihad versus McWorld thesis to good effect Ram's book will stand as an ideal introduction to contemporary Israel and its place in the world **Struggling Over Israel's Soul** Elazar Stern, 2012 In all the command positions that he

held General Elazar Stern knew that the role of the Israel Defense Forces was not limited solely to achieving victory on the battlefield. Many of the tasks that he undertook in over three decades of service to his country required moral courage whether it was initiating conversion courses in the IDF laying down a hard line against disobeying orders during the evacuation of Gush Katif or taking a stand against draft dodgers and Stern was well aware that public courage has its price. In *Struggling Over Israel's Soul* General Stern tells the story of his personal battles the battles for the character and future of the IDF as the army of the people and for the character and future of Israel as a Jewish and democratic state. He candidly describes the challenges and difficulties of being a religious soldier in a unit of non religious soldiers yet he openly opposes the continued service of religious soldiers in separate units. He explains why he was required to rewrite the IDF's ethical code and reveals his revolutionary plan to solve the problem of ultra Orthodox army exemptions. This honest and frank insider's look at the Israel Defense Forces will inspire you and show you a glimpse of the true face of Israel and why Israel is worth fighting for.
