Israel The Diaspora And Jewish Identity:

Israel, the Diaspora, and Jewish Identity Danny Ben-Moshe, Zohar Segev, 2007 This title investigates the significance contribution and role played by the State of Israel ideologically and practically and explores the extent and way Israel features in diaspora identity through a range of issues

Israel, the Diaspora, and Jewish Identity Danny Ben-Moshe, Zohar Segev, 2007 This title investigates the significance contribution and role played by the State of Israel ideologically and practically and explores the extent and way Israel features in diaspora identity through a range of issues

Israel and the Diaspora: Jewish Connectivity in a Changing World Robert A. Kenedy, Uzi Rebhun, Carl S. Ehrlich, 2022-05-03 This collected volume is based on the proceedings of a symposium held in 2018 at York University Canada which was held to commemorate the 70th anniversary of Israel This symposium highlighted contemporary Jewish identity Israel Diaspora relations and how Jewish life has been transformed in light of various types of antisemitism The book considers the diasporic Jewish experiences through examining the intersections between various Jewish communities sociologically historically and geographically The text covers world Jewry in general and each of the diaspora and Israeli Jewries more specifically in the context of mutual responsibility but also focuses on areas of tension concerning values and political matters The challenges of antisemitism racism and nationalism are explored in terms of the relationship of the Jewish diasporas to their host countries This text also covers antisemitism which may take the form of traditional antisemitism or of the new antisemitism in the era of anti Israel activity related to the Boycott Divestment and Sanctions movement The latter movement is especially prevalent on university campuses and has an impact on students faculty and staff This volume is unique in its international perspective in examining issues of Jewish identity Israel diaspora relations and antisemitism and will appeal to students and researchers working in the field

Jewish Identity and Palestinian Rights David Landy, 2011 Diaspora Jews are increasingly likely to criticise Israel and support Palestinian rights In the USA Europe and elsewhere Jewish organisations have sprung up to oppose Israel s treatment of Palestinians facing harsh criticism from fellow Jews for their actions Why and how has this movement come about What does it mean for Palestinians and for diaspora Jews Jewish Identity and Palestinian Rights is a groundbreaking study of this vital and growing worldwide social movement examining in depth how it challenges traditional diasporic Jewish representations of itself It looks at why people join this movement and how they relate to the Palestinians and their struggle asking searching questions about transnational solidarity movements This book makes an important contribution to Israel Palestine and Jewish studies and responds to urgent questions in social movement theory

The Israeli Diaspora Steven J. Gold, 2005-06-29 In this fascinating study based on extensive field work in the major Israeli communities of New York Los Angeles London Paris and Sydney Steven J Gold looks at their reasons for leaving existing links abroad political and economic dissatisfaction at home and in the case of the Sephardim or Israelis of non European origin often a feeling of being treated as second class citizens the tensions

compromises and satisfactions involved in their relations with Israelis who have not left and with the Jewish and non Jewish communities in the countries in which they settle In a final chapter he talks to those who after years as emigrants have made the decision to return The end result is a major contribution to the study not just of the Israeli diaspora but also to our wider understanding of migration and transnational identity Winner of the 2003 Thomas and Znaniecki Award American Sociological Association International Migration Section

Jewish Survival Ernest Krausz, Gitta Tulea, These essays address Jewish identity Jewish survival and Jewish continuity The authors account for and analyze trends in Jewish identification and the reciprocal effects of the relationship between the Diaspora and Israel at the end of the twentieth century Jewish identification in contemporary society is a complex phenomenon Since the emancipation of Jews in Europe and the major historic events of the Holocaust and the establishment of the State of Israel there have been substantial changes in the collective Jewish identity As a result Jewish identity and the Jewish process of identification had to confront the new realities of an open society its economic globalization and the impacts of cultural pluralism The trends in Jewish identification are toward fewer and weaker points of attachment fewer Jews who hold religious beliefs with such beliefs held less strongly less religious ritual observance attachment to Zionism and Israel becoming diluted and ethnic communal bonds weakening Jews are also more involved in the wider society in the Diaspora due to fewer barriers and less overt anti-Semitism This opens up possibilities for cultural integration and assimilation In Israel too there are signs of greater interest in the modern world culture The major questions addressed by this volume is whether Jewish civilization will continue to provide the basic social framework and values that will lead Jews into the twenty first century and ensure their survival as a specific social entity The book contains special contributions by Professor Julius Gould and Professor Irving Louis Horowitz and chapters on Sociological Analysis of Jewish Identity Jewish Community Boundaries and Factual Accounts from the Diaspora and Israel

Israeli Identity in Transition Anita Shapira, 2004-10-30 The last 15 years have witnessed deep changes in Israeli society The naive solidarity of the early years of statehood has given way to more sophisticated approaches and the atmosphere of the 1990s was conducive towards critique and open discussion It was the age of the Oslo Accords of the large wave of immigrants from the Former Soviet Union economic growth and prosperity and a concurrent feeling of security and well being Israel was fast becoming a postcapitalist society a junior member of the global village This newly acquired self assurance led to openness towards unorthodox views on basic questions of Israeli identity The new mood found expression in the cultural climate and in the public debates The Zionist narrative in relation to the Palestinians the early troubled absorption of immigrants from Islamic countries the discrimination against the Arab Israeli minority the delay in the 1950s in incorporating the memory of the Holocaust into collective memory the Zionist attitude towards the Jewish Diaspora all these were issues on the cultural and intellectual agenda subjects of heated controversies This book attempts to come to grips with these themes The complex texture of Israeli society is drawn here by a number of hands presenting up to date

approaches as viewed by experts **Israelis and Jews** Simon N. Herman, 1971 Gift of Rabbi W Gunther Plaut

Obligation in Exile Ilan Zvi Baron, 2014-12-22 Combining political theory and sociological interviews spanning four countries Ilan Zvi Baron explores the Jewish Diaspora Israel relationship and suggests that instead of looking at Diaspora Jews relationship with Israel as a matter of loyalty it is o *Are We One?* Jerold S. Auerbach, 2001 But a covenantal Israel which draws its Jewish identity from divine promise and the biblical narrative refuses to surrender to modern imperatives As the very nature of Jewish statehood has become ever more polarized American Jewish life has been profoundly affected by this fateful Zionist contradiction His Brother's Keeper Yossi Beilin, 2000 In *His Brother's Keeper* Yossi Beilin Israel's outspoken Minister of Justice offers a bold prescription for renewing and enriching Jewish life in the twenty first century Viewing the status quo as the greatest enemy of the Jewish people Beilin challenges the notion that there is nothing to be done about the shrinking number of Jews in the world or the growing gap between Israel and the Diaspora communities Beilin's approach calls for a new partnership of equals between Israel and Diaspora Jewry The goal he explains is to strengthen Jewish identity now so that future generations will have a viable tradition to pass along to their children Beilin was the initiator of the Birthright program which aims to bring thousands of Jewish teenagers on fully subsidized trips to Israel in the hope of awakening within them an interest in learning about their Jewish roots Among Beilin's other suggestions for creating a world wide Jewish community are recognizing secular conversions as a point of entry into the Jewish people radically overhauling existing Jewish institutions and in a new era of peace redirecting Israel's historic sense of mission by providing assistance to Third World countries in cooperation with the Diaspora Timely provocative powerfully reasoned and argued *His Brother's Keeper* will be widely read and passionately debated **New Jews** Caryn S. Aviv, David Shneer, 2005-12-01 For many contemporary Jews Israel no longer serves as the Promised Land the center of the Jewish universe and the place of final destination In *New Jews* Caryn Aviv and David Shneer provocatively argue that there is a new generation of Jews who don't consider themselves to be eternally wandering forever outsiders within their communities and seeking to one day find their homeland Instead these New Jews are at home whether it be in Buenos Aires San Francisco or Berlin and are rooted within communities of their own choosing Aviv and Shneer argue that Jews have come to the end of their diaspora wandering no more today's Jews are settled In this wide ranging book the authors take us around the world to Moscow Jerusalem New York and Los Angeles among other places and find vibrant dynamic Jewish communities where Jewish identity is increasingly flexible and inclusive *New Jews* offers a compelling portrait of Jewish life today **Israel, Diaspora, and the Routes of National Belonging** Jasmin Habib, 2004-01-01 Based on interviews with North American Jewish tourists to Israel Habib examines the narratives of tourism and identity and the relationship between the Jewish Diaspora and Israel as a nation **Diasporic Activism in the Israeli-Palestinian Conflict** Svenja Gertheiss, 2015-12-14 With their homelands at war can Diasporas lead the way to peace or do they present an obstacle to conflict resolution

nurturing hate far away from those who actually fall victim to violence And which of these roles do the Jewish and Palestinian diaspora communities play in the Israeli Palestinian conflict Particularly since the Oslo peace process the search for a solution to the Israeli Palestinian conflict has been strongly contested among Jewish and Arab Palestinian Organizations in the United States Through an analysis of the activities of Arab Palestinian and Jewish organizations on behalf of and towards their conflict ridden homelands *Diasporic Activism in the Israeli Palestinian Conflict* provides both a detailed picture of diasporic activism in the Middle East as well as advancing theory building on the roles of diasporas in helping or hindering peace Drawing on research into transnational social movements diaspora studies and constructivist International Relations theory this book retraces how this process of diversification occurred and explains why neither the Jewish nor the Arab Diaspora community hold a unified position in the Israeli Palestinian conflict but are each comprised of both hawks and doves Combining theoretical depth and practical orientation this book is a key resource for those working in the fields of Middle Eastern studies Peace and Conflict Studies and Diapora Studies as well as specialists on the ground in Israel Palestine and other conflict settings in which Diaspora communities play a prominent role *Building a Diaspora* Eliezer Ben-Rafael, Mikhail Lyubansky, Olaf Gluckner, Paul Harris, Yael Israel, Willy Jasper, Julius Schoeps, 2006-10-01 The crumbling of the USSR has set Russian speaking Jews free to emigrate From the threat of antisemitism to economic disaster their good reasons to do so were numerous and within one and a half decade most of them moved out and scattered throughout the world This book is about the million that settled in Israel the half million now in the US and the 200 000 who settled in Germany This book presents the comparative work of an international team of researchers which delves into the building of communities the formulation of collective identities and the articulation of public discourse by people who after eighty years of Marxism Leninism and compulsory removal from Jewish culture are now reconstructing their ethnicity In every place they face contrasting challenges and as a whole constitute an ideal case for the study of the making of contemporary transnational diasporas *Jewish Identity* Ruth Shamir, Ruth Shamir Popkin, 2015 Though the seemingly impossible dream of a sovereign Jewish state became a reality more than sixty years ago the question of Jewish identity remains as much an enigma as ever That enigma is at the heart of Dr Ruth Shamir's book as it explores the history at times tragic at times triumphant of the evolution of Jewish identity in the modern era Dr Shamir skillfully guides the reader through a myriad of issues that are today at the center of a passionate debate both in Israel itself as well as in the Diaspora where half of the world's Jews still live The debate and hence the main themes of the book revolves around such questions as Are we a nation or just a religious community How do Israelis and Jews around the world conceptualize their loyalties How acceptable is Jewish fundamentalism and how does Israel deal with the Arab population within its borders How do Diaspora Jews view Israeli identity and how do Israelis define the identity of Diaspora Jews Above all who is a Jew However difficult it may be to accomodate the many complex and continually changing Jewish identities under the single roof of Judaism Dr Shamir

contends that we have no alternative neither for Israelis nor for the Jews of the Diaspora But if that overarching identity is to be preserved Jews must internalize the core ideas of multiculturalism to create a multifaceted Jewish identity that positively reflects the freedoms of today's world **Israel, Diaspora, and the Routes of National Belonging, Second Edition**

Jasmin Habib, 2019-08-22 Over the course of four years Jasmin Habib was a participant observer on tours of Israel organized for diaspora Jews as well as at North American community events focusing on Israel and Israel diaspora relations In this book she argues that much of the existing literature about North American Jews and their relationship to Israel ignores their reactions to official narratives and perpetuates an official silence surrounding the destructive aspects of nationalist sentiments The second edition of *Israel Diaspora and the Routes of National Belonging* includes a new introduction by the author that builds on her groundbreaking research and reflects on the changes to scholarship since the book's publication in 2004 Additionally by exploring the dramatic changes to the region's politics Habib ensures that the startlingly honest theoretically rich and detailed analysis of her original work continues to be of relevance over a decade later

Reconsidering Israel-Diaspora Relations Eliezer Ben-Rafael, Judit Bokser Liwerant, Yosef Gorny, 2014-06-19 In this era of globalization Jewish diversity is marked more than ever by transnational expansion of competing movements and local influences on specific conditions One factor that still makes Jewish communities one is the common reference to Israel Today however differentiations and discrepancies in identification and behavior generate plurality and ambiguities about Israel Diaspora relationships Moreover the Judeophobia now rife in Europe and beyond as well as the spread of the Palestinian cause as a civil religion make Israel the world's Jew among nations This weighs heavily on community relations despite Israel's active presence in the diaspora In this context the contributions to this volume focus on Jewish peoplehood religiosity and ethnicity gender and generation Israelophobia and world Jewry and debate the perspectives that are most pertinent to confront the question how far is the Jewish Commonwealth *Klal Yisrael* still an important code of Jewry today

Re-envisioning Jewish Identities Efraim Sicher, 2021-08-30 This innovative study shows how the imaginary constructions of self and Other are shaping identification with Jewishness in the twenty first century The texts and artworks discussed in this book test a diverse range of ways of identifying as Jews and with the Jewish people while engaging with postmodern and postcolonial discourses of hybridity and multiculturalism This book selects six key areas in which the boundaries of Jewish identities have been interrogated and renegotiated nation ethnicity gender sexuality religion and the Holocaust In each of these areas Sicher explores how major and emerging contemporary writers and artists re envision the meaning of their identities Such re envisioning may be literally visual or metaphorical in the search for expression of artistic self between the conventional paradigms of the past and new ways of thinking **Diasporas and Exiles** Howard

Wettstein, 2002-10-07 Rarely have I encountered a collection of essays that coheres so well around an overarching theme This will be an important resource Hillel J Kieval author of *Languages of Community*

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Israel The Diaspora And Jewish Identity** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.
