Andrea Dworkin

Israeli Feminism Liberating Judaism Blood And Ink:

Israeli Feminism Liberating Judaism Bonna Devora Haberman, 2012-07-16 This engaging feminist approach to Judaism blends the interpretation of primary Jewish sources with contemporary social change Bonna Devora Haberman shares her first hand account of the Women of the Wall and a feminist approach to traditional Judaism while interacting with ancient Jewish texts In a rich network of sources seaming together scholarship with activism Haberman analyzes the sacred with attention to power and gender While much religious and national culture focuses on death and sacrifice Haberman proposes an alternative model for a Jewish theology of liberation birth no less universal than death Life giving rather than life taking is the nucleus of this work reformulating performances of gender in a realm of exaggerated sexual difference Using her experiences with the Women of the Wall movement interwoven in scripture Haberman contributes toward liberating religious culture from its gender oppressions and rendering religion a liberating force in society *Israeli Feminism Liberating*

Judaism Bonna Devora Haberman, 2012-01-01 This engaging feminist approach to Judaism blends the interpretation of primary Jewish sources with contemporary social change Bonna Devora Haberman shares her first hand account of the Women of the Wall and a feminist approach to traditional Judaism while interacting with ancient Jewish texts In a rich network of sources seaming together scholarship with activism Haberman analyzes the sacred with attention to power and gender While much religious and national culture focuses on death and sacrifice Haberman proposes an alternative model for a Jewish theology of liberation birth no less universal than death Life giving rather than life taking is the nucleus of this work reformulating performances of gender in a realm of exaggerated sexual difference Using her experiences with the Women of the Wall movement interwoven in scripture Haberman contributes toward liberating religious culture from its gender oppressions and rendering religion a liberating force in society *The Idea of Israel* Ilan Pappé, 2025-10-07 Since its

foundation in 1948 Israel has drawn on Zionism the movement behind its creation to provide a sense of self and political direction In this groundbreaking new work Ilan Pappé looks at the continued role of Zionist ideology The Idea of Israel considers the way Zionism operates outside of the government and military in areas such as the country's education system media and cinema and the uses that are made of the Holocaust in supporting the state's ideological structure In particular Pappé examines the way successive generations of historians have framed the 1948 conflict as a liberation campaign creating a foundation myth that went unquestioned in Israeli society until the 1990s Pappé himself was part of the post Zionist movement that arose then He was attacked and received death threats as he exposed the truth about how Palestinians have been treated and the gruesome structure that links the production of knowledge to the exercise of power The Idea of Israel is a powerful and urgent intervention in the war of ideas concerning the past and the future of the Palestinian Israeli conflict

Contested Holy Places in Israel-Palestine Yitzhak Reiter, 2017-04-07 Religious leaders and political actors often use holy places to rally citizens to protect or liberate national territory as hallowed land The Holy Land Palestine or Eretz Israel

is the most obvious case of the process of religionizing ethnic national and territorial conflicts This book analyzes fourteen case studies of conflicts over holy sites in the Holy Land each representing a particular archetype of conflict It seeks to understand the many facets of disputes and the triggers for the outbreak of violence in and around such sites It also analyses the effectiveness of the conflict mitigation and resolution tools used for dealing with such disputes *Judaism III* Michael Tilly, Burton L. Visotzky, 2020-04-28 Judaism the oldest of the Abrahamic religions is one of the pillars of modern civilization A collective of internationally renowned experts cooperated in a singular academic enterprise to portray Judaism from its transformation as a Temple cult to its broad contemporary varieties In three volumes the long running book series *Die Religionen der Menschheit* Religions of Humanity presents for the first time a complete and compelling view on Jewish life now and then a fascinating portrait of the Jewish people with its ability to adapt itself to most different cultural settings always maintaining its strong and unique identity Volume III completes this ambitious project with profound chapters on Modern Jewish Culture Halakhah Jewish Law Jewish Languages Jewish Philosophy Modern Jewish Literature Feminism and Gender and on Judaism and inter faith relations *Politics and Government in Israel* Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel s geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel s foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today [IDEA DE ISRAEL](#) ILAN PAPPE, 2016-03-01 **New Books on Women and Feminism**, 2015 **Jewish Feminism in Israel** Kalpana Misra, 2003 A dynamic and authentic representation of feminism in Israel by some of its leading exponents and activists *Lesbiōt* Tracy Moore, 1995 **War on Women in Israel** Elana Maryles Sztokman, 2014-09-16 THIS EYE OPENING LOOK AT THE RISING OPPRESSION OF ISRAELI WOMEN OFFERS A RALLYING CRY FOR HOW WOMEN EVERYWHERE CAN FIGHT BACK ACROSS ISRAEL one of the world s most democratic countries women are being threatened and abused as ultra Orthodox Jewish factions seek to suppress them In this stunning expos award winning author and leading Jewish women s activist Elana Sztokman reveals the struggles of Israeli women against this increasing oppression from segregation on public buses in a move Hillary Clinton called reminiscent of Rosa Parks to being silenced in schools and erased from newspapers and ads This alarming patriarchal

backlash isn't limited to Israel either its repercussions endanger the rights and freedoms of women from Afghanistan to America But there's hope as well courageous feminist activists within the Orthodox world are starting to demand systemic change on these fronts and with some support from non Orthodox advocates they're creating positive reforms that could help women everywhere Blending interviews with original investigative research and historical context Sztokman traces the evolution of this struggle against oppression and proposes solutions for creating a different more egalitarian vision of religious culture and opportunity in Israeli society and around the world Fearless and inspiring *The War on Women in Israel* brings to light a major social and international issue and offers a rousing call to action to stop the repression of women in Israel and worldwide **Israeli Women** Lesley Hazleton, 1977 Drawing on hundreds of interviews with her countrywomen an Israeli journalist and sociologist illuminates the origins of myths concerning the liberation of Israeli women and analyzes the extent to which they dominate the social structure of a complex contradictory democracy *Standing Again at Sinai* Judith Plaskow, 1991-02-01 A feminist critique of Judaism as a patriarchal tradition and an exploration of the increasing involvement of women in naming and shaping Jewish tradition **Scapegoat** Andrea Dworkin, 2000-01 Why do women continue to value their own lives less than those of the men they love Where is the line between justifiable self defence and violence In this work Andrea Dworkin explores the subject of scapegoating illustrating how and why women and Jews have been stigmatized throughout history and comparing the civil inequality the prejudices and stereotypes that have framed identity for both groups *Devoted Resistance* David Sperber, 2025-04-17 What is Jewish feminist art and how does it contribute to the spaces of art society and religion *Devoted Resistance* examines the nature methods of operation and contribution of the feminist art movement which has developed in traditional Jewish spheres since the late 1990s in the two major Jewish centers the United States and Israel The book analyzes critical Jewish feminist art and the different fields in which it operates it explores the interrelationships between feminist Jewish art and feminist theories the connection between critical discourse and feminist activism in observant Jewish worlds and feminist artists and artwork in these spaces *Devoted Resistance* highlights aspects common to feminist Jewish artists who create from traditional spheres and amalgamate the social with the theological connecting private experience with community existence It offers new and vital contextual understandings regarding the relationship between feminist art and Jewish Identity illuminating their relationship through Jewish religion rather than merely Jewish ethnicity By doing so the book demonstrates how art theology feminism and critical thinking interwind *Israeli Feminist Scholarship* Esther Fuchs, 2014-07 The last two decades have given rise to a proliferation of scholarship by Israeli feminists working in diverse fields ranging from sociology to literature anthropology and history As the Israeli feminist movement continually decentralizes and diversifies it has become less Eurocentric and heterocentric making way for pluralistic concerns Collecting fifteen previously published essays that give voice to this diversity *Israeli Feminist Scholarship* showcases articles on Ashkenazi Mizrahi Palestinian and lesbian identities as well as on

Israeli women's roles as mothers, citizens and activists and soldiers. Citing evidence that these scholars have redefined their object of inquiry as an open site of contested and constructed identity, luminary Esther Fuchs traces the history of Israeli feminism. Among the essays are Jewish historian Margalit Shilo's study of the New Hebrew Woman, sociologist Ronit Lentin's analysis of gendered representations of the Holocaust in Israeli culture, peace activist Erella Shadmi on lesbianism as a non-issue in Israel, and cultural critic Nitza Berkovitch's examination of womanhood as constructed in Israeli legal discourse. Creating a space for a critical examination of the relationship between disparate yet analogous discourses within feminism and Zionism, this anthology reclaims the mobilizing, inclusive role of these multifaceted discourses beyond the postmodern paradigm.

Holy Rebellion Ronit Irshai, Tanya Zion-Waldoks, 2024-05-16 This scholarship operationalizes Cover's notion of *nomos* and narrative and develops tools to analyze shifting entanglements between religion, gender and law. The authors propose a narrative ripeness test to assess how and when change processes within a minority cultural community may be affected, accelerated or hindered by state intervention.

New Jewish Feminism Rabbi Elyse Goldstein, 2012-06-28 Jewish Feminism: What Have We Accomplished? What Is Still to Be Done? When you are in the middle of the revolution, you can't really plan the next steps ahead. But now we can. The book is intended to open up a dialogue between the early Jewish feminist pioneers and the young women shaping Judaism today. Read it, use it, debate it, ponder it from the Introduction. This empowering anthology looks at the growth and accomplishments of Jewish feminism and what that means for Jewish women today and tomorrow. It features the voices of women from every area of Jewish life: the Reform, Reconstructionist, Conservative, Orthodox and Jewish Renewal movements, rabbis, congregational leaders, artists, writers, community service professionals, academics and chaplains from the United States, Canada and Israel, addressing the important issues that concern Jewish women: Women and Theology, Women, Ritual and Torah, Women and the Synagogue, Women in Israel, Gender, Sexuality and Age, Women and the Denominations, Leadership and Social Justice.

Between Feminism and Orthodox Judaism Yael Israel-Cohen, 2012-07-25 In *Between Feminism and Orthodox Judaism*, Yael Israel-Cohen offers an analysis of the activism and identity of women considered at the forefront of the feminist challenge to Orthodoxy. Through a look at women's battle over synagogue ritual and the ordination of women rabbis, an intricate and complex picture of identity, resistance and religious change is revealed. Some of the central questions that Yael Israel-Cohen explores are: How do modern Orthodox women strategize to implement feminist changes? How do they deal with what at least on the surface seem to be conflicting allegiances? How do they perceive their role as agents of change and what are the ramifications of their activism for how we understand the boundaries of Orthodoxy more generally? *Between Feminism and Orthodox Judaism* represents an interpretive study at its finest. It is well-written, theoretically sophisticated and grounded within the literature. I highly recommend this book for scholars and nonscholars alike who are interested in studies of women's resistance in conservative settings.

Faezeh Bahreini, University of South Florida, Tampa

An Anatomy of Feminist Resistance Henriette Dahan Kalev, 2018-11-27 The

book explores the story of two women living in remote town Mitzpe Ramon in the Negev Desert in south Israel. These women lived in poverty and worked under oppressive conditions for all their lives until one day they began to resist. Standing for the rights of working women and mothers, they led protests and strikes that shook the entire country for weeks. In *An Anatomy of Feminist Resistance: Rebel in the Wilderness*, Dahan Kalev's innovative perspective examines both the public and private spheres of these women's lives and reveals the existence of a third sphere in which women are able to find their voices. This study deciphers what causes women to accept conditions of oppression, under what circumstances will women begin to resist, and what are the political transformations rebellious women undergo while fighting oppression.
