Issues of Law and Justice in Singapore Daniel Koh, Kiem-Kiok Kwa, 2009 **Christian Movements in Southeast Asia** Michael Nai-Chiu Poon, 2010 *Church Partnerships in Asia* Michael Nai-Chiu Poon, 2011 **The Justice Demand** Ronald J. J. Wong, 2024-08-27 Where is social justice in the Gospel Where is social justice in the Singapore Church These are the two main questions this book seeks to explore Through the recount of the author's journey of discovering social justice in the Bible on the streets of Singapore in the long history of the Singapore and global Church a survey of local Christians and interviews with Christian justice seekers and pastors this book challenges the Singapore Church as God's Kingdom community to reclaim biblical social justice as an integral facet of living the Gospel and manifesting God's Kingdom **He Has Shown You What is Good** H G M Williamson, 2012-02-23 Can the Old Testament provide relevant principles for modern concepts of social justice Today citing our human rights is used as recourse for anything and everything Excessive use has corrupted a defining ideal of mankind Williamson explores the meaning of Old Testament justice to discover its significance for us today Concentrating on social justice he unearths the value and relevance of the phrase justice and righteousness Tracing this phrase and its context within and without the pages of Scripture Williamson elaborates an argument that passes from Abraham to Amos He expounds a biblical ideal that he argues is not rooted in the legalistic Law of Moses or necessarily an idealized history but is a concept that is fluid constructed in an organic appreciation for natural law Williamson has written an engaging and highly articulate book that exposes the relevance of the Old Testament as a blueprint for a way of life a mode of living that developed in accordance with the existence of the ancient Israelite The ideal maintained a form as derived from natural law that was applicable to all creeds and ranks and therefore is potentially relevant for us today **Metaphors for Leading - Leading by Metaphors** Stefan Jung, Volker Kessler, Louise Kretzschmar, Elke Meier, 2019-06-17 Führung und Organisation sind komplexe Phänomene die oftmals durch Metaphern beschrieben werden Zunehmend interessieren sich Theorie und Praxis für ihre Verwendung Wie sehen sich Führungskräfte selbst und wie werden sie von anderen metaphorisch beschrieben Gängige Sprachbilder reichen vom Gärtner und Coach bis hin zum Macher oder Priester Alle diese Bilder sollen helfen die zugrunde liegende Sichtweise auf Führung und Organisation zu beschreiben und geben einen Einblick wie Führung von unseren metaphorischen Weltbildern beeinflusst wird Wenig Aufmerksamkeit erfuhren bisher kulturelle Unterschiede bei der Verwendung von Metaphern im Bereich Führung und Organisation Wie können wir die verborgenen Metaphern die unser Denken unterbewusst prägen an die Oberfläche bringen Wie können wir alte Metaphern der Führung in einer modernen und globalisierten Welt nutzen Der vorliegende Band dokumentiert die zentralen Ergebnisse einer interdisziplinären Konferenz zu Metaphern und Führung an der Wissenschaftler und Wissenschaftlerinnen aus Afrika Asien Europa und Nordamerika teilgenommen haben Metaphors are used increasingly in leadership theory and leadership development How do leaders view themselves and how are they seen by others in terms

of metaphors One can find a wide range described in publications and on coaching websites They range from gardener and coach to manager or priest They all help describe the underlying view on leadership and give insight into how leadership is influenced by our metaphorical view of the world However little work has been done on describing the influence of cultural perspectives in metaphors used in the area of leadership and organisations How can we bring to the surface the hidden metaphors that shape our thinking subconsciously How can we utilise old metaphors of leadership in a new and globalised world This volume documents the central results of an interdisciplinary conference on metaphors and leadership in which scientists from Africa Asia Europe and North America took part

Pentecostal Megachurches in Southeast Asia

Terence Chong, 2018-03-06 Charismatic pastors fast paced worship sessions inspirational but shallow theology and large congregations these are just some of the associated traits of Pentecostal megachurches But what lies beneath the veneer of glitz What are their congregations like How did they grow so quickly How have they managed to negotiate local and transnational challenges This book seeks to understand the growth and popularity of independent Pentecostal megachurches in Southeast Asia Using an ethnographic approach the chapters examine Pentecostal megachurches in Malaysia Indonesia the Philippines and Singapore Each chapter dwells on the development of the megachurch set against the specific background of the country's politics and history

***Why Palestine?: Reflections From Singapore* Walid Jumblatt**

Abdullah, 2025-04-08 If you've ever wondered why people keep talking about Palestine or the point of keeping up with a long drawn conflict in the Middle East and what difference you could possibly make this book is for you Political analyst and podcaster Walid Jumblatt Abdullah takes on questions that Singaporeans have often raised about Palestine laying out answers that clarify and inform Walid examines myths Could Gaza Have Been Singapore and sheds light on the double standards of Western powers to whom human rights seem to matter except for where Palestine is concerned Explaining how the Palestinians have been systematically dehumanised for decades the book highlights how they continue to exist nevertheless their very existence an act of resistance Why Palestine is an illuminating starting point for newcomers to the issue and a passionate primer that seasoned activists will welcome for capturing the heart and hope of a long disenfranchised people and those who support them

***Interreligious Dialogue Models* Alwani Ghazali, Muhammad Kamal, 2023-12-15**

How did the Prophet Muhammad pbuh converse and engage with other religious believers Did he start off with prejudice and mistrust Or was he convivial and open minded This book analyses six models of the dealings in the lifetime of the Prophet Muhammad pbuh specifically but not restricted to the siblings of Abrahamic religious believers The six models of dialogue analysed in the book are dialogue with Ashamah Najashi of Abyssinia delegation of Najran Christians different Jews of Yathrib and emperors of Byzantine and Sassanid The analysis applies Ibn Khaldun's d 1406 historical approach which the author termed as Khaldunian Hermeneutics due to the similarity between his ideas to that of Johann Gustav Droysen d 1884 a German philosopher in historical hermeneutics As such the analysis goes beyond the dialogue content taking into

consideration the immediate and larger contextual settings and changes of the contexts due to the passage of time It critically considers the suitability of each model due to the difference in times and contexts The book serves as a reference for Muslim dialogue advocates and practitioners to provide substantial evidence of the dialogue application by the role model of Muslims the Prophet Muhammad pbuh whom they hold very dear to their hearts Human Dignity, Human Rights, and Social Justice Zhibin Xie, Pauline Kollontai, Sebastian Kim, 2020-06-25 This book explores human dignity human rights and social justice based on a Chinese interdisciplinary dialogue and global perspectives In the Chinese and other global contexts today social justice has been a significant topic among many disciplines and we believe it is an appropriate topic for philosophers theologians legal scholars and social scientists to sit together discuss enrich each other and then deepen our understanding of the topic Many of them are concerned with the conjuncture between social justice human rights and human dignity The questions this volume asks are what s the place of human rights in social justice How is human dignity important in the discourse on human rights And through these inquiries we ask further how is possible to achieve humanist justice This volume presents the significance challenges and constraints of human dignity in human rights and social justice and addresses the questions through philosophical theological sociological political and legal perspectives and these are placed in dialogue between the Chinese and other global settings We are concerned with the norms regarding human dignity human rights and social justice while we take seriously into account their practice This volume consists of two main sections The first section examines Chinese perspectives on human rights and social justice in which both from Confucianism and Christianity are considered and the issues such as patriotism religious freedom petition social protest the rights of marginalized people and sexual violence are studied The second section presents the perspectives of Christian public theologians in the global contexts They examine the influence of Christian thought and practice in the issues of human rights and social justice descriptively and prescriptively and address issues such as religious laws and rights diaconia majoritarianism general equality social economic disparities and climate justice from global perspectives including in the contexts of America Australia Israel and Europe With contributions by experts from mainland China Hong Kong South Korea Australia New Zealand the UK USA and Norway the book provides valuable cross cultural and interdisciplinary insights and perspectives As such it will appeal to political and religious leaders and practitioners particularly those working in socially engaged religious and civil organizations in various geopolitical contexts including the Korean Peninsula and Japan *Public Law in East Asia* Tom Ginsburg, 2017-07-05 Public Law in East Asia is a collection of the leading English language articles on constitutional and administrative law in the Asian region written by many of the leading scholars from this area The region has its own distinct legal and political traditions and its systems of government have facilitated dynamic economic growth but the role of public law has not been well understood Covering a wide range of jurisdictions in a single volume this collection provides insights into the ways in which institutions of Western origin have been integrated into Asian political and legal

cultures producing new syntheses *Arbitration of Trust Disputes* Clover Alcolea, Lucas, 2022-05-06 There is a dire need for a comprehensive pedagogical resource both on diverse approaches to teaching sports economics and the use of sports to teach broader principles of economic concepts This book does exactly that The contributions from leading scholars and teachers in both fields will help all instructors looking to raise their teaching game **Christian Perspectives on the Role of the State, Justice, and Taxation** Robert F. van Brederode, 2025-07-19 This book Christian Perspectives on the Role of the State Justice and Taxation examines the historical and ongoing influence of Christian ethical thought on taxation governance and distributive justice Building on themes introduced in Political Philosophy and Taxation Springer 2022 which focused on secular perspectives this sequel shifts attention to the contributions of Christian thinkers from Medieval times to the present The book explores key questions surrounding the role of the state the relationship between the state and its subjects the moral right to tax and what constitutes fairness in taxation It investigates how Christian ethical teachings have shaped Western political philosophy particularly in the context of distributive justice and evaluates their relevance in contemporary discussions By analyzing the intersection of theology ethics and political philosophy this book provides a deeper understanding of how Christian traditions have influenced historical notions of justice fairness and governance It offers insights into how these principles can inform modern policy debates and ethical considerations in taxation This book serves as a valuable resource for scholars students and professionals interested in religious ethics political philosophy and public policy It invites readers to reflect on the enduring impact of Christian thought on concepts of justice and the responsibilities of the state **Cross-Cultural Reflections on Chinese Aesthetics, Gender, Embodiment and Learning** Eva Kit Wah Man, 2020-01-29 This book gathers research and writings that reflect on traditional and current global issues related to art and aesthetics gender perspectives body theories knowledge and learning It illustrates these core dimensions which are bringing together philosophy tradition and cultural studies and laying the groundwork for comparative research and dialogues between aesthetics Chinese philosophies Western feminist studies and cross cultural thought Pursuing an interdisciplinary approach the book also integrates philosophical enquiries with cultural anthropology and contextual studies As implied in the title the main methodologies are cross cultural and comparative studies which touch on performances in art and aesthetics social existence and education and show that philosophical enquiries aesthetical representation and gender politics are simultaneously historical living and contextual The book gathers a wealth of cross cultural reflections on philosophical aesthetics gender existence and cultural traditions The critical thinking within will benefit undergraduates postgraduates and researchers in the area of comparative philosophies It blends academic rigor with personal reflection which is a critical practice in feminist philosophy itself *A Sociotheological Approach to Catholic Social Teaching* Vivencio O. Ballano, 2022-10-31 This book introduces Catholic social teaching CST and its teaching on the common good to the reader and applies them in the realm of public health to critically analyze the major global issues of COVID 19 that undermine public

interest It uses the sociotheological approach that combines the moral principles of CST and the holistic analysis of modern sociology and also utilizes the secondary literature as the main source of textual data Specifically it investigates the corporate moral irresponsibility and some unethical business practices of Big Pharma in the sale and distribution of its anti COVID vaccines and medicines the injustice in the inequitable global vaccine distribution the weakening of the United States Congress s legislative regulation against the pharmaceutical industry s overpricing and profiteering the inadequacy of the World Health Organization s WHO law enforcement system against corruption and the lack of social monitoring in the current public health surveillance system to safeguard the public good from corporate fraud and white collar crime This book highlights the contribution of sociology in providing the empirical foundation of CST s moral analysis and in crafting appropriate Catholic social action during the pandemic It is hoped that through this book secular scholars social scientists religious leaders moral theologians religious educators and Catholic lay leaders would be more appreciative of the sociotheological approach to understanding religion and COVID 19 This book brings into dialogue two bodies of literature documents of Catholic social teaching and modern sociology and its core thinkers and texts The author does especially well to describe how taking the sociotheological turn will benefit the credibility and dissemination of Catholic social thought Rev Fr Thomas Massaro S J Professor of Moral Theology Jesuit School of Theology Santa Clara University Berkeley California

The History of the Contractual Thoughts in Ancient China Yunsheng Liu,2020-07-01 This book explores the intellectual history of contract law in ancient China by employing archaeological and empirical methodologies Divided into five chapters it begins by reviewing the origin of the contract in ancient China and analyzing its name primary form historical premise and functions The second chapter discusses free will and lawfulness in the establishment of a contract offering insights into the impact of contracts on social justice In turn the third chapter addresses the inner core of the contract validity and liability This allows readers at all levels to identify the similarities and differences between contracts from different eras and different parts of the world which will also benefit those pursuing comparative research in related fields Chapters four and five offer a philosophical exploration of contract history in ancient China and analyze key aspects including human nature and ethical justice

Elgar Companion to Regulating AI and Big Data in Emerging Economies Mark Findlay,Li Min Ong,Wenxi Zhang,2023-12-11 Committed to highlighting the regulatory needs and priorities of emerging economies in the context of AI and big data this expertly crafted Companion explores the nature and role of regulation in the Global South from a techno dependent societal perspective It not only amplifies the unspoken and underrepresented voices in AI and data regulation scholarly discourse but also provides a novel approach to otherwise recipient economies in an age of digital transformation

Law and Religion in Public Life Nadirsyah Hosen,Richard Mohr,2011-04-27 With religion at centre stage in conflicts worldwide and in social ethical and geo political debates this book takes a timely look at relations between law and religion To what extent can religion play a role in secular legal systems How do peoples of various faiths live successfully by both

secular laws as well as their religious laws Are there limits to freedom of religion These questions are related to legal deliberations and broader discussions around secularism multiculturalism immigration settlement and security The book is unique in bringing together leading scholars and respected religious leaders to examine legal theoretical historical and religious aspects of the most pressing social issues of our time In addressing each other s concerns the authors ensure accessibility to interdisciplinary and non specialist audiences scholars and students in social sciences human rights theology and law as well as a broader audience engaged in social political and religious affairs Five of the book s thirteen chapters address specific contemporary issues in Australia one of the most ethnically diverse countries in the world and a pioneer of multicultural policies Australia is a revealing site for contemporary studies in a world afraid of immigration and terrorism The other chapters deal with political legal and ethical issues of global significance In conclusion the editors propose increasing dialogue with and between religions Law may intervene in or guide such dialogue by defending the free exchange of religious ideas by adjudicating disputes over them or by promoting a civil society that negotiates rather than litigates

Law as Process Sally Falk Moore, 2000 This is a study of the role of law in society using both pre industrial and modern settings It argues that the same social processes which prevent the total regulation of society also reshape and transform efforts at partial regulation

Framing Refugees Daniel Drewski, Jürgen Gerhards, 2024-07-17 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations Across the world the number of people forcibly displaced from their homes has more than doubled during the last decade Although international law does not allow states to turn back refugees some countries close their borders to refugees some open their borders and grant extensive protection while others admit some groups of refugees while excluding others How can we make sense of these different responses to admitting refugees In this book Daniel Drewski and Jürgen Gerhards show that governments refugee policy as well as the stance adopted by opposition parties on the issue is heavily dependent on how they frame their country s collective identity on the one hand and the identity and characteristics of the refugees on the other By defining the we and the others politicians draw on collectively shared cultural repertoires which vary by country and by political constituency within a country The book is based on a discourse analysis of parliamentary debates It explores the specific framing of nations identities and the corresponding perceptions of otherness by focusing on six countries that have been confronted with large numbers of refugees Germany Poland and Turkey all responding to the exodus of Syrian and Middle Eastern refugees Chile s reaction to the Venezuelan displacement Singapore and its stance towards Rohingya refugees and Uganda s response to the displacement from South Sudan The study explores not only differences between governments of different countries but also the conflicting views of different political parties within the same country This volume has emerged from research carried out as part of the Cluster of Excellence Contestations of the Liberal Script SCRIPTS which analyzes the contemporary

controversies about liberal ideas institutions and practices on the national and international level from a historical global and comparative perspective It connects academic expertise in the social sciences and area studies and collaborates with research institutions in all world regions Operating since 2019 and funded by the German Research Foundation DFG
