The White Book Mackaveli, Makavelli, 2007-10 Most of us believe in information Some believe in truths while others believe in magic Information is what we can see truth is what we feel and magic is what we instinctively know is true On December 4th 1981 the president of the United States issued Executive Order 12333 concerning the activities of the intelligence community Paragraph 2 11 of that order states No employee of the United States Government shall engage in or conspire to engage in assassination But upon learning of the political ties and aspirations of one charismatic young entertainer and philanthropist certain agencies broke that order in the fall of 1996 when the star was killed in a barrage of bullets fired by a confidential informant commissioned for just such an act After a decade of silence the files have been unsealed and the shooter will now be revealed Some call him a hero others say he s a villain and some even call him a god The White Book provides a glimpse at man s perspectives of the cultural history of the United States assassination government cover ups and his perpetual pursuit of what sets us all free the truth **The Master Plan** Chris Wilson, Bret Witter, 2019-02-05 The inspiring instructive and ultimately triumphant memoir of a man who used hard work and a Master Plan to turn a life sentence into a second chance Growing up in a tough Washington D C neighborhood Chris Wilson was so afraid for his life he wouldn t leave the house without a gun One night defending himself he killed a man At eighteen he was sentenced to life in prison with no hope of parole But what should have been the end of his story became the beginning Deciding to make something of his life Chris embarked on a journey of self improvement reading working out learning languages even starting a business He wrote his Master Plan a list of all he expected to accomplish or acquire He worked his plan every day for years and in his mid thirties he did the impossible he convinced a judge to reduce his sentence and became a free man Today Chris is a successful social entrepreneur who employs returning citizens a mentor and a public speaker He is the embodiment of second chances and this is his unforgettable story **The People's Detective** Nicholas Louis Baham III, 2024-09-12 When investigative journalist and Black Lives Matter activist Aurora Jenkins gets too close to the truth about sex trafficking and the unsolved disappearances of young Black Latina Asian American and Indigenous women from the streets of Oakland California a powerful alliance of organized crime corrupt police and elites seek to suppress her story Sonny Trueheart a former Oakland Police Department homicide detective and whistleblower burdened by alcoholism and the ghosts of his past is called to investigate Aurora s disappearance and the facts behind her story Together with his former martial arts teacher a Bahamian human rights advocate and an old friend with a propensity for gratuitous sex and violence Sonny uncovers a vast criminal conspiracy Armed with little more than his intuition a snubnose revolver and a willingness to break the law in order to bring justice Sonny Trueheart emerges as a symbol of revolutionary awakening in the Black communities of Oakland California The People s Detective brings to light the under reported stories of sex trafficking in the Bay Area and adds a distinctly Oakland aesthetic martial arts mayhem and the thrill of a bank heist to the ethos of the
