Kraut**

Major Problems In Asian American History:

Major Problems in Asian American History Lon Kurashige, Alice Yang Murray, 2003 Designed to encourage critical thinking about history the book introduces students to both primary sources and analytical essays on important topics in U S history Each volume presents a carefully selected group of readings in a format that asks students to evaluate primary sources test the interpretations of distinguished historians and others and draw their own conclusions Back cover

Major Problems in Asian American History Lon Kurashige, 2016

Major Problems in Asian American History Steven S. Zumdahl, 2007

The ^AOxford Handbook of Asian American History David K. Yoo, Eiichiro Azuma, 2016-02-01 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history

Major Problems in American History Elizabeth Cobbs Hoffman, Jon Gjerde, 2002

Asian American Histories of the United States Catherine Ceniza Choy, 2022-08-02 An inclusive and landmark history emphasizing how essential Asian American experiences are to any understanding of US history Original and expansive Asian American Histories of the United States is a nearly 200 year history of Asian migration labor and community formation in the US Reckoning with the onset of the COVID 19 pandemic and the surge in anti Asian hate and violence award winning historian Catherine Ceniza Choy presents an urgent social history of the fastest growing group of Americans The book features the lived experiences and diverse voices of immigrants refugees US born Asian Americans multiracial Americans and workers from industries spanning agriculture to healthcare Despite significant Asian American breakthroughs in American politics arts and popular culture in the twenty first century a profound lack of understanding of Asian American history permeates American culture Choy traces how anti Asian violence and its intersection with misogyny and other forms of hatred the erasure of Asian American experiences and contributions and Asian American resistance to what has been omitted are prominent themes in Asian American history This ambitious book is fundamental to understanding the American experience and its existential crises of the early twenty first century

25 Events That Shaped Asian American History Lan Dong, 2019-03-22 This book provides detailed and engaging narratives about 25 pivotal events in Asian American history celebrates Asian Americans contributions to U S history and examines the ways their experiences have shaped American culture Asian Americans have made significant contributions to American history society and culture This book presents key events in the Asian American experience through 25 well developed accessible essays detailed timelines biographies of

notable figures excerpts of primary source documents and sidebars and images that provide narrative and visual information on high interest topics Arranged chronologically the 25 essays showcase the ways in which Asian Americans have contributed to U S history and culture and bear witness to their struggles activism and accomplishments The book offers a unique look at the Asian American experience from the California Gold Rush in the mid nineteenth century to the 2017 travel ban Highlighting events with national and international significance such as the Central Pacific Railroad Construction Korean War and 9 11 it documents the Asian American experience and demonstrates Asian Americans impact on American life

History of Asian Americans Jonathan H. X. Lee,2015-01-16 A comprehensive compelling and clearly written title that provides a rich examination of the history of Asians in the United States covering well established Asian American groups as well as emerging ones such as the Burmese Bhutanese and Tibetan American communities History of Asian Americans Exploring Diverse Roots supplies a concise easy to use yet comprehensive resource on Asian American history Chronologically organized it starts with Chinese immigration to the United States and concludes with coverage of the most recent Asian migrant populations describing Asian American lives and experiences and documenting them as an essential part of the continuously evolving American experience and mosaic The book discusses domestic as well as international influencing factors in Asian American history thereby providing information within a transnational framework An ideal resource for high school and undergraduate level students as well as general readers interested in learning about the history of Asian Americans the chapters employ critical racialization and ethnic studies discourses that put Asian and Asian Americans subjects in an insightful comparative perspective The book also specifically addresses the important roles played by Asian American women across history Kurashige Major Problems in Asian American History Plusgjerde Major Problems in American Immigration Andethnic History First Edition Houghton Mifflin College Division,2007-10 *Major Problems in American History Since 1945* Robert Griffith,Paula C. Baker,2001 This text introduces students to both primary sources and analytical essays on important topics in U S history The book asks students to evaluate primary sources test the interpretations and draw their own conclusions *Major Problems in Asian American History Plus Frakes Writing for College History* Lon Kurashige,2003-10-01 Kurashige Major Problems in Asian American History Plus Perrin Pocketguide to Chicago Manual of Style ANONIMO,Houghton Mifflin College Division,2007-10-01 **Major Problems in the History of World War II** Mark A. Stoler,Melanie S. Gustafson,2003 This text presents a carefully selected group of readings that allow students to evaluate primary sources test the interpretations of distinguished historians and draw their own conclusions The volume covers World War II from the homefront and the battlefield examining both the military and social impact of the war **Asian American History Day by Day** Jonathan H. X. Lee,2018-10-12 For student research this reference highlights the importance of Asian Americans in U S history the impact of specific individuals and this ethnic group as a whole across time documenting evolving policies issues and feelings concerning this particular American population Asian American History

Day by Day A Reference Guide to Events provides a uniquely interesting way to learn about events in Asian American history that span several hundred years and the contributions of Asian Americans to U S culture in that time The book is organized in the form of a calendar with each day of the year corresponding with an entry about an important event person or innovation that span several hundred years of Asian American history and references to books and websites that can provide more information about that event Readers will also have access to primary source document excerpts that accompany the daily entries and serve as additional resources that help bring history to life With this guide in hand teachers will be able to more easily incorporate Asian American history into their classes and students will find the book an easy to use guide to the Asian American past and an ideal jumping off point for more targeted research

Documents of the Asian American Experience Noriko Matsumoto,2025-02-06 This curated and contextualized primary source collection examines the history of Asian Americans from precolonial times to the present day From their integral role in the expansion of transcontinental railroads in the 1800s to Japanese internment during World War II to being lauded as the model minority in the late 20th and early 21st centuries Asian American history is inextricable from the larger history of the United States Yet the contributions struggles and lived experiences of this diverse minority group have often gone unacknowledged Documents of the Asian American Experience features more than 80 documents across 17 time periods including newspaper articles personal accounts federal legislation propaganda pieces and more Readers will discover the multifaceted experiences of Chinese Japanese Korean Indian and Filipino Americans among others Essays at the beginning of each section provide an overview of the time period and the political economic and sociocultural factors influencing race relations at the time Concise introductions to each document provide necessary background information about the source and its significance

Pacific America Lon Kurashige,2017-07-31 In recent times the Asia Pacific region has far surpassed Europe in terms of reciprocal trade with the United States and since the 1980s immigrants from Asia entering the United States have exceeded their counterparts from Europe reversing a longstanding historical trend and making Asian Americans the country s fastest growing racial group What does transpacific history look like if the arc of the story is extended to the present The essays in this volume offer answers to this question challenging current assumptions about transpacific relations Many of these assumptions are expressed through fear that the ascendance of China threatens a U S led world system and undermines domestic economies that immigrants subvert national unity and that globalization for all its transcending of international cultural and racial differences generates its own forms of prejudice and social divisions that reproduce global and national inequalities The contributors make clear that these fears associated with and induced by pacific integration are not new Rather they are the most recent manifestation of international racial and cultural conflicts that have driven transpacific relations in its premodern and especially modern iterations Pacific America differs from other books that are beginning to flesh out the transnational history of the Pacific Ocean in that it is more self consciously a people s history While diplomatic

and economic relations are addressed the chapters are particularly concerned with histories from the bottom up including attention to social relations and processes individual and group agency racial and cultural perception and collective memory These perspectives are embodied in the four sections focusing on China and the early modern world circuits of migration and trade racism and imperialism and the significance of Pacific islands The last section on Pacific Islanders avoids a common failing in popular perception that focuses on both sides of the Pacific Ocean while overlooking the many islands in between The chapters in this section take on one of the key challenges for transpacific history in connecting the migration and imperial histories of the United States Japan China Korea Vietnam and other nations with the history of Oceania **Chinese**

Diaspora Archaeology in North America Chelsea Rose, J. Ryan Kennedy, 2020-04-08 Showcasing the enormous amount of archaeological data available on the experiences of Chinese people who migrated to the United States and Canada in the nineteenth century this volume charts new directions for the field of Chinese diaspora archaeology by providing fresh more nuanced approaches to interpreting immigrant life **From Arrival to Incorporation** Elliott Barkan, Hasia R. Diner, Alan M. Kraut, 2008

The United States is once again in the midst of a peak period of immigration By 2005 more than 35 million legal and illegal migrants were present in the United States At different rates and with differing degrees of difficulty a great many will be incorporated into American society and culture Leading immigration experts in history sociology anthropology economics and political science here offer multiethnic and multidisciplinary perspectives on the challenges confronting immigrants adapting to a new society How will these recent arrivals become Americans Does the journey to the U S demand abandoning the past How is the United States changing even as it requires change from those who come here Broad thematic essays are coupled with case studies and concluding essays analyzing contemporary issues facing Muslim newcomers in the wake of 9 11 Together they offer a vibrant portrait of America s new populations today Contributors Anny Bakalian Elliott Barkan Mehdi Bozorgmehr Caroline Brettell Barry R Chiswick Hasia Diner Roland L Guyotte Gary Gerstle David W Haines Alan M Kraut Xiyuan Li Timothy J Meagher Paul Miller Barbara M Posadas Paul Spickard Roger Waldinger Karen A Woodrow Lafield and Min Zhou **Lured by the American Dream** P. James Paligutan, 2022-10-25

Starting in 1952 the United States Navy and Coast Guard actively recruited Filipino men to serve as stewards domestic servants for officers Oral histories and detailed archival research inform P James Paligutan s story of the critical role played by Filipino sailors in putting an end to race based military policies Constrained by systemic exploitation Filipino stewards responded with direct complaints to flag officers and chaplains rating transfer requests that flooded the bureaucracy and refusals to work Their actions had a decisive impact on seagoing military s elimination of the antiquated steward position Paligutan looks at these Filipino sailors as agents of change while examining the military system through the lens of white supremacy racist perceptions of Asian males and the motives of Filipinos who joined the armed forces of the power that had colonized their nation Insightful and dramatic Lured by the American Dream is the untold story of how Filipino servicepersons

overcame tradition and hierarchy in their quest for dignity *Almost All Aliens* Paul Spickard, 2009-05-07 *Almost All Aliens* offers a unique reinterpretation of immigration in the history of the United States Leaving behind the traditional melting pot model of immigrant assimilation Paul Spickard puts forward a fresh and provocative reconceptualization that embraces the multicultural reality of immigration that has always existed in the United States His astute study illustrates the complex relationship between ethnic identity and race slavery and colonial expansion Examining not only the lives of those who crossed the Atlantic but also those who crossed the Pacific the Caribbean and the North American Borderlands *Almost All Aliens* provides a distinct inclusive analysis of immigration and identity in the United States from 1600 until the present For additional information and classroom resources please visit the *Almost All Aliens* companion website at www.routledge.com/textbooks/almostallaliens

Major Problems In Asian American History Introduction

In today's digital age, the availability of Major Problems In Asian American History books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Major Problems In Asian American History books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Major Problems In Asian American History books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Major Problems In Asian American History versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Major Problems In Asian American History books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Major Problems In Asian American History books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Major Problems In Asian American History books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Major Problems In Asian American History books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Major Problems In Asian American History books and manuals for download and embark on your journey of knowledge?
