**Christian Science Sentinel** ,1908 **The Complete Poems** Gaspara Stampa,2010-10-30 Gaspara Stampa was lauded for her singing during her lifetime but her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans they can also be read as a rebuttal of typical assumptions about women's roles Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention This is a translation of Stampa into English *The Athenaeum* ,1842 **The Literary World** ,1881 *The Works of ... inward fragrance of religion attracts the soul to perform worship and meditate but only merging with Divine Reality fulfills all their aims and ends The holy water and sacred food of the soul then is Universality based in Nonduality Universality is beyond interreligious harmony and outstrips eclecticism It breathes free grows and expands in the rare and exalted atmosphere of the open mind of the sincere and dedicated aspirant Like the headiness of breathless heights one feels on pilgrimage in the Himalayan mountains or the inspiration felt by taking pilgrimage to Jerusalem or the power present when going on Hajj to Mecca just so Universality verily transports the human mind to lofty experiences of Consciousness felt nowhere else not even in the life heavens or the causal realms
