Black Women in Interracial Relationships Kellina Craig-Henderson,2017-07-28 According to the most recent U S census twice as many black men are involved in interracial relationships as black women Do black women consciously resist such involvement What motivates the relatively few women who are in these types of relationships And how do they navigate the unfamiliar terrain in intimacy One of the most popular explanations for black women s involvement in interracial intimacy is the unavailability of eligible black men This explanation focuses on the dismal statistics popularly discussed in reports that forecast lonely futures for African American females Craig Henderson explores another more provocative explanation She argues that some black women may disassociate from larger social stereotypes by consciously and strategically making choices that distance them from what is considered characteristic of the typical African American woman Scant serious attention has focused upon intimate interracial relationships perhaps because of a general reluctance to deal with two extremely provocative issues race and sex As rates of interracial relationships continue to increase discussions about interracial intimacy are relevant and timely Craig Henderson considers the continuing taboo of interracial relationships involving African Americans the way this taboo is changing and the way that contemporary race relations perpetuate longstanding stereotypes about race and sex The book includes in depth unstructured interviews with a wide range of black women currently involved in interracial intimate relationships Each individual discusses their relationships with family members beliefs about the influence of race in America unique problems associated with interracial intimacy as well as sexual attraction racial identity and children Of particular interest to specialists in race gender family and sexual issues this work is also accessible and appealing to general readers

[The Myth of Post-Racial America](#) H. Roy Kaplan,2011-02-16 The Myth of Post Racial America provides a history of race and racism in the United States These concepts became integral parts of American society through social psychological and political decisions which are documented so readers can learn about the origin of myths and stereotypes that have created schisms in our society from its founding to the present day This

information is essential reading for students and teachers so they can become more effective in their work and value cultural differences modes of expression and learning styles **Women Framing Hair** Heather Hanna,2015-05-13 This book explores the complex and enigmatic motif of hair in the work of five contemporary women artists Chrystl Rijkeboer Alice Maher Annegret Soltau Kathy Prendergast and Ellen Gallagher from the late 1970s to the present It investigates why hair is such a productive and resonant site of meaning how it is suggestive of and responds to serial strategies and why it appears to be of particular significance to women who are artists It explores the implications of hair as an embodied material its role as a haptic metaphor of the life cycle and what might be seen as a darker more liminal side of hair as a site of excess and body waste and its ability to represent trauma and wounding It also discusses some of the divergent histories of hair as a rich marker of identity in cultural discourses of beauty myth and femininity and as a symbol of status and power Informed by a range of theoretical approaches this book draws on Julia Kristeva s theorizations of the abject H l ne Cixous s notion of critique feminine and a Deleuzian consideration of difference **The Ashgate Research Companion to Black Sociology**

Hair Dance! Dinah Johnson,2007-09-04 Hair comes in all colors textures and styles Whether it is worn long or short in braids or cornrows or left natural in an Afro hair plays a big part in who we are and how we feel about ourselves In this inspiring book Kelly Johnson s stunning photographs of girls wearing a range of hairstyles and the lyrical words of Dinah Johnson s poem celebrate African American hair in all its radiant variety Hair Dance is a 2008 Bank Street Best Children s Book of the Year **An Autoethnography of African American Motherhood** Renata Harden Ferdinand,2021-11-29 This is the first full length explicitly identified autoethnographic text on African American motherhood It shows the lived experiences of Black motherhood when mothering is shaped by race gender and class and mothers must navigate not only their own but also their children s positions in society Ferdinand takes an intimate look at her mothering strategies spanning ten years from 2007 to 2017 preparing her daughter to traverse a racist and sexist society It is a multi generational text that blends the author s experience with that of her own mother grandmother and her daughter to engage in a larger discussion of African American Black mother womanhood It is grounded within Black Feminist Theory which centers the experiences of Black women within the domains of intersecting oppressions It is from a very personal position that Ferdinand provides a

glimpse into the minutiae of mothering that reveal the everyday intricacies of Black women as mothers. It highlights specific strategies Black mothers use to combat discrimination and oppression from teaching their children about the n word to choosing positive representations of Black identity in movies, books, dolls, daycares, elementary schools, and even extra curricular activities. It shows the impact that stereotypical manifestations of Black femininity have on Black women's experience of motherhood and how this affects Black women and girls' understanding of themselves, especially their skin color, body shape, and hair texture. As an interdisciplinary text, this book will be reading for academics and students in a broad range of fields including Education, African American Studies, Communication Studies, Women Studies, Psychology, and Health Studies. It is also a handbook of lived experience for Black mothers, grandmothers, and daughters, and for all mothers, grandmothers, and daughters, irrespective of color.

The Oxford Handbook of Feminist Theory Lisa Disch, Mary Hawkesworth, 2018-02-01. The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to analyze the known world. Featuring leading feminist theorists from diverse regions of the globe, this collection delves into forty-nine subject areas, demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory. Demonstrating the interdisciplinary nature of feminist theory, the chapters offer innovative analyses of topics central to social and political science, cultural studies, and humanities discourses associated with medicine and science, and issues in contemporary critical theory that have been transformed through feminist theorization. The handbook identifies limitations of key epistemic assumptions that inform traditional scholarship and shows how theorizing from women's and men's lives has profound effects on the conceptualization of central categories, whether the field of analysis is aesthetics, biology, cultural studies, development, economics, film studies, health, history, literature, politics, religion, science studies, sexualities, violence, or war.

Decolonizing European Sociology Encarnacion Gutierrez Rodriguez, Manuela Boatcă, Sérgio Costa, 2016-05-13. *Decolonizing European Sociology* builds on the work challenging the androcentric, colonial, and ethnocentric perspectives eminent in mainstream European sociology by identifying and describing the processes at work in its current critical transformation. Divided into sections organized around themes like modernity, border, epistemology, migration, and the South, this book considers the self-definition and basic concepts of social sciences through an assessment of the new theoretical developments, such as postcolonial theory and subaltern studies, and whether they can be described as the decolonization of the discipline. With contributions from a truly international team of leading social scientists, this volume constitutes a unique and tightly focused exploration of the challenges presented by the decolonization of the discipline of sociology.

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008. The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4-volume work. Although there has been extensive research on women in history by region, no text or reference work has comprehensively covered the role women have played throughout world

history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike Critical Multicultural Analysis of Children's Literature Maria José
