Half Love Death Emily Ross:

Half in Love with Death Emily Ross, 2015-11-06 It's the era of peace and love in the 1960s but nothing is peaceful in Caroline's life. Since her beautiful older sister disappeared fifteen years ago, Caroline might as well have disappeared too. She's invisible to her parents who can't stop blaming each other. The police keep following up on leads even Caroline knows are foolish. The only one who seems to care about her is Tony, her sister's older boyfriend who soothes Caroline's desperate heart every time he turns his magical blue eyes on her. Tony is convinced that the answer to Jess's disappearance is in California, the land of endless summer, among the street culture of runaways and flower children. Come with me, Tony says to Caroline, and we'll find her together. Tony is so loving and all he cares about is bringing Jess home. And so Caroline follows and closes a door behind her that may never open again in a heartfelt thriller that never lets up. **You Can See More From Up Here**

Mark Guerin, 2019-10-01 The December 2019 pick of The Nervous Breakdown Book Club. A poignantly told story of ruminative remembrance. Kirkus Reviews: I was captured from the first sentence. Superbly written. Midwest Book Review: A sensitive, clear-eyed, unsentimental story. Christopher Castellani, author of *Leading Men*: Self-assured prose, raw honesty, and unwavering momentum. Danny Rubin, screenwriter of *Groundhog Day*: A book about power, race, privilege, and the failings we inherit. Michelle Hoover, author of *Bottomland*: In 2004, when middle-aged Walker Maguire is called to the deathbed of his estranged father, his thoughts return to 1974. He'd worked that summer at the auto factory where his dad, an unhappily retired Air Force colonel, was employed as plant physician. Witness to a bloody fight falsely blamed on a Mexican immigrant, Walker kept quiet, fearing his white co-workers and tyrannical father. Lies snowball into betrayals, leading to a life-long rift between father and son that can only be mended by the past coming back to life and revealing its long-held secrets. *You Can See More From Up Here* is a coming-of-age tale about the illusion of privilege and the power of the past to inform and possibly heal the present. Late Victorian Literary Collaboration Annachiara Cozzi,2024-07-22 An exciting new contribution to the expanding but still largely uncharted territory of collaboration studies Late Victorian Literary Collaboration is the first book length study of the trend for collaborative writing that emerged in the last decades of the nineteenth century As a result of the rapidly growing literary market the years between 1870 and the turn of the century witnessed an unprecedented flow of collaboratively written novels In the 1890s co authorship became a craze with literary partnerships multiplying and fiction co written by twenty and more authors appearing in the pages of popular magazines By 1900 however the trend had already reversed and it quickly slipped into oblivion Late Victorian Literary Collaboration investigates the factors that made the period so conducive to collaboration tracing the reasons for its success and subsequent decline Drawing on a vast range of original sources the book discusses and compares different models of collaboration from life long exclusive partnerships to one time widely advertised collaborative ventures between best selling novelists It deals with authors such as Walter Besant

Somerville and Ross Andrew Lang H R Haggard and Rhoda Broughton all favourites of the Victorian public but subsequently neglected and only recently reevaluated By unpacking the debate that developed around co authorship in the periodical press of the time the book also sheds light on how collaborative authorship was imagined by the general public and illustrates how the trend effectively if temporarily challenged Victorian assumptions about the author as a solitary genius Our Navy ,1931 **Devil's Food** Janice Weber,2009-09-26 A sly witty mystery features two extraordinary sisters one a master chef and the other a renowned actress who juggle husbands lovers the Hollywood media and their own identities to catch a thief By the author of Frost the Fiddler **Broadway Plays and Musicals** Thomas S.
