Handbook Of Contemporary Preaching:

Handbook of Contemporary Preaching Dr. Michael Duduit, 1993-03-01 Contributors included Calvin Miller Joel Gregory Stuart Briscoe James Cox Elizabeth Achtemeier Thomas Long James Earl Massey and many more *Handbook of Contemporary Preaching, 2nd Edition* Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching Illustrating Well Jim L. Wilson, 2022-05-18 Communicate well by illustrating well Preachers face all kinds of obstacles on Sunday mornings A sermon that employs interesting and appropriate illustrations can help break through barriers and convey truth in a fresh way In *Illustrating Well* Jim L. Wilson provides pastors with the tools to effectively use sermon illustrations to help them communicate the Bible's teachings To reach the hearts and minds of their congregations preachers must do more than explain the truth they must demonstrate how the truth relates to real life Every sermon should be theologically rich and thoroughly biblical but a good illustration can take what might be an abstract concept and turn it into a concrete reality for the listener In *Illustrating Well* preachers will discover what makes for a compelling illustration as well as the benefits and potential pitfalls of particular types of illustrations **Preaching Christ in a Postmodern Culture** K. A. Beville, 2010-04-16 Starting with some observations relating to shifts in ecclesiology and identifying them as a move beyond contextualization to syncretism this work goes on to assess the feasibility of preaching in a postmodern culture which rejects both the idea of absolute truth and authority used as power It traces the historical and philosophical development of postmodernism The Enlightenment project is deemed to have failed and Christianity is perceived as an oppressive metanarrative In a world that is becoming increasingly sceptical and where preaching practitioners are becoming disillusioned this book offers some guidelines about preaching to postmoderns In a relational age rationality is impotent but the author distinguishes between authoritative and authoritarian preaching allowing hope for the survival of the homiletic task Humility is presented as preferable to certitude and persuasion is redefined The author suggests using an inductive mode of communication as a means of engaging postmodern listeners He signposts a way forward in the labyrinthine complexity of the new paradigm and demonstrates that the homiletic task is still feasible Thus this book will be of interest to teachers and students of theology as well as pastors desiring to develop a new apologetic strategy **Contemporary African American preaching P3040** , L Susan Bond reveals the full range and diversity of African American preaching in this exploration of African American homiletical theories Portraying the many approaches that are empowering preaching in African American churches today Bond shows how different theological perspectives produce different methods of sermon preparation and delivery different strategies for selecting illustrative material and even different ways of beginning and ending sermons Her goal is not to lift up the right way to preach in the African American tradition but to show the richness

and nuance contained within this powerful cultural expression **A Reader's Guide to Contemporary Literature** William Swan Sonnenschein, 1895 **Homiletical Handbook** Donald L. Min., 2022-03-09 Leadership Training In Discipleship For Christians With Prior Drug and Alcohol Dependence This book is resultant of my Doctor of Ministry Research Project providing a means for leaders and teachers to learn dynamics to disciple Christians that had prior drug or alcohol dependence Before implementation of this dissertation I discovered that there was not a definitive manual to train individuals to facilitate or conduct discipleship programming exclusive and conducive to this group This book is not only meant to be academic the intent is to offer concise information and instruction to aid ministers pastors church laity and others delivering drug and alcohol rehabilitative pastoral care Further usage will aid participants in traditional church institution chaplaincy prison workplace and other faith based settings Fundamentally this book insinuates spiritual social and emotional suggestions for anyone desiring development in both personal and spiritual formation In addition this book will equip you with biblical principles and modalities to teach holistically These standpoints entail examination of a biblical philosophy of discipleship centered on the Great Commission and Great Commandment in developing a comprehensive strategy involving a theological and practical study and teaching approach Throughout this study a small group format is emphasized for training and evaluation giving particular attention to Christ's model of discipleship with regards to facilitating and coaching This book will aid in revealing that the culture of the church consists of a unique group of Christians some whom have abused drugs or alcohol served time in prison and misunderstood in church ministries **Equipped for Good Work** Cothen, Th.D., Joe H., 2002 **Preaching God's Word, Second Edition** Terry G. Expository Preaching in Africa Ezekiel A. Ajibade, 2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In Expository Preaching in Africa Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts

Spirit Empowered Preaching Mozart Dor PhD, 2020-11-24 Although there are several preaching books today there are only handfuls if any that address the centrality of the Holy Spirit in preaching A hindrance to preaching in the twenty first century is over intellectualization of the Gospel After receiving a Doctor of Philosophy Degree in Preaching I thought I was now ready to prepare and preach an effective sermon that will draw any audience to Christ I told myself I am ready I have attained and I can double the size of any given church with my vast knowledge on preaching Little did I know that my degrees from the best schools around the world were not sufficient to preach the whole counsel of God s Word I have come to realize that clever persuasions of men do not change lives The name of Jesus through the power of the Holy Ghost does The secret ingredient in preparing and preaching Spirit empowered messages is the power of the Holy Spirit Ministers of the Gospel must not depend upon natural means to produce supernatural results but must use supernatural means to produce supernatural results Paul said to the Thessalonians Our gospel did not come to you in word only but also in power and in the Holy Spirit and in much assurance 1 Thess 1 5 The church is in desperate need of revival Sinners are urgently in need of the Savior and only the Spirit of God can convict sinners of their sins and bring revival to the nations Consequently the goal of this book is not to produce another great preaching book but to help students and ministers prepare and present effective
