A Charitable Orthopathy John W. Morehead, Brandon C. Benziger, 2020-04-07 Evangelicals and other conservative Christians of the twenty first century face enormous challenges in the pluralistic public square not least with Muslims and atheists Contrary to biblical injunctions to keep in step with the Spirit Gal 5 25b and to love our neighbors as ourselves e g Matt 22 37 40 Luke 10 25 37 both of which involve not only behavioral but also important affective elements we often harbor deep seated antipathies toward atheists and adherents of other religions While such feelings are at times justified and help us cope with conflict related tragedies they are also often baseless misconstrued and counterproductive priming us to avoid religious others support discriminatory policies against them and even confront them in verbal or physical ways The purpose of this volume is to offer an

academically informed yet practically oriented collection of essays that challenges and encourages Christians to engage their religious neighbors in a much more loving compassionate hopeful and courageous indeed orthopathic manner whether in the realm of politics in debate and conference venues on the mission field or in their own homes schools churches and neighborhoods As such a set of reflection and discussion questions is included to facilitate individual and or group study

earth creationism one could desire H bner s story is a dynamic sobering testament to that reality From the depths of his days as an Internet apologist to his interdisciplinary career as a professor we see the impact of religious fundamentalism on heart mind and body For those who have walked through the valley of the shadow of fear may you be filled with curiosity and joy at the sight of another theologian on the journey From one sojourner to another I am happy to commend to you the work of my colleague and dear friend NICHOLAS RUDOLPH QUIENT Associate Pastor The First Baptist Church of Redlands Co Host of the Sinnergists Podcast and Author of The Perfection of Our Faithful Wills Many of Jamin s experiences mirror my own and I am grateful we were friends while surviving as faculty at evangelical liberal arts colleges Reading this book has once again encouraged me and given me a hopeful way forward as he always has as a friend His theological nuance and understanding highlights why evangelicalism is in many ways so superficial and it will encourage anyone that their own deconstruction can lead to a stronger more robust and more inclusive faith in God I will be passing along his book to my friends who come to me for help as they struggle with asking questions of who God really is KRISTY WHALEY PhD Theology Candidate University of Glasgow Former Theology Faculty Colorado Christian University *Costly Love* John H. Armstrong, 2018-06-30 John Armstrong knows from personal experience how easy it is to put too much emphasis on correct teaching in our experience of church and how easily we lose sight of the love on which Christ built his church when we do so In *Costly Love* Armstrong acknowledges the importance of doctrine and theological discussion in the church but he urges Christians to focus first on whether we are following Jesus new commandment to love as he loved Our actions of love will begin to bring us closer to unity with one another and with God Why Study Religion? Terry C. Muck, 2016-06-21 Why Studying Religion Matters in a Pluralistic Context This brief primer explains why Christian students should study religion how they should go about it and why it is important in our contemporary pluralistic context Senior religion scholar Terry Muck introduces the discipline and explains how it can be approached by Christian students He explores the contemporary significance of studying religion in a complex multicultural world and concludes by addressing the skills students must bring to the study of religion in the twenty first century Written in accessible prose suitable for undergraduates this introduction can be used to supplement any standard religion textbook **Rebels with Insufficient Cause** J. M. Sparrow, 2018-09-19 Why are Americans of African descent as a group not flourishing like other racial groups in America Dr J M Sparrow in *Rebels with Insufficient Cause* proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God s designs for humanity will experience chaos but every person and social group that submits to God s designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of

wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units Religiosity and Gospel Transmission Tony Chuang, 2024-08-31 Taiwan is a nation with religious freedom and a long history of missionary activity Yet the Christian population has steadily remained as a minority religious affiliation In this important missiological work Dr Chuang seeks to find out why this is the case and what lessons can be learnt for mission and evangelism in Taiwan From his in depth interviews Dr Chuang explores the interplay of folk religions and Christianity in Taiwanese attitudes and lived reality regarding religiosity Focusing on theoretical and theological issues this work is unique in providing clarity around the nuances of how the people of Taipei conceptualize religion and the unseen realm Dr Chuang skilfully demonstrates that to better contextualize the gospel among Han Chinese in Taipei Christians need to ask the questions that the people are asking to other deities in daily life and frame an exclusive Jesus in an inclusive way Missiologists practitioners and pastors will all benefit from this practical contextualized approach to gospel transmission in Taipei
