Solacers Arion Golmakani, 2024-05-03 Solacers tells the touching story of a 5 year old child s search for family life and safety following the divorce of his parents in Iran during the 1960 s The first child of a heartless father and a discarded mother is left to fend for himself on the streets of Mashhad seeking food and shelter wherever he can His lonely early years are an unbelievable tale of cruelty and betrayal on the part of nearly everyone who might be expected to help save for one aunt who does her best to keep him from starving But living a harsh and solitary existence has one advantage for this little boy other than forcing him to be self reliant no one attempts to indoctrinate him on rural Iranian society s archaic cultural values and religious beliefs And so he never accepts his wretched state as fate choosing instead to dream big dreams about getting an education having his own family and starting a new life possibly in the faraway land called America He makes a plan and by the age of 17 he boards a plane to the land of possibilities where his dreams eventually also take flight A story of hope determination and forgiveness Solacers is a remarkable tale of resilience and optimism with lessons for us all say Hans J Massaquoi retired managing editor of Ebony Magazine and the author of best selling book *Destined to Witness Growing Up Black in Nazi Germany* Golmakani gives voice to children everywhere who long for nurturing and hunger for security

into English to 1952 the year in which he left an America increasingly disfigured by McCarthyism Boes establishes Mann as a significant figure in the wartime global republic of letters Open access edition funded by the National Endowment for the Humanities
