Who's Paying Attention? Kenneth Stanford, 2022-11-03 The title *Who's Paying Attention* focuses on my quest to personally know the God of All Creation and subsequently over the years to aEURo get to grips aEUR with the contents of aEUR the Bible aEUR the way God would want mankind to understand them Included in the title logic is the use of specific help aids in the form of Bibles dictionaries atlases etc and not forgetting prayer to God the Father of Jesus of Nazareth who was my most important help aid as generically speaking the Bible is not an easy book to understand *Who's Paying Attention* contains some of my findings which I can say with confidence that I received divine enlightenment from God otherwise I would have remained none the wiser aEUR even after surfing much topical literature In a nutshell the answer to the title of this book requires that any passionately interested Bible student must adopt a role of a focused detective and at the same time rely on God through reverential prayer aEUR for divine help to solve unclear or confusing sections of Scripture It is on this basis that *Who's Paying Attention* became the prelude to *Watchman Watchman What of the Night* aEUR my second book which further demonstrates the essential reliance on God for divine enlightenment in the Scriptures rather than skewing the approach towards man and available literature in order to obtain aEUR a correct answer aEUR Notwithstanding the above we all still have much to learn about the Bible and the members of the Godhead aEUR who were instrumental in making the Bible a reality
