Kleine Geschiedenis Van Het Groot ABC-Boek of Haneboek J. Stellingwerff, 1979 **Kleine geschiedenis van het groot ABC-boek of Haneboek** Johannes Stellingwerff, 1979 *Learning to Read, Learning Religion* Britta Juska-Bacher, Matthew Grenby, Tuija Laine, Wendelin Sroka, 2023-01-06 Catechism primers are inconspicuous but telling little books for children combining the teaching of reading skills and religious catechesis From the 16th to the 19th centuries they have been produced disseminated and used in huge numbers in many regions of the world in particular in Europe Remarkably similar texts appeared across the continent spanning confessional traditions that were in other respects highly divergent In different places and across the whole period different denominations used not only similar pedagogical and religious strategies but also shared the same formats and iconography This volume edited by scholars from Finland Germany Switzerland and the United Kingdom is the result of a collaborative transnational and interdisciplinary effort including education language teaching children s literature book history and religious studies With contributions on seventeen European countries and regions it sheds new light on a fascinating but largely neglected part of European cultural heritage and by establishing a comprehensive and authoritative summary of the field offers fresh impetus for further transnational research **The Children's World of Learning, 1480-1880. Volume III**, 2023-01-30 Originally published as catalogue 100 of Antiquariaat FORUM in 10 issues between 1994 2002 With an extra issue with extensive indices The impressive Catalogue developed into a unique reference work on Children s books is now available in three extensive and richly illustrated volumes a milestone in the history of Children s book production The work illustrates and mirrors the entire history of West European education Besides historical schoolbooks on spelling and reading exercises on teaching methods arithmetic drawing children s literature fairy tales fable books and so on you can find your way in popular literature and chapbooks books on sports games and pastimes etc All titles are expertly described annotated and placed in their cultural historical context The print edition is available as a set of three volumes 9789061941392 **The Book World of Early Modern Europe** Arthur der Weduwen, Malcolm Walsby, 2022-09-26 Anyone who has studied the history of the Reformation the book and communication will have come across or been influenced by Andrew Pettegree s contributions to these fields The essays in this Festschrift have been commissioned to cover the broad scope of Pettegree s areas of interest and expertise and to reflect and build upon them The pieces written by forty three scholars based at over thirty institutions are organised around nine key themes ranging from the intersections of religion and print to the history of book collecting the periodical press and pioneering book historical research methodologies This second volume contains twenty seven essays Together with the first volume Reformation Religious Culture and Print in Early Modern Europe Essays in Honour of Andrew Pettegree Volume 1 it offers a comprehensive survey of the state of current scholarship on religion printing and media change in early modern Europe Contributors to this volume Renaud Adam Jacob Baxter Natasha Constantinidou Hanna de Lange Arthur der
