Visions Jen Geigley,2017-12-14 Why do knitters knit Maybe we have a simple desire to make our own clothing and accessories Maybe it s a way to express ourselves The yarns we choose the color palettes we are drawn to the modifications we make this is how we play and create Using skill and creativity craftsmanship and ideas a knitter can make almost anything We create clothing and accessories that can t be bought or found anywhere else We are conscious beings not machines We make tiny mistakes and sometimes our tension isn t perfect but in the end we create something that is uniquely ours And that s such a beautiful thing A ball of yarn can be transformed into just about anything in the hands of a knitter and in this book I hope to show you how your knitted fabric can become your canvas True to my rebel heart sometimes I feel the need to let go break the rules and embrace the unexpected To express myself freely I cannot explain to you the joy I felt
