INTRODUCTION *Knitting in Circles* is the second in a series of books on knitting techniques incorporating geometric shapes. After going around the block in my previous book *Knitting Block by Block*, it seemed only natural that we explore circles. Over the years, I've used a variety of circle shapes in my designs, and I thought it was finally time to share their many unique and beautiful uses with knitters of all skill levels. In this book, I'll teach you different ways to shape, create, and embellish knitted circles using traditional methods as well as some I've come up with on my own. As you'll see, a few circles or even just one great big one can be transformed into fabulous and fashionable knitted sweaters, shawls, afghans, jackets, and more. Every
